# DIVISION III—THE CHRONOLOGICAL ROLL, PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this Division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. (Conference Secretary)

Symbols used *before* each name denotes the category of Conference membership and the number indicates his place in the chronological order. Hence R-1 means the first place in the Retired category. R—The Roll of Retired Men; DLS—The Roll of Men on Disability; FC—The Roll of Effective Members; PM—The Roll of Probationary Members; RAM—The Roll of Retired Associate Members; and AM—The Roll of Associate Members; LP—Lay Pastors; RLP—Retired Lay Pastors; PT—Part Time.

The Symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). \*—No Record of Attendance at Annual Conference.

In October, 1972 the Birmingham Area consisted of three annual conferences—the Alabama-West Florida Conference, the Central Alabama

Conference and the North Alabama Conference. The merger plan that was approved by each of these three annual conferences gave birth to two new conferences—the Alabama-West Florida Conference and the North Alabama Conference. The new Alabama-West Florida Conference is composed of the former Alabama-West Florida Conference and that portion of the former Central Alabama Conference that was geographically located within the bounds of the former Alabama-West Florida Conference.

It has been the purpose of clergy and lay alike to make merger meaningful and viable in the life of this new conference. All of us are grateful for the progress that has been made. My special purpose at this particular moment is to lay upon the heart of the members of this annual conference the matter of the election of delegates to the General and Jurisdictional Conferences. I have no right and do not intend to enter into the voting process but hope that you will bear in mind that we are a new conference and the delegation should reflect the same.

Carl J. Sanders, Resident Bishop  
The Birmingham Area

##### CHAIRMAN, CONFERENCE RELATIONS, BOARD OF MINISTRY:

Brethren, we have come to the hour of recognizing a new life-style for these men who were called of God to proclaim the good news as revealed in Jesus Christ. This retired relationship is an honored place in the annals of our Annual

Conference. We have been compassed about by so great a cloud of witnesses—those present and the unseen multitude of those who have gone before us. We now rejoice that these men have fought a good fight. They have finished their course, they have kept their faith, and we now submit their names to the Conference to be placed in the retired relationship.—Billy D. Gaither

#### REPRESENTATIVE OF RETIRED MINISTERS:

We are the recipients of a great heritage; we are honored to have been members of this Annual Conference now celebrating its 147th anniversary.

Our retired class represents 166 years of service to the Church of Jesus Christ. This means that 8,632 Sundays the gospel has been proclaimed and we trust that it has been lived and reflected in our lives for 60,590 days.

It is not in length of days but quality of living and sincerity of spirit that the message is most effectively proclaimed.

Brethren, permit us to say that we rejoice in our new station of life. We are freed from the details of the pastorate and are now enabled to live somewhat relaxed living with a greater opportunity to devote ourselves to reading, prayer, and the reinforcement of our spiritual lives. There will come the increased enjoyment of friendship and the reminiscence of the joyous years in the brotherhood of the ministry and the fellowship of the congregations which we have served.

Be assured that we shall watch with pride the progress that you make. We have great faith in the future of the Church—because the Church is of God. We do not intend to stand on the sidelines and criticize, nor compare, nor even to advise. We shall march with you in the thick of the fight in the unfolding of your dreams and we pray to the ultimate triumph of the city of God. May God bless you everyone.

—H. P. Mathison

H. P. Mathison, retiring, passes a Bible to Jerry Turner, representing the new full connection persons, symbolic of passing the work on to new men.

#### RESPONSE BY NEW MEMBERS IN FULL CONNECTION:

We come now, 4 of us, not to replace you, my brethren for no one can take your place. We come with appreciation of your years of service, your devotion to Christ and his Church and your exemplification of the highest principles of The United Methodist Church of the Alabama-West Florida Conference.

Your lives, your service, your devotion to the ministry and your perseverance with joy, to this good hour give us inspiration and the encouragement. We rededicate ourselves to continue to present the truths of Christ and the Grace of God in unfailing devotion, wherever we may be called or sent in God's vineyard. We ask a continued interest in your prayers as we assume our place of service as members of the Conference to which you have given your lives and so richly served.—Jerry Turner

### BOARD OF THE MINISTRY

The Board of the Ministry of the Alabama-West Florida Annual Conference reports three areas of its concern in this report, which gives a partial overview of the opportunities and assistance available to the ministers of our conference.

The Committee on Psychological Testing continues to administer the M.M.P.I. Psychological Test to all candidates for the ministry requesting a permanent relationship in the conference. This test is administered and processed under the direction of Dr. A. B. Stephens and his staff.

### MINISTERIAL EDUCATION FUND

The Board of the Ministry of the Alabama-West Florida Conference administers the Ministerial Education Fund for the purpose of assisting students in pursuit of their education for full-time church-related vocations, i.e. ministers, ministers of education, ministers of music, missionaries, etc. Funds for this are derived from three sources: The Ministerial Education Fund which is a conference asking based on 2% of our non-building budget, with our conference retaining one-fourth of this for local use; and three memorial funds left to our Board for investment with us using the income from the invested funds. These are The Norris-Allen Fund, The Hattie B. Norred Fund, and The C. B. Gilmore Fund.

Assistance by the Board of the Ministry falls into three categories:

1. Scholarships of \$160.00 each for the Lay Pastor's School each summer for students required to attend.

2. Scholarship-loans for students in seminary or college preparing for full-time church related vocations. These must be repaid after graduation, for the three memorial funds one-half with service and one-half with cash, and for the Ministerial Education Fund with a year of service for each year of financial assistance.

3. Continuing Education Scholarships for short-term courses or seminars. Three such scholarships of \$150.00 each are made available each year on a first-come first-served basis. There is also one \$1,600.00 scholarship available each year for pastors taking sabbatical leave for advanced study. This is a one-time scholarship and one-half must be repaid in cash after the study is completed.

We granted twenty scholarships for Lay Pastor's School last summer, and we have issued twelve scholarship-loans for college and seminary for 1974. The three continuing education grants of \$150.00 each have been taken for 1974 and 1975 already. Also, the \$1,600.00 scholarship-loan for continuing education has been let for both 1974 and 1975.

All churches are urged to pay the full amount of their Ministerial Education Fund asking so we can assist more students.

Students desiring assistance with education expenses should contact Rev. John Carmichael, Box 4097, Pensacola, Florida 32507 for application or information.

### COMMITTEE ON CONTINUING EDUCATION

Interest in continuing education continues to increase. To enable persons who plan to enter some continuing education involving a nine month to a year program of study, the Board of Ministry has set up an annual scholarship of up to \$1600. The first \$800 of this amount is a grant, and the remaining \$800 is a loan with low interest. To encourage those who plan to receive training for a shorter period of time (less than nine months) the Board of Ministry has designated \$450 annually. This amount provides financial aid which is not to exceed \$150 per person. Application for these funds can be made through our Continuing Education Committee, Rev. Floyd C. Enfinger, Chairman.

During the past year all scholarship funds were granted enabling several ministers to participate in short term learning experiences at the Center for Continuing Education, Candler School of Theology, and at The Interpreters House, Lake Junaluska. One scholarship-loan was granted enabling one minister to pursue a years study toward his Doctor of Divinity degree. At present, the

requests for scholarship aid for continuing education exceed funds designated for this purpose.

Within our conference the following continuing education opportunities were offered:

1. The Beginning Minister's Workshop was superbly conducted by the Commission on Town and Country Work with the support of the Committee on Continuing Education.

2. Schools of study were held in some districts. We commend the superintendents who initiated these schools and the ministers who helped and participated.

3. We commend Bishop Sanders and the First United Methodist Church, Dothan, Alabama for sponsoring the "Convocation on Preaching." We recommend similar convocations in the future.

4. Progress is being made toward establishing a Center for Continuing Education at Huntingdon College. We appreciate the concern expressed by Huntingdon and the leadership given by Dr. Allen Jackson, and others toward this objective.

5. This year's Pastors' Assembly was truly outstanding. We commend the Board of Managers for making this school possible for all the ministers of our Conference.

With a center at Huntingdon; increasing interest in continuing education, and hopefully, more funds available, our conference will move steadily toward a more comprehensive and adequate program of continuing education.

RESOLUTION: Rev. Floyd Enfinger offered a resolution in support of Huntingdon College offering the course of study for License to Preach.

Floyd Enfinger, Chairman

#### THE COMMITTEE ON THE LAY WORKER

This committee became a mandatory part of church structure at the last General Conference. The basic task of the committee is to supply information and interpretation to prospective lay workers as well as interpret to the annual conference the role of the lay worker.

Through agreement with the Board of Education, this committee will be responsible for the recommendation to the annual conference for certification and recertification of persons in professional lay ministries as well as Ministers of Education and Ministers of Music. The committee will also recommend to the conference any person eligible for consecration as a lay worker.

Any person applying for consecration as a lay worker is required to undergo the same physical and psychological tests required by the Board of the Ministry.

Lay persons within the bounds of the Alabama-West Florida Conference, who are making a career of work in the employed status in church or church-related agencies, are encouraged to consider meeting the requirements for consecration as a lay worker.

An additional part of our report has been mailed to pastors in the form of a brochure, "The Lay Worker in the United Methodist Church." Additional copies may be obtained from Everett Barnes or Mark Stewart.

A Lay Worker in the church is a person other than the clergy whose decision to make a career of work in the employed status in the church or church related agencies is accompanied by the meeting of standards of excellence in the chosen field of service and who has been consecrated by a bishop. Lay Workers in this conference include Fred Beal, Bill Chance, Ed Free, Ruth Goff, Lura Hunter and Mark Stewart. All others are considered lay employees.

The Conference Committee on the Lay Worker provides the same personal and professional support base for the consecrated Lay Worker that the Conference Board of Ministry provides for the ordained clergy.

The Committee recommends the following persons be recertified in their professional fields:

### CONFERENCE COUNCIL ON MINISTRIES PROGRAM PRIORITIES FOR 1976:

#### "HUMAN RESOURCE DEVELOPMENT IN CHRISTIAN SERVICE"

Continuing its emphasis on the theme "Human Resource Development in Christian Service," the Conference Council on Ministries urges action by the Conference in the following priorities:

##### 1. The Church

a. 100% of World Service and Conference Benevolences—"People Serving People." Realizing that World Service and Conference Benevolences is the "life line" of the local church ministry in the World and at home, we feel we should be 100% in our giving to this area.

b. Benevolences: In keeping with this the Committee on Interpretation of the Conference Council—design programs that will continually interpret the benevolence program of our conference each year for this quadrennium, using a variety of resources and recognizing the need for repetition in this task. This

program should also include education in the area of structure of the United Methodist Church.

c. Encourage every church to achieve "Four Star" mission status by giving to World, National, and Conference Advance Specials, and UMCOR after 100% World Service and Conference Benevolence asking is paid in full.

d. Recognizing and realizing merger: that the Commission on Religion and Race develop ways in which the total conference can affirm and utilize the unity of communion and diversity of gifts that are ours through merger.

e. **Membership:** By commitment, renewal, and nurture we recommend that the local church set realistic goals for itself that will result in personal growth, participation, attendance, and membership, and that the Board of Evangelism develop innovative resources to assist the local church in this endeavor.

## 2. The Laity

a. **Local church officers:** that the Leader Development Committee of the Board of Education and the Conference Council on Ministries develop an on-going training program to help local church officers understand their responsibilities and create a meaningful style of operation.

b. **Church School:** that the Board of Education evaluate present church school programs, and experiment with, design, and create new possibilities for church school renewal.

c. **Human Resources:** that the Council on Ministries begin to investigate and initiate a system for gathering data on personal skills throughout the local churches in order to make a bank of human resources available to all boards and agencies and district programs.

## 3. The Ministry

a. **New Ministers:** that the Town and Country Commission continue the on-going, multiphased programs to help new ministers understand the roles of the ministry, the United Methodist Church structure, and resources available on all levels.

b. **Continuing Education:** that all ministers participate yearly in some phase of additional education and that the Board of the Ministry and the District Superintendents continue to provide and increase opportunities for such experiences

c. That the Board of the Ministry take under consideration a system of standards whereby every pastor can evaluate his growth in professional skills each year.

In order to achieve a significant impact in these areas, the people called Methodist in the Alabama-West Florida Conference should not only plan well, but enlist the aid of every group in the Conference, District, and Local Church. A good spirit exists in our Conference and the reception by the churches of the Conference Program has been excellent. The Conference Staff is always ready to assist in any way on the Conference, District, or Local Church level.

### COUNCIL ON YOUTH MINISTRY

The year 1974-1975 has proven to be a very exciting and meaningful year in the lives of hundreds of young people in Alabama and West-Florida. The conference Council on Youth Ministry has continued to provide many opportunities to enable young people to better understand the Christian Faith and what it means in their lives. The Council appreciates the support it has been given by all people in this Conference. We are happy that more and more youth are taking advantage of experiences offered to them by the Council.

The summer of 1974 was very successful, with four Jr. High Camps, two Mid-High Camps, Senior Assembly and Conference on Youth Discipleship. A new event, the Appalachian Work Project, was added in 1974. Twenty-two youth and eight adults from this Conference attended the work project in Middlesboro, Kentucky.

Weekend events held in 1974 and 1975 included a Legislative Affairs Youth Service Fund Seminar which provided many young people with an opportunity to become aware of, and express their views on issues which are vital to them today. Other weekend events were a Junior High Retreat, which included a workshop for adult workers with Jr. Highs and a Spiritual Life Retreat for Senior Highs.

Fall Rally was a wonderful day in 1974. Fifteen Hundred young people gathered at Blue Lake to share in this celebration with Dr. Ernest Smith and Ed Kilbourne.

Youth Service Fund giving totaled approximately \$4,900 in 1974 and a \$6,000 goal has been set for 1975. The projects to be funded in 1975 are as follows:

1. Appalachian Service Project—Mobile, Alabama
2. La Casa de Amigos Day Care Center—Baldwin County, Ala.
3. Pensacola District Special Ministries—Pensacola, Fla.
4. Wesley Chapel Youth Outreach Program—Mobile, Ala.

5. Panama City Beach Ministries—Panama City, Fla.
6. Church of the Exceptional—Macon, Georgia
7. Neighborhood Activities and Talents Remotivational Project—Nashville, Tenn.
8. Conference United Methodist Youth Agriculture and Evangelistic Project—Monrovia, Liberia
9. Operation Amigos—Glendale, California

The Council has planned several new events for 1975-76 with special emphasis being placed on Junior Highs. A Bike Hike is planned for the summer of 1975 and a Junior High Seminar is scheduled for A.E.A. Holidays of 1976.

Plans have been made to continue with more workshop type events in 1975 as they have been so successful in the past. Each year a Youth Ministry Workshop will be held with emphasis placed on a different area of Youth Ministry. This year we are emphasizing recreation in Youth Ministries. A Music-Worship Workshop will be held in the fall of 1975.

The Council on Youth Ministry looks forward to the coming year with much enthusiasm and excitement. We ask that you continue to support the Council and its work in the life of the church. It is only through the combined efforts of the Youth Council and each local church in the Conference that we can provide an effective ministry.

Claire Cumbie, President

### Report No. 7

#### Stewardship Responsibility

The Council on Finance and Administration believes that all apportionments are needed in the amounts apportioned. Further, the Council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish manageable apportionments. We urge full acceptance and payment of all apportionments by every church.

### Report No. 8

#### Discipline Requirements

Paragraph 881, 1972 BOOK OF DISCIPLINE requires the Council on Finance and Administration to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which the treasurers are bonded. The Council recommends the present policy of bonding be continued.

### Report No. 9

#### Use of Formula

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget, and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level, thus eliminating the district decimals and the salary factor in the formula.

2. It is recommended that the spring meeting of the Council on Finance and Administration be the time for receiving requests from the Council on Ministries, boards, and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We further recommend that apportionments be developed and distributed to each church by September 15, if possible, in order that they may be used for development of church budgets for the calendar year.

### Report No. 10

#### Job Descriptions

We recommend that the Council on Ministries develop job descriptions for members of the staff incorporating each work area into a composite description of the work area in which a staff member participates. We recommend that such job descriptions become a part of the minutes of the conference so that they are easily found and are readily available to aid in selecting personnel.

#### Job Description

### BI-CONFERENCE COMMITTEE ON MERGER

The Bi-Conference Committee on Merger has met to evaluate progress made in implementing the Plan of Merger in the New Alabama-West Florida and North Alabama Annual Conferences during the past months.

The Committee was pleased to record the cooperation manifested throughout the area in the involvement of persons from all former conferences in the leadership and work of Boards and Agencies, Commissions and Committees.

The Committee commended Bishop Carl J. Sanders for his aggressive and compassionate leadership in fulfilling expressed hopes of the Plan of Merger for an inclusive church on every level of administration and participation, specifically citing among other achievements, the appointment of a former Central Alabama Minister to the Office of District Superintendent. Bishop Sanders spirit of brotherliness permeates his work both with this Committee and all the people of our area.

The Committee solicits suggestions and requests from the members of the churches throughout the area as we complete the quadrennium and continue the implementation of the letter and intent of the Plan of Merger.

We express appreciation to various groups at work in both Annual Conferences for their concern, compassion and commitment and will be glad to assist in any way we might be needed.

## THE BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

### Report No. 1

#### Pension Rates and Apportionments

We recommend that the total annuity rate of this annual conference for the calendar year 1976 be eighty-one dollars (\$81.00) per service year for service as ministerial members and approved lay pastors with pension credit; and that the total rate for widows be fifty-six dollars and seventy cents (\$56.70); provided that, for ministers, lay pastors and widows who are provided homes by the conference the annual pension amounts shall be adjusted by a reduction equivalent to twelve dollars (\$12.00) for ministers and lay pastors and eight dollars and forty cents (\$8.40) for widows for each year of service as a supply or lay pastor with pension credit and for each year with pension credit as a minister in any annual conference or under special appointment as a minister without pension credit on the annual conference.

We recommend that the payment from pension funds of one hundred and fifty dollars (\$150.00) be contributed toward funeral expenses of each widow who is a claimant of the annual conference, such payment to be made as soon as possible after the death of the widow.

We recommend that the apportionment to the pastoral charges for the pensions and benefit program of the conference shall be \$700,000.00 for the calendar year 1976.

We call attention to paragraph 1260.6 of the 1972 Book of Discipline relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payments of salaries to ministers and also to the Board's policy of charging defaults to ministers and associate ministers for deduction from pensions if not otherwise paid. Interest is added to other unpaid obligations of the minister at the rate of 7% per annum.

### Report No. 2

#### Reserve Funding of Pensions

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 Conference Journal and subsequent amendments recorded on page 154 of the 1972 Journal and on page 135 of the 1973 Journal, shall be further amended to provide that, effective with the deposit due December 31, 1975, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be \$389,700.00, such adjustment being required to provide for the increase in pension rates to \$81.00 per service year.

### Report No. 3

#### Death Benefit Program

We recommend the continuation of the Alabama-West Florida Conference in the Death Benefit Program, Plan B with the cost and benefits for each calendar year being determined by the latest average salary computed prior to the beginning of each year, (average salary of \$8,596.00 for 1975).

We recommend that, as a part of the conference pension and benefit program, all persons in the following categories of this annual conference be continued in the Death Benefit Program and that newly eligible persons be enrolled as of the closing dates of the annual conference session, and that they be asked to fill out and submit enrollment application cards:

1. Ministerial members—associate, probationary, and in full connection—who are appointed with pension credit on this conference, except those who are appointed to attend school and not appointed to a pastoral charge in this conference.

2. Approved lay pastors listed in the conference minutes as eligible to be appointed, as in the full-time category and receiving appointments in the con-

ference session, or within a 21 day period, beginning with the opening day of a regular annual session of the conference, who are not gainfully employed in non-pastoral work and not attending school as a full-time student.

3. Ministerial members on disability leave and receiving disability benefits on account of services in this conference, ministerial members on sabbatical leave and lay pastors receiving disability benefits.

4. Any lay person employed as Associate Director or Assistant Director of the Conference Council on Ministries.

5. Ministerial members in the retired relation, who currently receive pensions on account of not less than four years of service in this conference.

6. Retired lay pastors listed with latest conference minutes and who receive pensions for not less than four years of service in this conference approved for pension credit.

We recommend that all persons in the following categories be permitted on an optional basis to enroll in the Death Benefit Program as of January 1, of any year, with coverage in effect as of the first day of that month; provided that each such person electing to participate shall pay the Conference Treasurer prior to December 10 of the preceeding calendar year, such amount as computed by this board as the cost in effect for such year; provided further that persons entering these categories at the time of a conference session may be enrolled within a period of 60 days following the closing day of such session, if they were not previously eligible for participation.

1. Ministerial members—associates, probationary, and in full connection—appointed without annuity claim on this conference or appointed to attend school.

2. Retired ministerial members who do not receive pension on each of four or more years in this annual conference.

3. Other eligible persons, who, in the judgment of the board, rendered or have rendered service on a full-time basis sufficient to warrant inclusion in this program.

We recommend that the cost of the Death Benefit Program coverage not paid by individuals in the optional groups be provided from receipts from churches by apportionments for the pensions and benefit program, as provided in Report No. 1 of this board.

We recommend that the Board of Pensions and Homes for Claimants be authorized to administer the participation of the annual conference in the Death Benefit Program and to determine the eligibility of individuals for participation in this plan.

#### Report No. 4

##### Allocation for Homes for Claimants

We recommend that \$30,000.00 be apportioned in 1976 for Homes for Claimants subject to the approval of the Commission on Finance and Administration of the Alabama-West Florida Annual Conference.

We recommend that special appointments as employees of United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility of the institution.

We recommend that chaplains in the armed forces be listed as with pension responsibility, if any, on the Chaplain's Pension Fund.

We recommend that ministers under appointment as approved evangelists, to Inner City Missions, to the Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this annual conference only upon payment to the Conference Claimants Fund an amount equal to twelve times the current annuity rate for conference members which for the year 1976 would be \$972.00 (\$81.00 per month). See Paragraph 1259.3a (3) of the 1972 *Book of Discipline*.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this annual conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of the United Methodist Church.

### Report No. 7

#### Depositories

We recommend that the official depositories for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of the United Methodist Church; provided that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government sponsored agency.

#### Pensions for Lay Employees

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of the United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for the United Methodist Church to provide pension

coverage for the devoted lay men and women who serve in their employ just as the annual conference provides for pensions for ministers.

Interested churches and agencies should contact:

#### Report No. 10

##### Full-Time Service As a Requirement for Pension Credit

We call attention to the following provisions which appear in the Paragraph 1259.4 (a, b) of the 1972 *Book of Discipline*, relative to full-time service as a normal condition for pensions credit:

a. Full-time service of a ministerial member or of a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the annual conference, on recommendation of the Conference Board of Pensions.

b. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonpastoral work, and whose cash support per annum from all church sources is not less than the minimum salary established by the conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, unless such credit is granted by special action under extremely unusual circumstances.

#### Report No. 11

##### Personal Notations Under Question 52

Subject to the approval of the Alabama-West Florida Conference by a  $\frac{3}{4}$  vote we recommend that Mrs. Ella Mae Lowery be granted a special grant for the year 7-1-75 through 6-30-76 as the wife of a minister of our conference who served 35½ years as a member of this conference. The grant would be based on the years of his service.

##### Annuity for Ministers in Area Offices

As approved by our annual conference in the 1972 session the following policy continues in effect:

The area offices being served by the ministerial members from the conferences in the Birmingham Area where there is no annuity payment to provide pensions and benefits for these men shall have their pension and benefit payments provided by the two conferences of the area with the Alabama-West Florida Conference paying an amount equal to forty-six percent (46%) of twelve times the annuity rate and the North Alabama Conference paying an amount equal to fifty-four percent (54%) of twelve times the annuity rate of the conference in which the minister holds membership. This formula was agreed upon by the Alabama-West Florida and North Alabama Annual Conferences.

##### Hospital and Medical Program

We recommend that effective 1 July, 1975, the carrier of the conference health care (Hospital and Medical Expense) program be changed to Blue Cross-Blue Shield of Alabama, with eligibility to participate determined by the Board of Pensions of the annual conference.

All ministers of the annual conference shall be eligible to participate in the program who are appointed to a charge by the cabinet and the conference shall participate in premium costs provided the minister is appointed with annuity credit on the conference. Those ministers appointed to a charge without annuity credit or appointed to attend school or in a special appointment may participate by paying the full amount of the premium. There shall be a sixty day enrollment period beginning July 1, 1975.

Premium payments shall be made to the conference treasurer on a regular remittance form, on a quarterly basis with payment for the quarter ending Sept. 30 due not later than June 20, payment for the quarter ending December 30 due not later than September 20, payment for the quarter ending March 31 due not later than December 20, and payment for the quarter ending June 30 due not later than May 20. The schedule of participation in premium costs by the annual conference related to eligible persons shall be that one-third of the premium shall be paid by the conference and  $\frac{2}{3}$  shall be paid by the minister or employee. The full premium cost for persons over age 65 shall be paid by the conference and  $\frac{1}{3}$  of the premium for dependents of over age 65 ministers.

The funds required for conference participation in premiums shall be provided by the Pensions and Benefit Program of the conference and shall be included in the apportionment for the Conference Claimants Fund.

We recommend further that the program continue to be made available to local churches for participation by their full time lay employees, without conference participation in the premiums.

#### Report No. 15

It is our understanding that the Council on Finance and Administration is in the process of drawing up a description of the duties and responsibilities of the program area assigned to the Conference Treasurer. In the light of this decision of the Council on Finance and Administration, the Board of Pensions and Homes for Claimants heartily concurs with this effort and wishes to commend the Council on Finance and Administration for undertaking this important task and pledge our cooperation and support.

#### Report No. 16

The Board of Pensions and Homes for Claimants of the Alabama-West Florida Annual Conference requests that the Alabama-West Florida Annual Conference of The United Methodist Church consider the feasibility of a major financial campaign, possibly to begin in 1977, for the purpose of completing funding of the Alabama-West Florida Conference pension program. The Board will present further plans and recommendations to the Committee on Finance and Administration during the ensuing year.

### BOARD OF CHURCH AND SOCIETY

The Board of Church and Society is charged with the responsibility of helping the United Methodist Churches of this conference to implement the demands of the Christian Gospel in the everyday issues and concerns of society. Recognizing that to attempt to do everything in general often means to do nothing in particular, the Board of Church and Society has chosen from the multitude of possibilities the following four priority issues, which are recommended to

the 1975 Session of Annual Conference for adoption as target issues to be confronted in district workshops and local churches during the 1975-76 conference year.

The plan of action is for each District Director of Church and Society, in conjunction with the district superintendent to present the four priority issues to a meeting of the District Council on Ministries in the fall of 1975, asking the district council to choose one or more of the issues as the subject of a District Workshop on Church and Society, to be held in the winter of 1975-76.

The four priority issues are:

1. Prison and Judicial Reform, including law enforcement, the judicial process, penology and rehabilitation programs, prison ministries, probation and parole, juvenile detention facilities, and facilities for the criminally insane.

2. Problems of the Aging, including emergency economic needs, quality of life needs, protection against economic abuse, nursing home operation, health care, transportation needs, and issues related to the right to die with dignity.

3. Welfare Reform, unemployment, and poverty, including guaranteed income, public health care, church charity assistance programs, public work programs, low cost and public housing.

4. World Hunger, including foreign aid, agricultural policies, volunteer assistance programs, and local church sharing projects.

Mary Elizabeth Carter, Secretary

## TASK FORCE ON PRISON REFORM AND PRISON MINISTRIES

The Task Force on Prison Reform and Prison Ministries convened by the Board of Church and Society at the direction of the 146th Session of the Alabama-West Florida Annual Conference met July 10, 1974 at Huntingdon College and elected Jane Coleman, Chairman; John Vickers, Vice-Chairman; Jim Fillingim, Secretary. Andrew Turnipseed was appointed to serve as parliamentarian.

The task force voted to divide the areas of concern into four categories and to study all thoroughly prior to making recommendations or pronouncements. The categories are as follows: 1. law enforcement; 2. judicial processes; 3. jails and prisons; 4. probation and parole.

The task force has heard the following speakers: John Hale, Information Officer for the Board of Corrections; Bob Bright, Associate Commissioner of the Board of Corrections and Director of Agriculture for the Board; Warden Barney Hardin of the G. K. Fountain Correction Center; George Mitchell, Director of the Medical Program for Alabama's prisons; two representatives from the Florida Division of Health and Rehabilitative Services in the Youth Services Division; Larry Bennett and the Directors of five Work Release Centers in the Alabama Prison System; Dr. Thomas F. Staton, Chairman of the Board of Corrections; and Charles Hollofield who is Program Director of Volunteers In Parole.

In addition to speakers, the task force members have toured Mt. Meigs Medical and Diagnostic Center, Draper, Julia Tutwiler, and the G. K. Fountain Correction Center.

Mrs. Herron Lord, a resource member and also a member of the Jurisdictional Prison Reform Committee, secured the interim report of the Alabama Bar Association on Alabama's prisons, as well as information as to what other organizations in Alabama were doing in the area of prison reform.

The task force has eleven members; five clergymen and six laypersons, and six ex-officio and resource members. The average attendance by voting members had been 64% at the six meetings of the task force.

## RECOMMENDATIONS

We recommend that separate committees be appointed to lobby for specific bills dealing with prison reform. Each separate committee will be charged with the responsibility of communicating with legislators who will be the most effective in the introduction, management and passage of specified bills. These committees will be asked to make progress reports to the United Methodist Task Force on Prison Reform and Prison Ministries.

We recommend that criminally insane prisoners be removed from the general prison population and that the State Legislature be urged to implement this program.

We urgently recommend that local ministerial associations furnish full or part time chaplain service to city and county jails and that United Methodist churches and United Methodist clergymen actively cooperate with local community endeavors to give spiritual, moral, personal and financial support to those who are held in local jails, and to their families.

We recommend, and strongly urge, the cooperation of the Alabama-West Florida and North Alabama Conferences in the formation of a joint United Methodist Task Force on Prison Reform and Prison Ministries in the Birmingham Area.

Jane S. Coleman, Chairman

### BOARD OF HEALTH AND WELFARE MINISTRIES

#### Report No. 1

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference has been blessed once again with a great field of service for our Lord Christ. We have done much for which we can be thankful, and found much that needs to be done.

(1) Again this year, we have sought to open the doors of our agency institutions to the people of the annual conference, to increase their understanding and knowledge of what was being attempted.

In the fall (October, 1974) we invited the conference to The United Methodist Children's Home in Selma. In the early spring (March, 1975), we met in Dothan at Wesley Manor. Both occasions were heart-warming as our people came to see and to witness what their support is making possible.

(2) Our two fund-raising campaigns; for the Children's Home and the Mother's Day Campaign were successful. We are hoping to do better on both in calendar year 1975, for the demand is increasing in the areas in which both these funds function.

(3) For the first time information was distributed for the Trigg James Award and the Carlisle Miller Award. These awards are sponsored by SEMAR, for the church which has the best program ministry for the retarded, and the best sermon preached which advocates a ministry to the retarded. We urge churches and pastors to be aware of these awards. If information is needed contact the Secretary or Chairman of your conference Health and Welfare Ministries Board. Further emphasis will be given these awards in 1975.

We wish to recognize and thank the District Directors of Health and Welfare Ministries for their work this past year. They are:

**Andalusia District**  
The Rev. Joe E. Bates  
Florala, Ala.

**Demopolis District**  
Mr. Clyde Mahaffee  
Melvin, Ala.

**Dothan District**  
The Rev. Andrew S. Turnipseed  
Ozark, Ala.

**Marianna District**  
The Rev. Johnny McCurdy  
Port St. Joe, Fla.

**Mobile District**  
The Rev. Bill Barry  
Mobile, Ala.

**Montgomery District**  
Mr. Aubrey Jones  
Montgomery, Ala.

**Pensacola District**  
Mr. W. H. Abbott  
Pensacola, Fla.

**Selma District**  
The Rev. Norman McLeod, Jr.  
Selma, Ala.

**Troy District**  
Mrs. Paul Musselman  
Troy, Ala.

Our program emphases for 1975 are:

1. To develop more fully Health and Welfare Ministries organization from the Conference Board to the local church. This will include training for local Health and Welfare Representatives, District Directors, and Conference Board Members.

2. Seminar series to include:

A. **Seminar on Mental Retardation** for ministers and lay-persons, and Health and Welfare Ministries personnel.

B. **Seminar on Aging** for ministers, lay-persons, and Health and Welfare Ministries personnel.

C. **Seminar for Children in Crisis** for ministers, lay-persons, and Health and Welfare Ministries personnel. These seminars will be conference-wide during 1975.

3. Open-House in March 1975, at Wesley Manor in Dothan to promote Mother's Day Campaign, and to receive offering for indigent retirees at Fair Haven and Wesley Manor, and for Golden Cross, on May 11, 1975.

4. Promotion of White Christmas Campaign for the Children's Home in 1975. This will include an open house at the home in Selma in October, 1975.

We are concerned about many areas in the societal life of our people, where we find broken-ness and persons in crisis. When we are sensitized by need, we pledge to endeavor to make our people aware, that the church, and the "people called Methodists," might truly be the "body of Christ."

Respectfully submitted,  
LARRY D. BENNETT, Chairman

## Report No. 3

## UNITED METHODIST HOMES FOR THE AGING

Since the last annual conference, there has been a change in administrators at Wesley Manor. The Rev. Earl DuBois, a member of the Alabama-West Florida Conference, was employed in August, 1974, to replace Cecil Chancy who retired.

Your Methodist Homes For The Aging have now completed 14 years of operation at Fair Haven and 7 years at Wesley Manor. During this time we have served between 900 and 1,000 elderly persons. At Fair Haven, 5 of the original residents who moved into the home in the fall of 1961 are still living with us. Two of that number have received financial assistance during this period.

This year, the operating budget for your two Homes is more than \$1,500,000.

Last year, the Homes received from the Alabama-West Florida Conference \$20,985 of which amount \$17,504 was raised from the Mother's Day 1974 offering, and \$33,387 from the North Alabama Conference unified budget and churches, for a total of \$50,891 to be used to cover the assistance program of the two Homes. During this same time, Fair Haven gave assistance to 85 persons at a total cost of \$47,251, with Wesley Manor giving assistance to 34 persons at a cost of \$21,004. If it had not been for the many friends who support the Good Samaritan Fund we would not have been able to assist this approximately thirty percent of our total residency.

Our program continues to expand, for the need is great. At Fair Haven 45 apartments have been completed through the Founder's Gift program, and a waiting list of nearly one year for all accommodations has developed. Wesley Manor has now started construction on a 56-bed nursing addition which should be completed by the next annual conference. This construction will cost approximately \$900,000, of which \$380,000 will be a Hill-Burton grant.

Today, the greatest problem which faces your Homes For The Aging is inflation, for so many of our residents' incomes are not keeping pace with soaring costs; yet it is imperative that we continue to expand our services for our aging population is increasing at a faster rate each year.

Our 15-minute color movie, "A Gift of Love," showing activities at both Fair Haven and Wesley Manor has been shown in many churches and is always available for showing at evening services, Men's Club meetings, or United Methodist Women's meetings. Earl DuBois and I are both available to show the film and speak to your groups.

Jno. W. Williams,  
Executive Director

## Report No. 4

UNITED METHODIST CHILDREN'S HOME  
SELMA, ALABAMA

The 1974 fiscal year was a year of change for the United Methodist Children's Home. Integration of our services became a reality in the spring of 1974. The Home had previously signed compliance with Title VI of the 1964 Civil Rights Act. We are pleased to report that the adjustment has been smooth and the children, staff, and community are to be commended for their cooperation and fine attitude.

Also in the spring of 1974 the annual conferences approved the long range plans for this helping ministry. Immediately wheels were set into motion and we are proud to report that by the end of 1974 the following had been accomplished:

1. A Southern Regional Director was hired and a regional office opened in Pensacola.

2. The Pensacola Group Home for 8 boys and girls was purchased, furnished, and in operation at near capacity for six months.

3. In the fall of 1974 a group home was opened in temporary quarters near Dothan. Donated property was received and construction begun on a permanent facility for eight children to be ready for occupancy by April 1975.

4. A Northern Regional Director was hired and a regional office opened in Huntsville in late summer 1974.

5. A modest residential home and extra lot was purchased for Huntsville Group Home. Needed additional bedrooms are under construction and home should be ready for service by March 1975.

6. The Home assumed responsibility for a boys group home in Tuscaloosa in late 1974. Supervisor and child care staff were hired, with first boys to be admitted in January 1975.

During 1974 a total of 293 different people were served in all our programs. The average daily enrollment was 162, with the agency providing 59,091 days of care. Although this is slightly less than our 10-year average it is a reasonable figure when one considers the times we are in, the fact that the quality of services was improved, and so much was accomplished toward providing additional and better future services.

Yes, 1974 has been a year of change but it has been an exciting year. It was great to see the response of our United Methodist people. We look forward to 1975 as a year of fruition with the United Methodist Children's Home continuing to lead in exceptional child welfare services to children and their families.

### Report No. 5 GOLDEN CROSS

As the director of Golden Cross, I have the opportunity to see an area of the church's ministry which is little known to most of our people. However, this is one of the most compassionate areas of ministry in which our church is involved. It is through these funds that we reach out to help United Methodist layman and ministers who have medical bills which they are unable to pay.

During this conference year we have helped 23 different Methodist with a total cost of 5,400.31. Golden Cross joins with the Home for the Aging in sharing the Mother's Day offering. The Home for the Aging receives 80%, and Golden Cross receives 20% of this offering. Your giving to these two combined funds enabled us to respond to the ever soaring hospital cost of many needy Methodist people in our area.

There are film strips and brochures available from the conference headquarters, which will provide information about the Golden Cross Fund. Applications and information can be obtained by writing me:

David H. Chunn

Golden Cross helps people where they hurt. Become a part of this Christ-like compassion, and give to the Mother's Day offering in your church.

Thank you,

### Report No. 6

A presentation was made to the Board of Trustees of the Methodist Home For The Aging on April 24, 1975, whereby there are available "Certificates of Need" for 100 nursing beds in Dothan and 125 nursing beds in Birmingham. Following this presentation by a reputable bonding company and upon checking with the State Health Department with regards to the availability of Hill-Burton funds, it was the decision of the Board of Trustees to recommend the adding of these much needed beds to both facilities, if possible.

Therefore, in accordance with Paragraph 1110.6 of the DISCIPLINE of the United Methodist Church, we requested approval from the Health and Welfare Ministries division of the Board of Global Ministries to investigate all facets of this proposal by the bonding company.

Following this request, a letter was received from Charles E. Frazier, Executive Secretary, Section on Aging, from which the following is quoted:

"Based on the information you have given us, we hereby indicate to your Board and to the two annual conferences involved our initial approval with the following understanding:

1. A certificate of need will be secured for each project.
2. Financing will be by a special Alabama plan through which bonds are issued by a municipal-medical board, the facility leased to your organization for the term of the bond, with the option to purchase the property for \$1 at the end of that time.
3. The program of services offered in the new facility will be of the same high quality offered in your present program.
4. When more detailed plans for construction and financing are available, these will be submitted to our Division for final approval."

While all details have not been completed pending approval of the two Conference Boards of Health and Welfare Ministries and the Annual Conferences in session May 26-29 and June 2-6, the Board of Trustees of the Methodist Home For The Aging requests approval and authority to proceed, provided all details can be worked out.

The basic plan for the construction of these facilities will be the establishment of municipal-medical Boards in each city which will issue tax-exempt bonds for 100% construction and equipment. The facilities will be leased by the

Methodist Home with an option to purchase at the end of the term of the bonds. This program will not require the obligation of either Annual Conference.

The Board of Trustees of the Methodist Home For The Aging respectfully requests approval of this request.

Jno. W. Williams  
Executive Director

## COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race has met several times to discuss ways to make merger more meaningful for all the churches of the conference. We have also sought means to insure that the former Central Alabama Conference would not be "swallowed up" in the larger organization of the Alabama-West Florida Conference.

We have sought ways, first of all, for getting the minority groups to take advantage of opportunities open to them on boards and agencies of the annual conference. Because of the work habits and life style of the minority groups it is very difficult for them to attend most meetings. Though we realize there is no way to schedule meetings and conference activities in a way that would please everyone, we hope that the conference will consider these factors, seeking to work out ways to remedy these situations.

The Commission has held two seminars that were profitable and meaningful for those who attended.

We recommend to the conference and to the bishop that ways be sought to make the "Black Experience" more visible in conference programming, through the Bishop's Hour, and in our institutions. We further recommend that agencies of the conference seek in their ministries to be relevant to the "Black Experience."

We commend the conference staff and the Reverend C. E. Barnes in particular for their cooperation in helping us do all the things we were able to do this year. Finally, commend the conference for its diligent efforts to make merger work, and we believe in time we will achieve all that merger is supposed to mean, if we continue to be steadfast, unmovable in our task to make this an all-inclusive Church.

We further recommend that lay "Pastors' School" be held at Huntingdon College rather than at Emory, as at the present.

Rev. Curry Brown, Chairman

## THE COMMITTEE ON LAY LIFE AND WORK

The following brief report is submitted in accordance with Paragraph 1051 of the 1972 *Book of Discipline* which states: "The lay leader shall present a written report annually to the committee and to the annual conference."

It is to be expected that a person stepping into a new job, as the writer did after the last annual conference elected him lay leader, might experience some confusion in trying to organize effectively to carry out the objectives set forth for the Annual Conference Committee on Lay Life and Work. But it should be said that this confusion has been confounded by the fact that the United Methodist Church has understandably been in a state of uncertainty as to how best to define its administrative order since the momentous changes brought about at the time of union with our Evangelical United Brethren brothers and sisters in Christ. The old familiar "shall be's" of former DISCIPLINES have been replaced by "may be's" in many instances. The Council on Ministries philosophy of letting each local church and each district have more latitude in determining its program, with the understanding that these programming bodies are more familiar with the unique personality of their area, has, it seems, resulted in less organization at the annual conference level.

Be that as it may, your Annual Conference Committee on Lay Life and Work has preformed the following specific functions during the year:

(1) **September, 1974:** We met with Bishop Carl Sanders and the cabinet at Panama City, Fla., to define objectives and recognize the necessity of clergy-laity cooperation. At this time agreement was reached on setting the dates of March 7-8, 1975, as dates for a Conference-wide Prayer Retreat at Blue Lake, as March 7 had been designated as World Day of Prayer, and the Conference

Council on Ministries was scheduled to meet earlier that day at Blue Lake, thus avoiding unnecessary duplication of travel for many who would want to attend the retreat.

(2) **December, 1974:** We met at Conference Headquarters in Andalusia for preliminary planning of this retreat. The committee agreed to ask Mr. A. G. Jefferson, former conference lay leader of the Virginia Conference and Mr. Ransom Durr, former lay leader of the former Central Alabama Conference, to lead this retreat with the help of Bishop Carl Sanders.

(3) **January, 1975:** Again we met at conference headquarters to finalize plans for the retreat and discuss other business, including budget for the year 1976.

(4) **March, 1975:** Conference-wide Prayer Retreat was held at Blue Lake. Although the attendance was relatively small, at approximately 85 persons, we were very much encouraged by the spirit and the participation of ministers, particularly the district superintendents. Also, the ladies were well represented and added much by their presence to the success. At a meeting of the committee after this retreat it was decided to set dates of January 16-17, 1976, for our next Conference-wide Laity Retreat at Blue Lake.

(5) **April, 1975:** Workshop at Blue Lake was led by Dr. David Self, Associate General Secretary for Lay Life and Work of the United Methodist Church. The purpose of this workshop was to have Dr. Self describe to our committee the organization of some of the other annual conference Committees on Lay Life and Work so our committee might begin finalizing plans on its own structure.

In addition to the above actions of the Committee on Lay Life and Work, your lay leader was privileged to attend a meeting of conference lay leaders at Chicago in February. Some forty lay leaders from throughout the United States attended this weekend meeting, and it was a rewarding experience to not only learn some of the things being done in other areas, but to get to know these individuals—so different yet united by Christ across the barriers of race and culture.

In closing we feel it should be said that we are seeking to avoid the pitfall of making a god of organization, while at the same time recognizing the necessity of organizing. Our prayer is that we keep the centrality of Christ foremost, remembering that our responsibility is to work together to determine how best we may lift him, that he might through us do that which we are charged to do. We appreciate the wonderful spirit of cooperation from Bishop Carl Sanders, the cabinet and ministers throughout the conference as we seek together to be faithful in our stewardship of the "mysteries of God."

Coleman H. McGehee  
Conference Lay Leader

## BOARD OF EDUCATION

### INTRODUCTION

Harmony and hard work have characterized the Board of Education during the past year. The committee chairpersons and all other members are to be commended for their creativity and cooperation in the performance of a variety of ministries.

We began the year with an examination of the Discipline's statement of our purpose. With this statement and the Conference Program Priorities in mind, we went to work arranging our priorities and developing strategies to achieve them.

Along with clergy and laity at all levels of the Church, we are concerned about declining enrollment and attendance in the church school. In the recent "Confrontation Sunday School" meeting in Nashville, with several of our Board members present, it was pointed out that "since 1959 there has been a decrease of 22.73 per cent in the United Methodist church school attendance." In the coming months we shall be increasingly devoted to the task of discovering and designing ways to improve the quality of, and to involve more persons in the church school.

As we seek to serve Christ and the people of Alabama and West Florida through this Board, we solicit and welcome feedback and suggestions from clergy and laity.

Respectfully submitted,  
Charles W. Avery, President

## LEADER DEVELOPMENT COMMITTEE

The Leader Development Committee has continued recruiting and providing scholarships for Jurisdictional Laboratory training. A goal of at least nine persons (one from each district) to become certified Lab leaders, has been set.

A team attended "Confrontation Sunday School" at Scarritt College in order to work in District training next year. This group was subsidized by the committee.

Training has been done for church school teachers and Council on Ministries/Administrative Board. This has been done on the Local Church level, as well as District and Sub-District. More emphasis has been placed on COM/AB training than any time previously.

The committee believes one effective method of dealing with leader development is to utilize teams from District Councils on Ministry. As a first step toward training these teams, a Workshop on Consultant Skills was held at Blue Lake, with teams from each district participating. Evaluation of this event indicates a need for continued training at this level.

In keeping with our need to develop leaders from the Black community, a retreat was held at Blue Lake with black and white leaders. Dr. Carlyle Marney led the group in this joint endeavor of Leader Development and the Commission on Religion and Race, as we dealt with some of the problems we face. Follow-up meetings are planned.

Respectfully submitted,  
Carolyn Cumbie, Chairman

## COMMITTEE ON CHILDREN'S MINISTRIES

The Children's Committee was approved just prior to the 1974 session of Annual Conference to give priority to the area of Children's Work in the Alabama-West Florida Conference. Immediately upon organization, the committee members, along with the district Children's Coordinators, held meetings in each district to determine the needs of the local churches. In an attempt to meet the needs expressed by local workers in Children's Ministries, priorities have been set for the next two years, which include the following:

1. Work on camp attendance and assist in the recruiting of laymen as counselors.
2. Sponsor workshop for the purpose of interpreting Children's Ministries and introducing a new system of curriculum resources for children.
3. Training for Vacation Church School will be held in the districts in the Spring.
4. Present in late summer of 1975 the new system of curriculum resources for children. (These dates are being set now.)
5. Members of Children's Committee get into local churches at every opportunity.
6. Assist local churches in recruiting teachers and upholding teacher standards.
7. Plan a job description for Age Level Coordinator in Children's Ministries.
8. Work toward a full-time Conference Coordinator in Children's Ministries.

All members of the committee are actively involved in seeing that the above priorities are accomplished. By working with the District Superintendents, District Children's Coordinators, and local workers, the committee hopes to raise the level of local church children's ministries in the Alabama-West Florida Conference.

Respectfully submitted,  
Jean S. Sublette, Co-Chairman  
Don R. Brill, Co-Chairman

## COMMITTEE ON CAMPING

## A. Summer of 1974

The summer of 1974 was again a significant year in our camping program. In 7 Elementary Camps there were 496 campers for an average of 71. 335 Junior High's were present in 4 camps averaging 84 per camp. In 4 Senior High Agencies, 278 campers were in attendance, an average of 70 campers each. 182

adult staff members were present in this regular camping program. In addition, 17 persons participated in the Senior High Trail Hike. Another statistic of note is that approximately 70 campers, mostly Junior High's, were turned down for lack of space.

In the special camps—4-L and Camps Discovery—an additional 390 campers and staff persons were involved. Thus some 1500 persons were participants in the 1974 camping program—as compared to around 1300 in 1973.

#### B. Other Items of Note

At the time of the writing of this report, this committee has several undertakings in progress, but none of them are complete.

1) We are in consultation with Dr. George Stopp of the Physical Education Department of the University of Alabama in an attempt to set up a recreational internship at Blue Lake. In this program, an upper-class student in recreational services would work at Blue Lake for the summer to learn about camp operation. He would have responsibilities in the recreational aspects of Blue Lake's ministry.

2) At the behest of many camp directors, we are trying to secure a medical staff person for Blue Lake.

3) We feel the need of compiling a file of volunteer camp staff personnel with a listing of special skills and talents to help camp directors with the arduous task of securing a staff.

#### C. As you go home from conference:

1) Promote the 1975 camping program.

2) Assist us in soliciting scholarships for the 4-L Camps. Twenty-five dollars (\$25) will send a child to camp, and we urge churches, church school classes, United Methodist Women, United Methodist Men, etc. to respond to this need. Remit to Art Copper.

Respectfully submitted,  
Joseph H. Bullington, Jr.  
Chairman

#### 4-L CAMP 1974 REPORT

The 4-L Camp sponsored by the Alabama-West Florida Conference of the United Methodist Church celebrated its fifth successful summer in June of 1974. It is a camp for mentally handicapped children of all denominations and has grown from 15 campers to 120 with a staff of 65 adults, some of whom served as counselors with children, others who served as directors of special activities such as Recreation, including swimming, softball, fishing, nature hikes, cookouts, Arts and Crafts, Music, and Quiet Hour, and other exciting experiences provided during the five days of camp. The campers were divided into two groups, the Junior and Senior age group, utilizing both Pine Wood and Dog Wood campsites, filling them to maximum capacity. As always, it was an exciting experience, not only for the campers but the staff as well.

The time has come when those responsible for the camp must explore other arrangements if they continue to serve these youth. Some of the young boys and girls who have attended the camp for the last five years are reaching the age of 21 years and beyond, disqualifying them for 4-L Camp. There are also other areas of exceptionality such as the area of the young deaf, and physically handicapped, which should be considered in the future planning of special camps.

The Alabama-West Florida Conference of the United Methodist Church should take pride in this outstanding camp. The words 4-L means "someone cares" to at least 120 children in the conference area each year, and over five years many times that number.

Faye M. Brown  
4-L Camp Director

#### COMMITTEE ON EXPERIMENTAL MINISTRIES

The Camp Discovery program was the primary focus of the Committee on Experimental Ministries for 1974-75. This camp serves both urban and rural children and youth from homes and situations where they might never be exposed to opportunities to affirm their humanity and individual personhood. The four sections of Camp Discovery, two for rural children and youth and two for urban children and youth, served about 200 campers in the summer of 1974. The

response of children involved in these camps has been very rewarding. The dates for the camps for 1975 are Discovery I, August 18-22 and Discovery II, August 11-15. If you would like to assist in either of these camps or would need to recommend children for these camps or information about the camps, you may contact Miss Ruth Goff at United Methodist Headquarters in Andalusia. Mrs. Barbara Ward, Chief Probation Officer of Family Court in Montgomery County, Alabama, Dr. Dallas Blanchard, and the Reverend Al Norris have given excellent leadership in the Camp Discovery program along with Miss Goff. A special note of thanks must go to Rev. Norris for his effort in the raising of funds for the support of the Camp Discovery program. This committee urges each local church to include one or more scholarships of \$30.00 in its budget in support of one child to attend Camp Discovery.

The future hope of this committee is to expand the work into other areas of our conference and other types of ministries. The committee is exploring the possibilities of a camp for deaf children, and the concerns of young adults. We are interested in assisting in planning and initiating new and experimental ministries all over our conference, both urban and rural.

The committee depends on the ideas and concerns of laymen and ministers of our conference to help us. As you see needs in your area where an experimental ministry might be developed, let this committee work with you in planning and development.

Respectfully submitted,  
Dick Cobb, Chairman

#### RECOMMENDATION FOR CONFERENCE CHILDREN'S COORDINATOR

We, the Conference Committee on Children's Ministries, recommend and strongly urge the hiring of a full-time Children's Coordinator for the Alabama-West Florida Conference, who shall be a member of the conference staff. We further recommend that this person be employed in time to take office January 1, 1977, making it possible for said coordinator's duties to run concurrent with programming of a new quadrennium. Our recommendation is based on the following data gathered from across our conference:

1. Local churches have expressed a feeling of dire need for help in the area of children's ministries.

2. Our conference needs such a person as an enabler, a resource person, an executive person to work with the Conference Committee on Children's Ministries.

3. The need for such a Children's Coordinator has been acutely pointed up in the absence of a well-rounded conference children's program, including such things as summer elementary camping, a responsibility which at times has even been delegated to the already overloaded Youth Coordinator.

4. There is a deeply felt conviction that a Children's Coordinator could raise the level of local church children's ministries through educational enterprises which would benefit district and local children's coordinators, as well as local church teachers.

5. This person is needed to coordinate children's ministries throughout the conference, district, and local churches.

6. A large segment of our conference feels that we have too long neglected the area of children's ministries, and as a result, are seeing a decline in the participation of children in our local church programs.

The Committee on Children's Ministries believes that the job description of this person should include the following areas of responsibility:

1. Advocate for the children of our conference.
2. Visit in many local churches, spending at least 50% of the time outside the office.

3. Study guidelines and work with district superintendents and coordinators in unifying the program of children's ministries in the conference.

4. Coordinate conference children's camping program.

5. Encourage camping (day and resident) on district and local levels.

6. Have power to request the chairperson to call any additional meetings deemed necessary.

7. Serve as a link between district coordinators and the general boards and agencies in interpreting and recommending action to meet the needs of children.

8. Serve as a resource person when requests for assistance is forthcoming from districts and local churches.

9. Conduct training sessions on district, sub-district, and local levels.

10. Locate and coordinate leadership and resource persons.

11. Set up and coordinate Vacation Church School Workshops in all nine districts.

12. Initiate and develop ministry for both handicapped and gifted children, with emphasis on the local church level.

13. Give special attention to developing children's programs in the areas of confirmation preparation, stewardship education, and mission studies, both local and world-wide.

14. Keep abreast of and have information available in church-sponsored specialized areas such as day-care centers, week-day pre-school and after-school programs, tutorial programs, and scouting.

15. Offer special educational opportunities in children's choir programming.

16. Promote informal sessions (fellowship and recreational) as well as Sunday evening emphases in the local church.

17. Keep local churches informed on children's ministries in general.

Further recommendations include the following to be set as minimum qualifications for candidates for such a position:

1. Appropriate experience and training in children's ministries.

2. Certified lab leader in at least one area of children's work (or be willing to become certified within one year).

3. Active member of The United Methodist Church.

4. Leadership ability.

5. Be willing and able to travel.

Feeling intensely that this is a conference-wide concern, we urgently request that this program be given a stable base of conference-wide support, as are all other ministries of the conference council. It is our conviction that the only way this can be satisfactorily accomplished is through the inclusion of adequate financial support in the regular operating budget of the conference council to undergird this proposed children's ministries program (i.e. Children's Coordinator's salary, housing, program funds, etc.).

### A RESOLUTION

We request that this annual conference instruct the Conference Council on Ministries and the Council on Finance and Administration to provide adequate funding for a Children's Coordinator in the 1977 budget; and that the Personnel Committee of the Conference Council on Ministries, along with the representatives of the Conference Committee on Children's Ministries, be instructed to begin in the spring of 1976 to secure the services of such a person by January 1, 1977.

Passed by the Conference

Board of Education

Charles Avery, Chairman

Jim Bell, Secretary

### AN ADDITION TO THE 1975 REPORT OF THE BOARD OF EDUCATION

Under its priorities for 1976, the Conference Council on Ministries has asked the Board of Education to "evaluate present church school programs, and experiment with, design, and create new possibilities for church school renewal."

To implement this task, the Board of Education authorized its President to appoint as many as twelve persons to comprise a Task Force on the Church School. In carrying out this responsibility, I have sought to appoint persons who are especially interested in the church school, who will take the task very seriously, and who can make a creative contribution. In addition, I have sought

to appoint a group representative of the whole church. The Task Force on the Church School will consist of the following persons:

Mr. Mark Stewart, Chairman, Mobile, Alabama  
 Mr. Bill Nettles, Arlington, Alabama  
 The Reverend Jerry Dooling, Pensacola, Florida  
 Mrs. Gwendolyn Armstrong, Evergreen, Alabama  
 Mrs. Jane Walker, Opelika, Alabama  
 Mrs. Kay Posey, Troy, Alabama  
 Mrs. Larry Bowden, Brundidge, Alabama  
 Dr. John Whatley, Jr., Wewahatchka, Florida  
 The Reverend Jesse Evans, Cottonwood, Alabama  
 The Reverend Henry Roberts, Clanton, Alabama  
 Dr. Wilbur Walton, Montgomery, Alabama  
 Mr. William A. Floyd, Marion, Alabama

### THE COMMITTEE ON HIGHER EDUCATION AND CAMPUS MINISTRY

The 1974 session of the Alabama-West Florida Conference constituted the Committee on Higher Education and Campus Ministry as an entity separate from the Board of Education. The standing rules called for a committee of four lay persons, four ministers, two youth members who are now attending colleges within the bounds of the Annual Conference, and one campus minister.

The new committee began its work with a training session under the direction of Dr. Glenn B. Hosman, Jr., of the Department of Campus Ministries of the General Board of Higher Education. The training session included the campus ministers as well as the district secretaries of higher education. The committee has voted to include the district secretaries as regular participants in its meetings.

The first priority of the Committee on Higher Education and Campus Ministry has been the Huntingdon College Scholarship Campaign. The magnitude of the campaign and its successful conclusion has been gratifying to the Methodist people of Alabama and northwest Florida. In addition to its financial success, the campaign has also proven successful in recruiting students, in strengthening the ties between the college and the conference and in broadening the stewardship of our people. It is in order to express appreciation to Bishop Carl J. Sanders, the district superintendents and the Huntingdon Campaign Committee for their tireless efforts and enthusiasm on behalf of the college.

We also commend Huntingdon College for its immediate response of appreciation to the annual conference. This response is seen in Huntingdon's emphasis on continuing education as a service to the conference, its expression of gratitude to the district ministers, and its invitation to every contributor to enjoy a dinner and informational tour of the campus.

As a result of the conference awareness of Huntingdon College, every church should strive to pay the Huntingdon-Birmingham Southern Fund (Higher Education) in full, with the clear understanding that these funds provide a small but important part of the operational fund of the colleges. They do not duplicate the funds received in the scholarship campaign.

The committee has attempted to inform the conference of the needs and purposes of the campus ministers. The response of the churches in 1974 toward the Wesley Foundations Fund has been encouraging. Based on the same apportionment, 1974 showed an increase in giving of almost 10% over 1973. The program descriptions and budget requests from the various Wesley Foundations have indicated to the committee how important it is to continue the trend of increased support for our ministry to college students.

## UNITED METHODIST WOMEN

In keeping with goals that were set by the executive committee for the conference organization of United Methodist Women, we have endeavored to implement these goals this year. Our programming for the year centered around increasing membership in the organization, greater financial support of the mission program, better communication between local units and the conference organization and officer training for the newly elected leaders.

Since our last report to the conference we have participated in the Regional School of Christian Mission at Millsaps College in Jackson, Miss. and the conference school at Blue Lake. The studies were most timely: Education for Global Consciousness, The People of God in Today's World and the bible study on the book of Jonah.

In our conference school Bishop Sanders gave the keynote address for the week day school and was available as a resource person especially for the work of UMCOR. He is president of this committee for the United Methodist Church. Another resource person at the school was the Rev. James M. Brinks, a former missionary in Sarawak, Malaysia. He now serves as interpreter of the National Division mission projects in the southeastern United States. Dr. William Pickard, of our conference, wrote the textbook for the study on Jonah. He visited with us one day during the school.

The annual meeting of United Methodist Women was held in September. The theme for the meeting was "I Have Set Before You an Open Door." Miss Theresa Hoover, Associate General Secretary of the Women's Division of the Board of Global Ministries was the guest speaker. She called to our attention the many 'doors' that were open to us for greater service. Additional opportunities were presented by Dr. Mary Sue Lowery and Rev. David Lowery, missionaries in South America, Mary Schaum from Nellie Burge Community Center in Montgomery and Becky Youngblood from Dumas Wesley Community Center in Mobile.

We held an Officers Training Day in November at Montgomery First Church for the purpose of training district officers. They, in turn, will hold training sessions in the nine districts for local officers.

Our Spiritual Growth Retreats in April were unique. We tried something different. Instead of bringing in a retreat leader as we usually do, we used our local talent. Mrs. William Pickard, conference Mission Coordinator for Christian Personhood, assumed the leadership for the Serendipity Retreats. She was assisted by Mrs. Haniel Jones, conference Vice-President and chairman of the Program Committee, Sister Mary Kelly, Deanery Director of the Montgomery office of Religious Education of the Roman Catholic Church, members of the program committee and district coordinators of Christian Personhood.

Through our newspaper, ALERT, we are featuring accounts of projects of local units as they strive to be persons in mission throughout their communities and around the world. The editor is using pictures of people, places and activities to make the conference aware of the vast scope of mission work engaged in by our members.

Our hope is that by the end of this quadrennium we can look back with pride in what we have accomplished—better communication, a keener awareness of our role as persons in mission, a willingness to try something new and a deeper spiritual commitment.

Helen McGonigal, President  
United Methodist Women  
Alabama-West Florida Conference

## BOARD OF MISSIONS

This has been a very exciting and fulfilling year for this Board as we have seen accomplishments that mark great progress in our area of ministry in the Alabama-West Florida Conference. Payments to World Service and Conference Benevolences increased by \$47,054.19 over the previous year and this is exciting. We continue to keep our goal of 100% acceptance and payments on the apportionments as a goal that can be reached and soon! This is our basic program and we appeal to all of our churches to share with us the joy of achieving this goal.

Second mile giving continues in a marvelous way. Our per capita giving for

General Advance in 1974 was \$1.76 which placed us in ninth place in the nation and fourth place in the jurisdiction. Our General Advance giving increased from our 1973 total of \$180,742.94 to a record giving in 1974 of \$277,557.29 which is a plus 53½ per cent. Our Conference Advance giving also increased from \$27,572.69 in 1973 to \$29,835.59 in 1974.

We have a special interest in the Jerrell Mathisons' medical ministry because they are from our conference. We have sent \$25,889.15 to help pay for an airplane so their medical skill can be used more widely. Through December of 1974 we have paid a total of \$23,048.16 on our pledge to support qualified national church leaders in Liberia. We firmly believe our goal will be reached during 1975.

Many people have become involved through the truly great leadership of Ervin Dailey in learning more about the privileges of Christian mission. Several churches helped us bring an Oklahoma Indian Missionary Conference Youth Choir to visit in our conference for a week. Their ministry blessed us and they also contributed greatly to the program of our Cooperative School of Christian Mission. Then forty-six of our people were taken on a tour of the Oklahoma Indian Missionary Conference by Jim Carpenter for six days. These people are now qualified interpreters of the work. Ted Hoagland directed a Work Team on a mission to Costa Rica sharing in the ministry of the Glenn Kellers who are missionaries supported by our conference. Such first hand experiences as mentioned here explain in part the reason we have seen such an increase in support.

We have also achieved a new record in the fact that now we have underwritten the full support of ten missionaries. This is the first time ever for our conference! Already another missionary family has been selected so other interested churches can have the joy of supporting a missionary.

We are just now beginning to get our program of the Ten Dollar Club for Church Extension started. During 1974 a total of \$4,500 was given. As information concerning need is given to our people this program will be greatly expanded.

An interesting program was accomplished during the year when Ervin Dailey and Henry Eddins took two building specialists who are members of our St. James Church in Montgomery to a project of the Rio Grande Conference in Brady, Texas. Originally we had planned that these people would assist a mission congregation by leading a work team to build them a parsonage. Through the building knowledge of these laymen, guidance was given the local people so they could build their own parsonage. Maximum use of our men was made when they went to San Angelo and assisted another mission church in rebuilding their parsonage at a great saving of funds. Such is the kind of work that has been done during 1974.

The sections of our Board will show their work in paragraphs to follow. Let me conclude with a genuine word of appreciation to our Bishop, our district superintendents, Ervin Dailey and all the workers in the Conference Council, and to our churches and our ministers for helping us to complete a very successful year. Pray that God will continue to bless us in our labors for Him.

Cecil E. Bradley, President  
Board of Missions  
Alabama-West Florida Conference

## CHURCH EXTENSION

Working through the Conference Board of Missions the conference carries on A Program of Church Extension. The purposes of this phase of our program are:

1. To aid new churches in the development of their buildings and programs.
2. To assist small churches in the building and improvement of their church buildings and parsonages.
3. To aid in the development of new mission outreach ministries in the conference.
4. To administer the Alabama-West Florida Conference Loan Fund.

This Conference Loan Fund currently has \$145,398.75 on loan to nineteen (19) churches in the conference. Churches planning to build should contact the Board of Missions regarding the possibility of borrowing funds.

Information on grants from Church Extension available from the Chairman of the Board Extension of the Board of Missions, Reverend Douglas Newton, P.O. Box 278, Niceville, FL 32578. All requests should be reviewed by the district superintendent.

### "TEN DOLLAR CLUB"

The Board of Missions has approved a Ten Dollar Club for Church Extension in our conference as a Conference Advance Special. The purpose of the Ten Dollar Club is to fill the need in our growing annual conference for an expanding program of Church Extension which will assist and encourage those churches that are in need of and deserving of assistance in a building and expansion program.

The Ten Dollar Club for Church Extension is being organized within this conference year on the basis that interested persons may volunteer to give \$10.00 in support of a building and expansion program which has been approved by the Committee on Church Extension. No member of this club shall be called upon more than twice within any conference year.

The gifts will be made to the local church treasurer of the church to which the member belongs or the local church of his or her choosing and remitted to the conference treasurer by the local church treasurer. The local church which remits the gift will then be given credit for a Conference Advance Special gift.

The \$10.00 Club will be organized and administered by the Committee on Church Extension with the cooperation and aid of the District Secretary of Missions of each district, the District Superintendents and the Conference Missionary Secretary. We also solicit the interest and assistance of each member of this annual conference in this meaningful and worthy cooperative endeavor. Our goal is 750 members of the Alabama-West Florida \$10 Club in 1975-76.

F. A work team of thirteen (13) persons under the direction of the Reverend R. L. Hoagland spent from July 27-August 7, 1974 in Costa Rica. This was a work and witness team. The group painted the parsonage of the Reverend and Mrs. Glenn Keller, missionaries to Costa Rica, and several churches were also painted. General repairs were made by the team.

G. A Youth Choir from the Oklahoma Indian Missionary Conference spent eight days in the conference, August 1-7. The choir consisted of twenty-five (25) young people representing ten Indian Tribes. Seven (7) adults accompanied the youth. The group sang at the Conference School of Christian Mission and in seven churches in six districts.

H. Forty-six persons from the conference went on the Mission Tour to the Oklahoma Indian Missionary Conference from April 29-May 4, 1974. Cities visited included Dallas, Lawton, Oklahoma City, Ponca City, and Tulsa to see the work of the Native Americans. This trip was directed by the Reverend Jim Carpenter, District Missionary Secretary of the Marianna District.

I. The Board of Missions sent a team of four to Brady, Texas to set up a work project and the result of this effort was to see the local church undertake the construction of the parsonage. In charge of this project was the Reverend Henry Eddins. Mr. John Camp and Mr. J. F. Ingram of St. James in Montgomery were the laypersons who went and gave their valuable assistance to the project.

J. Seven (7) persons from the conference attended a three day training event on "Why Global," September 10-12 at Lake Junaluska, North Carolina.

K. The Montgomery District held a Mission Saturation Event, March 2-5, 1974 and brought in twenty persons to interpret the mission program of the church.

1. Miss Vera Hughlett—Liberia
2. Drs. Jerrell and Joyce Mathison—Nigeria
3. Reverend and Mrs. David Lowery—Chile
4. Dr. Gordon Gould—Alaska Methodist University

M. We purchased through the Advance Specials Program, 39 bicycles and 3 motorscooters for pastors and district superintendents in Liberia.

**II. MISSION CULTIVATION—1974****A. World Advance Specials—1974**

1. Support for Qualified Liberian Church Leaders—The number one priority of the Conference Board of Missions in the area of World Missions is to help support eight (8) Liberian Nationals as they assume roles of leadership within the Liberian United Methodist Church. The goal was set at \$30,000 over a five year period, beginning in 1973. As of December 31, 1974 we had received \$23,048.16.

2. Airplane for Mathisons in Nigeria—During 1973 the Board of Missions added a second top priority World Advance Special which was the helping to purchase a much needed airplane for the work of Dr. Jerrell and Joyce Mathison in Nigeria. The total cost of the plane was \$40,000 and we set a goal of \$20,000. At the end of 1974 we had received \$25,889.15 on the airplane.

**B. National Advance Specials—1974**

1. Rio Grande Conference—In the area of National Missions for eight years the Alabama-West Florida Conference has raised annually approximately \$10,000 in Advance Specials to up-grade pastoral salaries among the Spanish speaking ministers.

2. Oklahoma Indian Missionary Conference—A second priority in the area of National Missions was added for 1974. It was salary support for the pastors in the Oklahoma Indian Missionary Conference, where only three of one hundred seventeen churches are self supporting.

We want to finish the "Support for Qualified Liberian Church Leaders" by raising another \$10,000 during 1975.

#### B. National Advance Special

1. Little Cussetah United Methodist Church 2 Yr. Goal \$20,000. The Board of Missions has approved a two year project to raise \$20,000 to help the Little Cussetah United Methodist Congregation to build a new church. This is a small congregation in the Oklahoma Indian Missionary Conference, located near Okmulgee, Oklahoma.

2. Rio Grande Conference—GOAL \$7,500. The Rio Grande Conference in the Southwest will continue to be a top priority in National Missions as we enter our ninth year of this support. Our goal will be \$7,500 in 1975 to support the Spanish speaking pastors in mission churches.

3. Oklahoma Indian Missionary Conference—Goal \$7,500. This goal for the Oklahoma Indian Missionary Conference is also for salary support.

#### C. Tour to the Rio Grande Conference

National

Conference

UMCOR

3. Carry out a Mission Education Project in the local church.

#### E. Missional Support

#### J. Mission Tour in Conference

Plans are being made to have a four day In Conference Mission Tour in June to see what our own conference, districts, and churches are doing in missions. The Reverend George Turnipseed is responsible for this tour.

#### K. Ten Dollar Club

We hope to have a minimum of 500 members of the Ten Dollar Club in 1975 to assist in Church Extension in our conference.

#### L. Mission Tour Liberia

The Board of Missions has approved a seventeen (17) day tour to Liberia, September 1-17 that will be led by the Reverend Charles Britt. This will be an in depth experience for no more than fifteen persons.

### M. Personnel Available

The Conference Missionary Secretary, Reverend Ervin Dailey (P.O. Box 700, Andalusia, AL 36420) is available for programs to any group in the local church at no charge and can also recommend speakers for special mission events. There is a full range of free material available in Andalusia to help you interpret the mission work of the church.

## AID TO ACTION MINISTRIES

The "Aid to Action Ministries" program of the Conference Board of Missions seeks to help plan and finance innovative programs both in the urban and the rural setting. The programs are "service" and "action" centered in the sense that they focus on persons and seek to meet emerging needs. They are developmental in the sense that they seek to enable persons and programs to develop and to become indigenuous. Some service programs will need continuing support because of the nature of the situation and the nature of the persons served. However, others are supported on a short-term "phase-out" basis, looking to full self-support within a maximum of four years. The projects now being supported are:

1. Panama City Beach Ministries—"Noah's Ark" and "Snow Birds" programs, directed by Rev. Jim Raines. Both are exciting and growing. Noah's Ark, a summer Youth ministry beach program touched around 75,000 youth last summer with around 30,000 attending nightly programs, and a daytime canteen center. The Snow Bird program has involved around 400 (mostly senior citizens) living in the area during the past winter months.

2. Mobile Inner City Mission, directed by Rev. Fred Toland. This is an older program, but continues to grow both in size and effectiveness. Now using the educational building of the Oakdale United Methodist Church as headquarters, it serves a changing neighborhood in a most significant way and is affecting the recreational and social service work of the entire city of Mobile. Through a day care center, bussing program for senior citizens, homemaking program, recreational program, and other community centered activities, it has become a major force in the religious and social life of Mobile.

3. Pensacola Specialized Ministries. This program developed in a fine way by Rev. Al Norris, has been under the leadership of Rev. Donald Jay for the past year. It continues its multi-sided program in Pensacola, including: camping programs, food and clothing distribution, programs for the elderly, "Day at the Seashore" program, day care, emergency relief, counseling and tutoring programs, and involvement in a number of community agencies.

The other projects supported through Aid to Action Ministries are rural. They are designed as pilot projects seeking to find ways to revitalize our rural churches. Since the Ala-W. Fla. Conference is predominantly rural and many of our rural churches are struggling to survive, this work is crucial. The following projects are under way:

Conecuh County Larger Parish, headed by Rev. Marcus Chandler;  
Evergreen-Brewton Charge, headed by Rev. Horatio J. Matthews;  
Geiger Circuit, headed by Rev. Earl Portis; Southern Choctaw  
Larger Parish, headed by Rev. John Wesley; and Northern Choctaw  
Larger Parish, headed by Rev. Harold Lee.

The projects are pioneering the Larger Parish plan and cooperative ministry, training lay leadership, and implementing an intensive program of rural church development.

## URBAN WORK

The Committee on Urban Work urges local churches of our conference to support the new approaches to ministry in urban areas of our conference. There are significant efforts in Panama City, Pensacola, Mobile, and Montgomery.

Many local churches are involved in efforts to meet the human needs in urban areas. We commend those churches.

The Committee urges the conference to keep aware of new needs in urban centers and support every effort at meeting those needs.

## THE ASSEMBLY GROUND COMMISSION

### Blue Lake Methodist Assembly

The year 1974 has been a good year for Blue Lake Methodist Assembly. The camps, retreats, and workshops held have been well planned by the conference board or agency, district, or local church responsible. Many persons have had meaningful religious experiences and have had their lives spiritually enriched.

During 1974, 146 different groups used the facilities. Some groups were at Blue Lake for as many as five days and some for as little as a one-day workshop. These groups represent 19,452 camper days. A camper day is best defined as a 24-hour period. However, those attending for only a few hours are counted as present for one camper day. We have paid a total insurance premium for campers of \$1,945.20. These figures are evidence that the assembly ground is in use the year around and is used by many different groups.

Conference boards and agencies, districts, and local churches are urged to schedule their retreats and workshops early. It is impossible to meet the requests of all groups desiring to use the facilities. We have more requests for dates in the months of October, November, March, and April. Where groups are small, say for 25-50, we try to schedule two groups, especially for Oakwood Lodge.

The present rates for the use of the facilities are as follows: Methodist groups at Oakwood, \$8.00 per day (3 meals and 1 overnight); Dogwood and Pinewood, \$6.00 per day; Non-Methodist groups at Oakwood, \$11.00 per day; Dogwood and Pinewood, \$8.00 per day. Individual meals are \$2.00 for lunch and dinner and \$1.50 for breakfast.

One priority for the year 1975 is the continued improvement of all existing facilities. There is a great deal of painting which needs to be done, as well as repairs made. Many of these projects are well under way.

The Blue Lake Commission is making plans for a much needed gym and all-purpose building. A committee is at work drawing-up plans and specifications for this building. It will house a basketball court, tennis court, volley ball court, and facilities for other types of recreation. This is greatly needed at Oakwood Lodge since we have no adequate place for large group recreation. Specific plans and information will be presented to the annual conference in a separate report.

Mail service to the camp was begun as of February 1. The new address is Route 1, Box 158-C, Andalusia, Alabama 36420. This is a real convenience and expedites mail delivery in and out of the camp. All correspondence should now be sent to the above address.

The Blue Lake Fund is vital to the ministry of our Conference Assembly Grounds. It is becoming more and more essential that we subsidize our program at Blue Lake in order that more of our people can attend. Each church is urged to pay its apportioned amount into the Blue Lake Fund.

As the new director of the assembly grounds at Blue Lake, I should like to express my appreciation to ministers and lay persons alike for your continued support of Blue Lake and your full cooperation in the program there.

John Lane, Director

### RESOLUTION

The Alabama West-Florida Conference of the United Methodist Church hereby authorizes the Alabama-West Florida Assembly Ground Commission, Inc., to construct a gym all-purpose building and two basic asphalt tennis courts adjacent to said building.

Be it further resolved that the Alabama West-Florida Assembly Ground Commission, Inc., be authorized to borrow up to \$125,000 for this project, with the amount borrowed to be repaid from Blue Lake Fund receipts and contributions from the United Methodist Women, United Methodist Men, and special receipts given for this purpose.

### COMMISSION ON TOWN AND COUNTRY WORK

With the newly created status the Annual Conference gave to us last year and sensing the responsibility committed to us, we have prayerfully attempted to perform our mission with faithfulness. It has been an exciting year in our attempt to understand our mission and the best manner in which we could fulfill it. Only through the hard work and interest each member of our Commission has lent could our work have been accomplished. Thus, we want to express to the Conference our appreciation for the confidence it had in us and to the members of our Commission for their dedicated leadership.

It was our joy to have the privilege of presenting to the Conference last May the group of "New Ministers" serving their first appointment in churches in our Conference. Also, we are indeed indebted to Rev. Eugene Edwins, Rev. Ervin Dailey and Rev. Roy Sublette for making available for them the "New Minister's Manual" illustrating and defining the Pastoral Office as it relates to the Congregations of our Conference, the relationship the Conference has to the "New Minister" and the "New Minister" to the Conference. This tool has proven very helpful to the "New Ministers" and has received high acclaim across the Jurisdiction.

The "New Minister's Conference" held at Blue Lake in June, 1974 for the "New Minister" and spouse was one of the finest we have had to date. Rev. Dewey Fleming, the Director of this Conference, gave splendid leadership in ascertaining the needs the "New Ministers" would have in this new role in their lives and brought together a very capable faculty for the presentations to the "New Ministers." We appreciated the fine assistance the Bishop and the Cabinet gave to this Conference in assisting our "New Ministers" to be aware of and realize the value of it; the fine cooperation the "New Ministers" gave in their attendance; and the many ministers of our Conference who gave so freely their services to make this a great experience for all associated with the Conference. A similar experience will be offered to the ministers serving their first appointment in our Conference this year, with the dates of the New Minister's Conference being 12 noon, June 23rd through 12 noon, June 25th. It will be the joy of the Town and Country Commission to welcome the New Ministers and their spouses, if married, as our guests at this Conference. Should a New Minister have failed to receive an invitation to the Conference already, we would like this to serve as their invitation to the Conference.

Two recommendations came from the foregoing experience: (1) Counseling Elders be appointed to each "New Minister." (2) Continuing Education be offered to them by the Board of the Ministry. Likewise, we would request the

Bishop and the District Superintendents to urge and assist all "New Ministers" in their attendance at the New Minister's Conference.

One of the finest "happenings" in our Conference in strengthening churches with small memberships is the Larger Parish. This undertaking has come about through small churches recognizing the need for assistance and the value that can be received by all working with other churches in a similar category to strengthen each other in morale and ministry. At present, three Larger Parishes are effectively ministering in our Conference. They are: The North Choctaw County Parish in the Demopolis District, the South Choctaw County Parish in the Demopolis District, and the Conecuh Larger Parish in the Andalusia District. It is thrilling to hear of the glowing reports that have come from the churches and the ministers working in these parishes. Our Commission has given assistance to these groups by conducting a Larger Parish Workshop at Blue Lake in the Fall of 1974. Ministers and Laymen from these Parishes enjoyed a fine workshop structured and guided by Rev. Marcus Chandler, the Parish Director of the Conecuh Larger Parish and a member of our Commission. Our Commission has also attempted to assist Ministers appointed to these Parishes with Training Experiences at Lake Junaluska and at Emory.

We believe in the work of these groups and commend them for the fine efforts they have made in these ministries. Our appreciation is in order to the Commission on Equitable Salary for the consideration they have given to salaries for the Ministers working within these Parishes and to the Aid for Action Ministries Section of the Board of Missions for the gifts they have given. As one of the finest means of support we as a Conference can give these ministries is assistance from a financial standpoint, we highly commend to the Churches of our Conference the idea of and the acceptance of one of the Parishes as a Conference Advance Special. Ministers of these Parishes will be happy to come to your church and tell their story to assist you in your understanding of their ministry and to assure you of the worthiness of your considering them for a Mission Special.

A recent report of The Research and Planning Committee of the Council on Ministries of our Conference stated from a survey they had made that there were 542 of the 699 churches, or 78% of the churches, in our Conference with membership of less than 200 members. Most of these churches are to be found in the small towns and rural areas of our Conference. The Ministry of the Town and Country Commission is to churches in this category and we deem it a privilege to have committed to us a wonderful field of service. We are therefore seeking to make our work one that is active and vital to these churches. Dreams we have are:

1. Continue to give initial guidance to and assist "New Ministers" in understanding their ministry.
2. Assist the Conference in Programming for the churches with small memberships.
3. Be available for Counsel to churches and ministers desiring information, survey and assistance in establishing Larger Parishes or Group Ministries.
4. Study the possibility of a Town and Country Conference to be held for Laymen and Pastors with a program planned dealing directly with challenges that are present in the ministry of churches with small congregations.
5. Continue to back and undergird our existing Larger Parish Ministries.
6. Study the possibility of having a Workshop on Youth Work for churches having only a small number of youth in their congregation.
7. Discover Ministers having a desire to serve in Small Towns and Rural settings and to assist them in being appointed to these ministries, as well as assisting them with available training for their ministry.

We express to you our appreciation for the responsibility and honor you have given to us as members of the Town and Country Commission of our Conference. We would appreciate your acceptance of our plans and efforts by your vote for the adoption of this report and your continued prayers. We heartily commend to you the adoption of the report of the Committee On Co-operative Parishes. The adoption of the Committee on Cooperative Parishes report will enable our conference to effectively pursue with purpose a great tool assisting many churches in the United Methodist Church.

## COMMITTEE ON CO-OPERATIVE PARISHES

All over our nation and especially in our Southland, there has been experienced an exodus of people from the rural areas and small towns to our urban centers. As a result of this phenomenon, the churches in our small towns and rural areas have confronted matters of extreme importance to the life and program of their congregations—reduction in church memberships, income and leadership. With this very pressing and demanding experience, a means of helping them to adjust and to reprogram has become of extreme importance to them and to our Conference, because 542 of the 699 churches in our Conference, or 78% of our churches, fall within the category of those with less than 200 members, and most of these congregations are in the rural or small areas of our Conference. Rather than accepting this matter as a phenomenon which does not offer any possibility of change, there is a possibility for and a desire to aid these congregations with means available and to assist them in having effective ministries vital to the needs of the members.

The Town and Country Commission, with responsibility solely and directly related to churches in this category, became aware of a need to strengthen these churches and to give them this assistance now. Being aware of the attempts that have been made and efforts that have proven successful in other places, the Town and Country Commission recommended to the Annual Conference Sessions in 1974 that our Conference should set up a committee to examine and to set up guidelines for the establishing of Cooperative Ministries—the entity being used to meet such demands in other areas. Bishop Sanders appointed this committee with members of it being: Everett Barnes, Convenor and Conference Staff Advisor; Roy Sublette and Ralph Hendricks, District Superintendents; J. B. Page, Layman; and John Wesley, Marcus Chandler and Oliver Scott, Pastors.

This committee met in January at the Conference Headquarters in Andalusia and submits to you the following report:

### WHAT IS A CO-OPERATIVE MINISTRY

A Co-operative (Ministry or Parish) is a co-operative lay-ministry program whereby churches share in receiving and contributing to the full ministerial needs and opportunities of the Parish and elsewhere. The (Parish or Ministry) structure exists for the purpose of ministering to the needs of the people.

The (Parish or Ministry) should be under the direction of ordained, seminary trained clergymen who serve the entire Parish constituency in a variety of ways. They act as “player coaches” as they train and teach staff members and lay members of the (Parish or Ministry) to be responsible in ministry to a world in need.

### WHO ESTABLISHES

The establishment of a Co-operative Ministry is begun by the Bishop and Cabinet becoming sensitive to a need for such an organization to strengthen and undergird churches with needs in a given area. This awareness might come from local Ministers becoming sensitive to certain needs and recognizing the help they and their people could receive from it and asking the Conference to study the possibility of such; or congregations and churches themselves being aware of the assistance and advantages they would receive from a co-operative effort and the minister or the churches or both requesting the Cabinet and the Bishop to study the feasibility of a co-operative ministry.

As the Town and Country Commission has expertise in making surveys that would be helpful in understanding local conditions that warrant a co-operative effort of ministers, congregations, and charges *viz.*, geographical feasibility, common interests and needs, and financial resources available, this Commission would be requested by the Cabinet and the Bishop to make this survey.

### EFFECTING THE CREATION OF A CO-OPERATIVE MINISTRY

The foregoing steps having been taken, the process of effecting the creation of the Co-operative Ministry is begun.

A. The Local Churches—The churches to be involved in a Co-operative Ministry will be given ample time and opportunity of understanding the Co-operative

Ministry, what benefits there will be for them, the responsibilities they will assume in being a part of the Ministry, Ministerial Relationships to the Ministry and the type of organization they will have as a result of their co-operating with the other churches involved in making such decisions. Matters of geography, telephone connections, schools, buying centers, county lines when necessary, and other matters facilitating a smooth operation will be taken into consideration. With these things in hand—the desire for a Co-operative Ministry and the results of the survey, the Bishop and Cabinet would then make the decision as to whether or not a Co-operative Ministry would be feasible and if so, would establish it by defining it with a name, appoint ministers to serve in the Co-operative Ministry and churches to be included.

B. The Local Ministers—Ministers involved in the Co-operative Ministry will have explained to them by the Cabinet and the Bishop before appointment the relationships they will have to the ministry and the roles they will play in the ministry. Appointment within the confines of the Co-operative Ministry will be made and due consideration will be given by the Bishop and the Cabinet of those appointed to and appointed from a Co-operative Ministry in relationship to salary and advancement in the Conference. Likewise, in attempting to understand the role and ministry the Local Minister will perform in the Co-operative Ministry, training experiences for him before appointment will be given and Continuing Educational experiences while serving in this appointment will be offered as much as is possible.

C. The Co-operative Ministry—Upon the understanding of the Local Church in its relationship to the Co-operative Ministry and its willingness to become a part of such; the recruitment of and the willingness of a pastor to be appointed within a Co-operative Ministry and his being appointed to it by the Bishop and Cabinet; the churches and the ministers working out an organization within which they can function and are able to bring about a working and accomplishing organization; stable finance for office, ministries and programs is attained; the Co-operative Ministry will be considered to have become effected. Attempts will be made by the Conference to assist in whatever manner it can in securing and assuring financial support in the inception of the program and in its future operations.

These guidelines are: (1) An attempt to briefly explain what a Co-operative Ministry is, (2) Some of the mechanics necessary for the setting up of a Co-operative Ministry, (3) Give assurance to churches and ministers involved of the relationship the Co-operative Ministry will have to them, and (4) Supply the Conference with the means whereby we might begin such ministries. As such, they are to be considered only as guides.

## COMMITTEE ON EQUITABLE SALARIES

The Equitable Salary fund is for the purpose of providing assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. It is not for the purpose of paying ministers for their service. Therefore your board includes under its recommendations a section which specifically states that the fund is designed to encourage local congregations to raise their salaries in order for their pastors to receive a larger share, as the Conference will not pay an amount of more than one-third of the equitable salary of each classification.

1. Only full-time pastors and student pastors are eligible for Equitable Salary.

2. Each pastoral charge must pay at least two-thirds of the Equitable Salary of its pastor, with the Equitable Salary fund paying only up to the remaining one-third. However, it is to be understood that newly organized congregations can for two years receive for its pastor up to one-half of the pastor's salary from the fund.

3. It is recommended that the Equitable Salary secretary be authorized to issue check orders for Equitable Salary only after each District Superintendent has certified: (a) complete income and amount of need of each pastor who is to receive Equitable Salary aid; (b) That the Charge conduct an Every Member Commitment Program emphasizing the total program of the United Methodist Church; (c) That the pastor give leadership in promoting the total financial program with special emphases being given to the ministerial, World Service and Conference Benevolences apportionments; (d) It is not the responsibility of the Equitable Salary commission to determine all the ramifications of a man's employment. This is the responsibility of the Superintendent. It is recommended that the secretary withhold any funds until the District Superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

4. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he serves is more than the Equitable Salary for his classification, except as provided in 13 and 14 of this report.

5. No person qualifying for Equitable Salary which amounts to less than \$100 will receive any Equitable Salary. We feel that local churches can take care of this small amount.

6. The administering agency will not grant aid to any Probationary or Associate Member, who does not pass a full year of the Conference Course of Study, or fails to meet the minimum requirements for a student.

7. No Associate pastor shall receive aid from this fund.

8. Each District Superintendent is required to review all Equitable Salary situations in his District toward the end of increasing funds for Equitable Salary. We request that no charge be divided where the salary is less than the minimum scale, unless there exists the opportunity for substantial growth, and unless such a division has been approved by the entire Cabinet; and we urge that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 250 members.

9. We commend the Cabinet for the work they are doing in combining charges with the view of giving each minister a reasonable work load and a liveable salary.

10. We recommend that the Council on Finance and Administration and the Annual Conference continue to provide the funds necessary to carry on the Equitable Salary program as directed by the Annual Conference.

11. The secretary of Equitable Salary shall file with the Assistant Secretary for the journal for publication in the Journal each year a report listing the payments from the Equitable Salary fund during the year, giving the names of the pastor, the charges, and the amount received.

12. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Annual Conference be eligible to receive Equitable Salary unless there is no appointment available for him in this Conference and he is assigned by the presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the presiding Bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive Equitable Salary aid.

13. The Equitable Salary Commission feels there may exist from time to time certain situations within our Conference where special attention may help a church to more quickly become self-sustaining. In such situations a supplement, determined by the Equitable Salary Commission, above the regular equitable salary, may be given the pastor, provided the church under consideration is unable to raise the salary level and provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since this Board handles money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

14. In the case of Cooperative Parish Ministries the District Superintendent in consultation with the District Board of Missions and Equitable Salary Commission shall be allowed to supplement the salary of a Pastor/Director or an Associate Director of a Larger Parish even though the person comes under the benefits of Equitable Salary, without any reduction in the equitable salary support.

15. We recommend that the following be the Equitable Salary Schedule for 1976:

Members in Full Connection.....	\$8,800	Full Time Lay Pastors.....	\$7,200
Probationary Members.....	\$8,800	Lay Pastor-Student (married).....	\$5,500

**BOARD OF PASTORAL CARE**

The Birmingham Area Board of Pastoral Care (and Counseling) is pleased with the services rendered to Area pastors in the third year of operation. The program reflects the steady maturing of the full time services and the growing awareness of Area pastors of the resources available. The number of hours in-

creased to 1,916 for individual and group counseling. Referrals from clergy (53) and utilization by clergymen (55) indicate good utilization of the care and counseling offered. Our primary operating location is in the Professional Office Building at the Baptist Medical Center—Montclair, 800 Montclair Road, Birmingham, Alabama 35213, but is not limited to this base facility. There are now five therapy groups available on an ongoing basis.

Members of the Department of Pastoral Care and Counseling have been involved in many programs offering continuing education, personal growth, and pastoral skill updating. Several groups have utilized the organizational consultations for district superintendents, pastors, and church organizations which the department now offers. Family and marriage counseling continues to be the care most used by Area pastors; however, educational programs and organizational assistance are being utilized.

### BOARD OF EVANGELISM

During 1973 evangelism came to the front again in churches all across America, due to the Key 73 emphasis.

Reports from across the church indicate that strong evangelistic programs made 1974 another year of progress.

In our own Conference we are grateful to report that we may be turning the corner in membership loss. Although some districts still report a membership loss, the overall picture seems to show that we are gaining for the first time in many years.

Much credit for this new thrust is due to the personal efforts of Bishop Carl J. Sanders. In his speaking engagements; on *The Bishop's Hour*; in the *Methodist Christian Advocate*; and in his leadership throughout the Birmingham area, Bishop Sanders has kept before the church the urgent need to evangelize.

Credit must also be given those District Superintendents and the district staff members who have put together creative programs to challenge the churches to reach out.

During 1974 pastors moved back and forth across this Conference, sharing in *We Care Missions*. Many churches have reported vital changes in the life of the congregation due to this method of evangelism.

A number of our dedicated lay persons continue to coordinate and share in *Lay Witness Missions*. Many churches report a genuine renewal as a direct result of a mission. What better way could there be to reach the unreached than to have lay persons come with a message of new life through Jesus Christ!

As we move into the summer and fall of 1975 the Board of Evangelism

would like to call upon all our people to move forward with a renewed emphasis on creative and inovative approaches to evangelism. What we must ever keep before us is that methods must of necessity constantly change, but the message always remains the same! We challenge you to help make 1975 a year of Repentance, Renewal, and Resurgence.

The Board of Evangelism recommends:

1. Continued use of We Care Missions; Lay Witness Missions; New Life Missions; revivals; Bible Study Conferences; and Prayer Conferences.

2. District Workshops on Personal Evangelism. District Secretaries of Evangelism, working with the District Superintendents, can put together training sessions that can revitalize the entire district.

3. Pastors train the laity in the methods and ways of personal evangelism. The greatest thing any pastor can do for his people is to help them learn how to really be the church.

4. Pastors and lay persons attend the Board of Evangelism workshops at Blue Lake. Some of the finest leadership in Methodism is brought to our Conference to help our people learn how to reach others.

5. A planned program of reading in every local church. Every church that can afford it should keep materials on evangelism readily available for the church leadership. It takes more than a warm heart to make a good witness.

6. Local churches should plan a "Basics of Evangelism" conference instead of the usual revival. Bring in someone who can help your people catch the vision of personal evangelism.

7. Take the people in your church through the first chapters of Acts in an inductive Bible study and help them see that the early church was a church of the laity.

8. We strongly urge every district to set aside the month of October for a week of Intensive Lay Visitation Evangelism. We believe this could result in the greatest single week of growth this Conference has ever experienced.

### BOARD OF ECUMENICAL AND INTERRELIGIOUS CONCERNS

Your Board of Ecumenical and Interreligious Concerns has been at work on the projects and proposals adopted last year. Except in one area our progress has been somewhat limited.

We have had a most rewarding year with our most successful undertaking—our Baldwin County Migrant Mission. This year we have expanded the program and reincorporated our committee so that now we are a Committee for Migrant "and Other" Concerns with something of a year-round program in conjunction with the Catholic Social Services of the Mobile Diocese. In 1974, when we had concluded our migrant day-care services, with most of our staff from Spring Hill College staying over, we had a full month of summer day-camp and day-care service for the underprivileged children of Baldwin County. Most of these children were from the black community. We hope to follow this same program this year if we are able to secure sufficient funding.

We have been able to lay the groundwork and have had some limited operation of our Ecumenical Dialogue in Dothan, Pensacola, Montgomery, and Mobile along with what we have going on here in Baldwin County.

We have made only a beginning in setting up a network of ecumenically minded leaders in our conference territory. It is hoped that, as we get our dialogue groups into full operation this year, we can have this network set up and functioning later in the year.

We continue our work on developing some kind of ecumenical celebration form, or ritual, and hope to have something workable by the next conference sessions.

James A. Zellner, Chairman

### COMMISSION ON WORSHIP

Early civilization worshiped their gods as a way of keeping on good terms with them. They praised the gods and offered sacrifices of the things they believed the gods enjoyed. Today, people worship as a means of showing their love and admiration for what they believe to be the noblest Being in the Universe.

Worship involves the very being of the church. In this transaction between God and man through Christian worship the Church is constituted, called into her true being, and reveals her nature. Whatever else might be said about the hundreds of churches across our Alabama-West Florida Conference, we are all involved in worship experiences on a weekly basis. Your Commission on Worship very much wants to help in sharing ideas, experiences, and helps to make our worship experiences truly meaningful.

In October of 1975 the Commission will undertake a Conference-Wide Worship Seminar with details to be announced at an early date. Local Church Worship Chairpersons, District representatives, both lay and clerical, all ministers, and other interested persons are urged to participate.

It is the hope of the Commission on Worship that no person in the Alabama-West Florida Conference, whether lay member or clerical member, if properly motivated in terms of gaining insight into the dynamics of worship shall be denied resources. Our Commission stands ready to respond both to the specific needs of the local church and the more generalized needs of the Conference at large. With your help and support worship can be more meaningful in the future than it has ever been in the past.

Respectfully submitted,  
Albert R. Hunt, Jr., Chairman

### COMMITTEE ON ENLISTMENT

WHAT OUR PEOPLE CHOOSE TO DO WITH THEIR LIVES, is or ought to be a vital concern to every Pastor and every Church. The career choices of young people is of great concern to the youth themselves and their parents. They need more help and guidance from their Church in this matter.

One effort of this Committee last Summer was a Vocational Testing Program, which we conducted in the Senior High Camps and Assemblies at Blue Lake. The Tests used were the "California Occupational Preference Surveys." These are designed to help young people chart their major areas of interest and ability and to give them a sample listing of possible occupations in their field of interest.

We plan to continue with a similar testing program in the Summer of '75.

We will also continue to provide \$200.00 in scholarships to Church Camps for young people who are interested in church related occupations.

Our Church leaders are keenly aware that the future work of the Church will suffer unless greater priority is given to ENLISTMENT now. Thus, the main effort of the Committee is now directed toward planning for a Conference-Wide Convocation on Christian Vocation, which will be held in February 1976 at Huntingdon College. Bishop Carl J. Sanders will be the Inspirational Speaker for this occasion.

The program will also feature presentations by persons representing a wide range of Christian Vocations. Special emphasis will be given to the Challenge of the Pastoral Ministry.

The District Secretaries of Enlistment will continue their efforts to compile an up-to-date mailing list of persons in their District who have shown special interest or have made a commitment to Christian Service. We ask the assistance of all Pastors in completing these lists, which will be necessary for the effective promotion of the Convocation.

The front line of the enlistment effort is the Local Church. We make the following recommendations to strengthen the enlistment program in each Church:

1. We urge the District Superintendents and Pastors to see that a Local Church Secretary of Enlistment is elected by the Charge Conference and that they be adequately trained. (A manual for the Secretary of Enlistment and other materials are available from this address: Office of Personnel, Board of Higher Education and Ministry, P.O. Box 871, Nashville, Tennessee 37202.)

2. Also order several copies of *Church Occupations and Volunteer Service* from the above address. Use them with your youth and youth leaders. Give a copy to the Vocational Guidance Counselor in your local High School.

3. Use the study, *The Bible and God's Call*, by Kee & Shroyer as a Church School unit with youth and parents of youth. (Same address as above.)

Every Pastor is of necessity already an Enlistment Officer as he attempts to secure Volunteer workers. Through prayer and creative thought and action we

can, perhaps, enable more of God's people to hear His Call and encourage them to find their special place in His Service.

Rual W. Morris, Chairman

## JOINT COMMITTEE ON COMMUNICATIONS

The Alabama-West Florida Conference and the North Alabama Conference in their 1974 annual sessions adopted the UMI report which authorized the organization of the Joint Committee on Communications for the Birmingham Area. Pursuant to this action, the Joint Committee was constituted as follows: *Alabama-West Florida Conference Committee on Communications*—Ed Chandler, Thomas Bracewell and Joel Smith; *North Alabama Conference Committee on Communications*—Robert F. Storey, Joe Moore, Miss Charlotte Meriweather; *Board of Directors, The Methodist Christian Advocate*—Thomas F. Stevenson, Orsen Spivey; *The Media*—Charles Roundtree, WBMG-TV; Diege Bishop, WCTA-Radio; Miss Karol Walker and Mrs. Mary Delle Miles; *Ex Officio*—Herschel T. Hamner, editor, *The Methodist Christian Advocate*; C. Everett Barnes, executive director, Alabama West Florida CCOM; William C. Davis, executive director, North Alabama CCOM; Welton Gregory, director, and Carl J. Sanders, resident bishop, the Birmingham area.

During the year the Joint Committee held two meetings, both at Huntingdon College, Montgomery. The first meeting was given to a study of the Joint Committee's responsibility, the selection of prospective media representatives, and the election of officers. The following were elected—Robert F. Storey, chairman; Joel Smith, vice-chairman; Thomas F. Bracewell, secretary. The second meeting was called by the chairman to further study the committee's function and to prepare program and budget for 1976.

It has been evident that a major emphasis of the Joint Committee should be on training for persons involved in communication. This was the purpose of the Area Workshop held last March 7-8, Civic Center Holiday Inn for district superintendents, conference council staff persons, Board of Directors, *The Methodist Christian Advocate*, district directors of Communications and the News Bureau directors of our colleges.

This was followed by a workshop in each conference for district superintendents and district directors of Communications with more specific guidance for the district director in understanding his role in relation to local media, *The Methodist Christian Advocate* and the general church. Likewise, emphasis was given to the team relationship of the district superintendent, the district director and the area director in total United Methodist news coverage.

We are presently involved in workshops for pastors, church secretaries, editors of church newsletters/bulletins, four in each annual conference which are designed to help local churches communicate more effectively both to their "internal" and their "external" audiences. Leadership for the workshops is being given by professors from the Hall School of Journalism, Troy State University, for Alabama-West Florida and from the School of Communication—Journalism, University of Alabama, for North Alabama. These will be more fully covered in next year's report.

The proposed training emphasis for 1976 will focus on communications personnel in the local church, district and conference and on cable television. Conference-wide events for communications personnel are proposed for Camp Sumatanga, January 9-10, and Blue Lake Camp, January 16-17. Workshops on Cable Television will be held in a local church most central for those concerned in North Alabama March 12-13, and in Alabama-West Florida March 19-20.

The year has been filled with exciting and enjoyable work in the promotion and reporting of program events in the total program of the church within the two annual conferences. There is increasing evidence that the office of United Methodist Communications has a good working relationship with the Media throughout Alabama and West Florida.

The monthly newsletter, a condensed version of general church events, is being sent to an increasing number of pastors. This seems to meet a real need especially for pastors who do not subscribe to Newscope nor receive releases from the regional offices of United Methodist Communications.

The Bishop's Hour, a one-half hour religious program, carried monthly over a network of seven leading television stations in four states, continues to be one of the most effective outreach programs for the area. The surveys by the stations, all of which carry it on prime time, reveal that the program goes into approximately  $\frac{3}{4}$  million homes in four states. The responses coming to Bishop Sanders and to the office of United Methodist Communications indicate wide viewing and keen interest in program content.

It appears at this point that the future emphasis of the Joint Committee and the Director of Communications should be on utilizing more Methodist produced and promoted programs to the people of the Birmingham area via Radio and Television.

Respectfully submitted,  
Robert F. Storey, Chairman  
Welton Gregory, Director

## THE METHODIST CHRISTIAN ADVOCATE

### Report No. 1

The *Methodist Christian Advocate* continues its endeavors to bring the most important news of United Methodism—on the general, conference, district and local church levels—and of Christian news around the world. We are confident that individuals and church memberships which read our pages consistently are kept up to date on vital information needed for effective churchmanship and individual discipleship in today's challenging, changing world.

We say thanks to our subscribers: churches which send the *Advocate* to every family in their memberships; administrative boards which subscribe for every family represented in their board memberships; to churches which entered subscriptions for the four (or more) key officials designated in special offer in 1974; and to individuals who subscribe personally to the publication.

In the coming conference year the *Advocate* will make one of the most concentrated efforts in our history toward acquainting every local church membership in the Alabama-West Florida and the North Alabama Conferences with our church newspaper. Through steadfast study and constant efforts aimed at improving the publication we believe we are making available a church newspaper product which excellently meets the interests and needs of Birmingham Area United Methodists, lay and clerical. We further believe that the *Advocate* is a necessity, not a luxury, for informed members, and we invite and urge every local church in the two conferences to join us in better acquainting every membership with the *Advocate*. We will complete promotional plans at our Annual Meeting and will announce them at the Annual Conference sessions.

Our fiscal situation is sound, as our 1974 Financial Report reveals. Our main sources of support are subscriptions (provided 69.5% of our income in 1974), World Service and Conference Benevolences appropriations from our two Annual Conferences, advertising and contributions.

Particularly in view of inflation and the condition of the economy, we were pleased not to have to raise the prices of subscriptions at the end of 1974. The current rates are: Churches subscribing for every resident active family in membership, \$2.50 per subscription; administrative boards subscribing 100%, \$3.00 per subscription; individual subscriptions, one year, \$4.00; two years, \$7.50; three years, \$10.00. These prices will be reviewed at the April 11 meeting of our Board.

During last September and October the *Advocate* was represented at at least one meeting in the twenty-one districts of the Birmingham Area by either the editor, members of the Board of Trustees or district directors of communications. This was in promotion of the fall subscription campaign, with special emphasis on the enrolling of administrative boards as 100% subscribers.

In the current year the district directors of communications have been invited, and have accepted, to become district reporters for the *Advocate*. This gives the publication greater access to news of events in the district and local church programs, and we appreciate this response by the district directors of communications.

The *Advocate* urges that right at the beginning of the 1975-76 conference year every local church establish a Committee on Communications to perform these three services for the *Advocate*:

(1) Promote subscriptions to the paper, designating a member of the Committee on Communications as *Advocate Subscription Chairman for the local church*;

(2) Send news items to the *Advocate*, naming a member of the Committee on Communications as *Advocate Reporter for the local church*. Send photos with news articles when convenient.

(3) Send the names and addresses of the *Advocate* Subscription Chairman and the *Advocate* Reporter to the *Advocate*, 1100 Campus Circle, Birmingham, Alabama 35204.

Suggestions of articles and other features readers would like to see added to the *Advocate* are constantly invited. Send these to the *Advocate*, address above.

This past March 1 a high honor came to the *Advocate* and to United Methodists of Alabama and West Florida when Mr. Orsen Spivey of the *Advocate* Board of Trustees was elected president of the Alabama Press Association.

The *Advocate* has received recognition during the year also in the reprinting of articles from our publication by other church papers and in a Harper and Row book for ministers.

The *Methodist Christian Advocate* is an instrument of all boards and agencies, all local churches, districts, and units of the Birmingham Area and constantly invites news articles and program announcements from these organizations.

The *Advocate* will have a special display and subscription desk at our two Annual Conference sessions. We hope that every delegate will come by to see the *Advocate* exhibit.

We urge you to endeavor with us to increase the reach and services of the *Methodist Christian Advocate* to United Methodism throughout the Alabama-West Florida and the North Alabama Conferences.

## DIVISION X—MEMOIRS

Dr. Albert Earl Shafer  
"A Biography In Faith"

Dr. Shafer's life on this earth almost spanned a century. Born on August 20, 1883 in Lacon, Illinois, he came to Mobile as a lad. His education was received, in a formal sense, from McGill Institute and Southern University. On July 22, 1909, he married Sallie Will Henley in West Point, Mississippi. One son, Earl Cornelius, was born to them and his earthly sojourn covered eight brief years.

A daughter, Sarah Frances, was adopted by Dr. and Mrs. Shafer. She (now Mrs. Albert Gaston) and one sister, Mrs. Maude Telshaw survive him on this earth. Two grandsons, Dr. Albert S. Gaston, Jr., Ian F. Gaston, two grandchildren also survive him.

Sixty-five years ago (1909), Dr. Shafer was received into the Alabama Conference of the Methodist Church on trial. Three years later he was received in full connection (1912). For forty-six years he served appointments until his retirement in 1955. In retirement he continued his ministry as a Sunday School teacher and regular attendee at Chickasaw United Methodist Church. During his nineteen different appointments he served small, middle-sized, and large churches with undiminished vigor and effectiveness. On three different occasions he served as District Superintendent of the Dothan District.

Mere names and dates do not tell us about the spiritual qualities of a man. Those invisible eternal qualities are not shown; they are revealed to those closest to a man. Let us look briefly at a few of Dr. Shafer's winsome characteristics.

## I. Dr. Shafer Was Fruitful (Effective) In The Kingdom's Work.

Dr. Shafer's forty-six (46) years ministry in the Alabama Conference was marked with great success. His ability to inspire folk was remarkable. Those who heard him became enthralled at the gripping stories he told with his uncanny skill. Congregations swelled under his able preaching. Men especially were attracted by his convincing, sometime curt, straight talk.

His humor added to his charisma. As a District Superintendent he once remarked about a 'cigar box' which a local church treasurer used at Quarterly Conference meetings. Said in jest, the name stuck! Today that particular church has offering envelopes printed for the 'Cigar Box Fund' or the Current Budget. Such a peculiar quirk is a testimony to the wit and the effectiveness of Dr. Shafer's leadership.

Records point to the long term fruitfulness of Dr. Shafer's ministry. Recognized leadership placed him at circuits, town churches, large churches in the city, and the large responsibility of serving as District Superintendent at four different times in his career. It was thrilling to hear him reminisce about his earlier exploits. Pensacola First Methodist Church and Government Street Church in Mobile were the subjects of many delightful stories during his interesting career. As he walked toward the twilight of a luminous life and ministry, he enjoyed the satisfaction of fruitful labor and the coveted high esteem of all who knew him, clergy and laity alike.

## II. Dr. Shafer Possessed a Fraternal Spirit.

Throughout his life Dr. Shafer possessed a warm, friendly, fraternal spirit. Preachers were supported by it and laymen were warmed by it. A gracious spirit reached out and included people of all walks and persuasions of life.

It was his duty and privilege to serve as pastor of Clayton Street Methodist Church in Montgomery, Alabama, during the First World War. His fraternal spirit was revealed when troops were welcomed and ministered unto by his congregation. During the alarming Flu Epidemic of that period, the church served

as hospital, nurse and doctor to sick troops away from the security of their homes.

In World War II he served the First Methodist Church of Pensacola, Florida, and through his fraternal leadership the church became a second home for the men and the officers at the Naval Base.

### III. Dr. Shafer Was Faithful.

Faithfulness to the task at hand was a sterling quality in Dr. Shafer. When he set out to accomplish something, he hung on until it was done. At times his tenacity was admired and at times it was not. Nevertheless, he had it.

Many times he 'stuck out' an unpleasant task in his ministry. He endured the death of his son and his wife with great determination. As age took its toll on him, he persevered to the end. My wife and I recalled recently about his persistent walks around Chickasaw after he was unable to drive an automobile. Frequently he would come to the church or the parsonage, leave his cigar on the step outside, and come in for a chat. The fact he lived a little more than ninety-one (91) years and remained active almost all that time, is a testimony to his rugged constitution and his dogged determination.

Dr. Shafer's faithfulness to the church will long speak an encouraging, strengthening word to me. Sunday after Sunday he walked to Sunday School, morning worship and evening worship. Every Communion Sunday except his last two, he faithfully assisted in serving the elements. Frequently he gave me, his younger counterpart, a cheerful, encouraging word. I shall not forget, "you said something today," "you have it boy," "That's the truth."

I shall miss him.

But here we praise God by the review of 'a biography in faith'—Dr. Albert Earl Shafer.

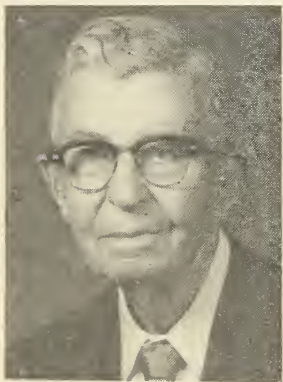

"For all the saints, who for their labors rest,  
Who thee by faith before the world confessed,  
Thy name, O Jesus, be forever blest.  
Alleluia, alleluia!"

William How (1823-1897)

### Reverend Elza Bland Paul

The Reverend Elza Bland Paul was born September 25, 1877 at Orrville, Alabama and died on January 14, 1975 in Atlanta, Georgia at the age of 97. At the time of his death, "Brother Paul," as he was affectionately known, was the oldest member of the Alabama-West Florida Conference. Burial was in Greenwood Cemetery, Montgomery, with the Reverends Clifford M. Abbott and Cecil E. Bradley officiating.

On July 5, 1903, Brother Paul married Martha Eleanor Hinton, and they walked together through life for 67 years serving Christ and His Church before her death on October 16, 1970. They had two children who survived: Mrs. A. Jack Hope of Atlanta, Georgia and Miss Ouida Fay Paul of Honolulu, Hawaii. A sister, Mrs. Milton Hay of Saluda, South Carolina also survives.

In 1891, as a lad of fourteen, Elza Bland Paul joined the Orrville Methodist Church from which he was granted a License to Preach in 1897. Following his graduation from Southern University, Greensboro, in 1901, Brother Paul taught school for several years before being appointed to the Rutledge Circuit in 1905. His other appointments were Randolph, Deatsville, Autauga-ville, Loachapoka, Columbia, Thomasville, Alabama Avenue in Selma, Elba, Livingston, Newton-Pinckard, Pineapple, Chatom, Gastonburg, McKenzie-Red Level, East Brew-ton, St. Andrews of Panama City, Brantley and Forest Home. In 1950, he retired after 45 years of active service; but he was yet to serve Whitfield Memorial, South Cloverdale and St. James (all of Montgomery). He concluded his ministry in 1969, when at the age of 91, he moved to Atlanta where he was to make his

home until his death. Before this second "retirement," Brother Paul completed 19 years as Minister of Visitation at the St. James Church.

The church and the things for which it stands were always preeminent to Brother Paul. His deep consecration; his desire to reach men with the claims of Christ; his love and concern for people; his commitment to the Word and will of God; and his unfailing efforts to be a good minister of his Lord were the hallmarks of his life.

It was said that when John, the Beloved Disciple, was too old to travel on his own that he would be carried from place to place by younger men; and these younger men would help him stand before the congregation and he would simply say, "God is Love." That was a benediction to the people. Just the sight, or a simple greeting, or a smile, or a wave of the hand from Brother Paul was a blessing. So sweet in spirit, so pure in heart, so humble in attitude and so exemplary in life was this good man that he has left each of us who knew and loved him a treasure far more precious than silver and gold. And now, he is in the Father's House joined once more with his dear wife and seeing many whom he had the privilege of leading into a personal relationship with our Lord.

### The Reverend James Thomas Carr

"Come you who are blessed of my Father, inherit the kingdom prepared for you from the foundation of the world. For I was hungry, and you gave Me something to eat; I was thirsty, and you gave Me drink; I was a stranger, and you invited Me in; naked, and you clothed Me; I was sick, and you visited Me; I was in prison, and you came to Me." (Mt. 25:34-36).

A professional minister of the Gospel, the Reverend James Thomas Carr was also a man of Christ who took his Master's teachings with radical seriousness. Week by week he proclaimed the Good News of new life in Jesus in a way that stirred his congregations. But his ministry went beyond the pulpit. It extended into the jail, it reached out to the forgotten and down trodden. With a heart

of love, he shared freely of his own material means and energy. Regularly, he reached out to those whom most do not know by name. The longer he served as a minister, the more his life reflected his Master.

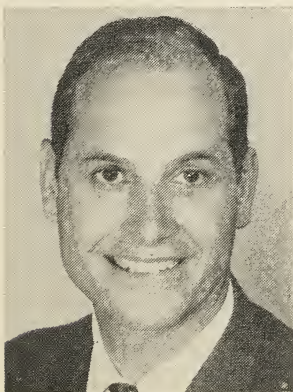

"Tom" was born in Dothan, Alabama, on July 15, 1932, the only son of Cherry Wood and Gladys Hicks Carr. His simple, country rearing was an integral part of the rest of his life. He attended schools in Dothan, earned a B.S. degree from Troy State College (1955), and a B.D. from Candler School of Theology (1958).

He was barely out of high school when he was appointed, in 1951, to the Coffee Springs Circuit as a student supply pastor. In 1955 he was admitted into the Alabama-West Florida Annual Conference of The Methodist Church, and the following year ordained a Deacon. In 1958 he was admitted in full connection, and ordained

to the office of Elder. Over the years he shared connectional responsibilities in the Conference in many ways, including serving on: the Board of the Ministry, the Conference Council, the Board of Education, and the Historical Society.

Tom and Myrtice Ann Greene, of Opelika, were married on June 26, 1954. Their home was blessed with children: Kathrine and Timothy. The whole family shared in various aspects of the ministry of churches where Tom served.

In his daily ministry, children would run to meet him. Youth loved him, for in him they found an understanding listener who patiently gave wise counsel. Men and women of worldly success admired Tom's prudent acumen. The sick and elderly appreciated his gentle, constant ministry. With each he sought, in one way or another, to share the love of Jesus.

After 24 years of service to this Conference and its people, Tom's earthly life ended instantly in a tragic automobile accident on March 14, 1975. His funeral service was conducted at DeFuniak Springs, Florida, by the Reverend Lloyd Kimbrough (D.S.) and Bishop Carl Sanders, with the Reverends Charles Hildreth and M. C. (Si) Mathison assisting. Interment was at Rosemary Cemetery, Opelika.

This man of God: loving, joyous, peaceable, served the following pastoral appointments: Coffee Springs; Seale-Crawford; Sweetwater; Citronelle; Clayton; S. Luke and Boylston, Montgomery; Grace, Auburn; First, DeFuniak Springs.

### Mrs. R. B. (Frances H.) McGehee

Meditation by the Reverend Charles Britt at the funeral of Mrs. R. B. (Frances H.) McGehee July 11, 1975, in Auburn First United Methodist Church. Mrs. McGehee was born September 9, 1884 in Clarksville, Tenn. and died July 9, 1974.

In these recent hours, with Mrs. McGehee's homegoing and the death of another member of our fellowship, I have been learning a bit more than I knew before concerning the word in the Psalm, "Precious in the sight of the Lord is the death of His saints." (Psalm 116:15) For over and over again the word "victory" has come to my mind. For this reason our gathering today need have no note of tragedy in it . . . and all the strains of sadness should be for ourselves, not for this lovely, gracious Christian mother who has now preceded us into the Father's House of Many Mansions.

Rather this occasion is in every sense of the word the crowning moment, the climax of a life of Christian believing and Christian serving. I thought this morning of how many, many have been the sermons and the Church School lessons Mrs. McGehee either listened or taught herself . . . how many were the references in these nearly 90 years to eternal life, resurrection, heaven, and reunion. And the thought came to me that perhaps even as we gather in this place, there on the farther shore she stands and gazes, in wonder and in awe, and perhaps murmurs again and again, "It's true! It is all true!" Now she knows by sight what thus far we can only know by faith:

Our good and ill unreckoned,  
and both forgiven through Christ's abounding grace;  
Oh to find ourselves by hands familiar  
Beckoned into our fitting place.

So we this day and in these hours rejoice in Mrs. McGehee's future as we give thanks for her past. And how much of that there is to celebrate!

Her years as a parson's wife—not least the years 1929-1935 when almost in the very spot where we now are she graced the parsonage of this church.

Her faithful years of volunteer service to and through the Church symbolized perhaps in the Church School class which bears her name. One of the members of that class, going through her own bereavement in this hour, said to me only this morning, "Mrs. McGehee was the finest Sunday School teacher I ever knew."

We celebrate her mind which would not be bound by some of the strictures against women that her generation knew . . . but rather she took her mind and with its abilities ranged far in the Scriptures, in the rich resources of our literature, through art and music and a thousand lovely things.

We celebrate her God-crowned success in rearing her family. It will not do to say much, for that would be to direct attention in the direction you would not seek today—but let your pastor say, "In you this woman has done well and for that, too, we give thanks."

But let us come again to Christ—for this is where central loyalties lay, this is where the wellspring of beautiful living were found, this is the solid rock upon which hope was built and which now by God's grace has turned faith into sight, hope into victory, and this latter death into the richness of everlasting life.

Because of her Christian commitment, let all of us here who are likewise committed, make new decisions, new beginning. Let us resolve to live more bravely, more faithfully, upon the earth for the sake of those like this mother who has preceded us into the Father's House.

## Mrs. W. O. Calhoun

Mrs. W. O. Calhoun died at her home, Grove Hill, Alabama June 11, 1974 after several years of declining health. The immediate cause of death was a heart attack.

Mrs. Calhoun was born at Prattville, Alabama June 9, 1906 to Rev. Henry M. Andrews and Mrs. Rebecca Smith Andrews and christened Emily Elizabeth. Her education had an excellent beginning with her father as teacher in the home. The later grades of elementary and high school were passed in the public schools of Alabama and Florida. Elizabeth graduated in the class of 1923 from the Second District Agricultural School, Wetumpka, Alabama. She entered Huntingdon that Fall where she majored in Home Economics and Graduated with an A. B. degree in 1927.

After graduation from Huntingdon, Mrs. Calhoun taught in the public schools of Alabama. Eclectic, Frisco City, Florida and Montgomery were beneficiaries of her teaching abilities.

On June 4, 1938 Miss Elizabeth Andrews was married to Rev. Wilbur O. Calhoun, then pastor of the First Methodist Church, Geneva, Alabama. From that time she went about the responsibilities of a minister's wife with quiet, humble dignity and endeared herself to the people of the several pastorates that claimed her husband's time and energies. She had two loyalties in which she excelled—loyalty to her husband and loyalty to God.

Mrs. Calhoun's health had begun to decline when the Calhouns retired in 1966 and she was never in good health again.

The funeral was held in the Grove Hill United Methodist Church, 10:00 A.M. June 13, 1974. Rev. Ellis L. Andrews conducted the service assisted by Rev. Jesse D. Guy, Rev. Roy Sublette and Rev. Charles Granade. Internment was in the Grove Hill cemetery.

Bishop Sanders has led our area and conference through the consummation and implementation of the Plan of Merger with honesty, compassion, and deep commitment.

Bishop Sanders has given exceedingly vigorous and dedicated leadership to our colleges and Wesley Foundations, especially in the conspicuously successful \$1,250,000 campaign for Huntingdon College Scholarship Fund.

Bishop Sanders has assisted all the agencies of our conference and area in the continuing emphasis for support for children and adults.

Bishop Sanders has given outstanding leadership to our entire denomination through his office as President of the United Methodist Committee On Relief. His effective appeals for assistance for relief of hunger, tornado and flood victims have produced record amounts of income and such response gives testimony to the esteem in which he and his leadership are held throughout our denomination.

Bishop Sanders has pressed unrelentingly for work in the area of evangelism and the Alabama-West Florida Conference showed a net increase in membership in 1974 for the first time in many years.

These and many additional evidences of growth and progress assume increased significance when we remember that they have been experienced in less than three calendar years.

THEREFORE, be it resolved by the Alabama-West Florida Conference in session May 26-29, 1975 that we request the reassignment of Bishop Carl J. Sanders to the Birmingham Area for the quadrennium 1976-1980 and, further, be it resolved that a copy of this resolution be furnished the Committee on Episcopacy of the Southeastern Jurisdiction, The Methodist Christian Advocate of the Birmingham Area, and the Secretary of the Alabama-West Florida Annual Conference for inclusion in the Conference Journal.

RESOLUTION  
THE COMMITTEE ON COURTESIES AND INTRODUCTIONS

Bishop Sanders and members of the Alabama-West Florida Conference, we come to the close of this 1975 Annual Conference with great gratitude in our hearts to Almighty God for the abundant blessings He has provided for us during these days. We have daily felt the leadership of His Spirit, as we have experienced the rich and wonderful Christian fellowship of another Annual Conference.

We are grateful also to all of those whose labors have made us comfortable and whose talents have informed us and inspired us. Dr. Allen Jackson and his splendid staff at Huntingdon could not have done more to make this annual visit to this lovely campus "a thing of beauty and a joy forever." To them we say, "Thank You."

It is appropriate also that we express our gratitude and appreciation to Rev. John Ed Mathison and the Frazer Memorial Church for the preparation they made for the opening service of Holy Communion. We will long remember Bishop Sanders' Communion message, "Judge not that Ye be not judged." We also appreciate the splendid preparations for the ordination service and the reception made by Dr. Paul Duffey and First United Methodist Church.

There were high moments of inspiration, made possible through the marvelous gifts of our guest speakers. The messages of Dr. W. H. Borders, will never be forgotten by this conference. The messages of Dr. Jimmy Buskirk and Dr. Robert

Mayfield challenged us anew to the high calling of the Church. The Fraternal Delegate from the North Alabama Conference, Dr. Henry Gary, thrilled our hearts with his message; moreover, the memorial sermon of Rev. Tom Butts was a masterful message that touched the lives of us all.

We are deeply grateful for the music under the direction of Rev. Albert Hunt, with Dr. Harold Rohlig at the organ.

The Youth of First United Methodist Church led us to one of the greatest worship experiences of the entire Conference through their musical drama, "Celebrate Life," under the direction of Mr. Jack Thacker. Their professional manner, beautiful voices, contagious enthusiasm, and youthful spirit, really made us want to get out and celebrate the birth, life, death, and resurrection of our Blessed Lord, to really "Celebrate Life." Thank you, dear young people for what you have meant to us.

The youth delegates to our Annual Conference have also been a great source of inspiration to us. We are grateful for their presence and leadership.

The work of the Annual Conference could not be done without the labors of the Bishop, Cabinet, Conference Secretary and staff, statistician and staff, boards, agencies, and committees. Thank you for the endless hours you have served, and let us not forget the work of the tellers who had to miss so much of the Conference counting ballots.

Finally, we wish to express to Bishop Carl Sanders our Christian love and we thank him for his marvelous leadership of this Conference. His Christian spirit, fairness, administrative skills, and genuine dedication to the work of our Lord, have all been abundantly evident throughout this Conference. Again, we say, "THANK YOU!"

One of our speakers said that one of the most important things in life is "that we get us some worthwhile memories." Well, all of us have some worthwhile memories of this Conference to take with us during the ensuing year. It has been great!

Respectfully submitted by the Committee  
Robert L. Wilson, Chairman  
Miss Claire Cumbie  
Mrs. Ida Eggerton  
Mrs. F. S. Mosely  
Rev. Bob Wingard

### THE ALABAMA-WEST FLORIDA ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH VOTED CONCURRENCE IN THE FOLLOWING RESOLUTIONS:

#### PETITION: THE SOCIAL CREED OF THE UNITED METHODIST CHURCH AS IT RELATES TO HOMOSEXUALITY

TO: The Members of the 1976 General Conference

WHEREAS, homosexuality as a practice is unsparingly condemned in Holy Scripture, both the Old and New Testaments; namely in such passages as Genesis 19:1-11, where the basis of Sodom's destruction was primarily the emergence of such practice; in Leviticus 18:22, "You shall not lie with a male as with a woman, it is an abomination;" in Romans 1:24-32 where Paul cites homosexual practices as part of the moral decay of the pagan world; and in other Biblical passages too numerous to mention;

AND WHEREAS, the General Conference of 1972 voiced the moral position of the United Methodist Church in relation to homosexuality by stating in the Social Creed of the *Book of Discipline* "Homosexuals no less than heterosexuals are persons of sacred worth, who need the ministry and guidance of the church in their struggles for human fulfillment, as well as the spiritual and emotional care of a fellowship which enables reconciling relationships with God, with others and with self. Further we insist that all persons are entitled to have their human and civil rights insured *though we do not condone the practice of homosexuality and consider this practice incompatible with Christian teaching.*" (Para. 72C, *The Book of Discipline* of The United Methodist Church)

AND WHEREAS, the history of the civilization of man, even amidst ancient Roman and Grecian societies, where moral decay was most acute, has considered homosexuality contrary and repulsive to human nature, and thus never sanctioned it legally,

THEREFORE, BE IT RESOLVED that the Alabama-West Florida Conference of the United Methodist Church meeting in session at Huntingdon College, Montgomery, Alabama, May \_\_\_\_, 1975, does hereby implore and petition the General Conference of the United Methodist Church to reaffirm the statement cited above in Paragraph 72C of the *Book of Discipline* of the United Methodist Church and even strengthen said paragraph where it will make unmistakably clear our opposition to this sodomic practice.

#### PETITION TO THE 1975 ANNUAL CONFERENCE

##### Subject: Abortion

Human life comes into being by an act which shares in the creative power of God himself. The gift of sex is one of God's most beautiful and fulfilling gifts to men and women. Because of the creative power involved in sexual relationships all men and women are under great responsibility to use this gift wisely. To use sex to create life and then end it prematurely by abortion degrades the gift; ends a life; breaks a command from God; and cannot help but leave the man and the woman with a deep sense of frustration and guilt.

We recognize that there are extreme cases where abortion may be the better way out of a very trying and agonizing situation, and we should give love and support to those involved in such situations. However, we do not believe it is in our best interest as a church and nation when abortion is used as a method of birth control. According to the National Abortion Rights Action League there are approximately one million abortions being performed in the United States yearly. We believe this will affect the mental and emotional health of our nation in years ahead. It is most certainly a spiritual problem, and all church bodies will have to address themselves to this question in a matter of years.

We therefore call upon the Alabama-West Florida Annual Conference, meeting at Montgomery, Alabama, on May 26-29, 1975, to petition the 1976 General Conference to add strength to paragraph 72 D of The Social Principles (page 86, 1972 Book Of Discipline), by calling the church and nation back to a standard of sexual conduct more in keeping with New Testament standards.

### PETITION: THE EVANGELISTIC MISSION AND OUTREACH OF THE CHURCH, PARTICULARLY IN THE WORLD DIVISION OF THE GENERAL BOARD OF GLOBAL MINISTRIES

TO: The Members of the 1976 General Conference

In fullest recognition of the validity of the concept of partnership in mission and in the spirit of historical Methodism, the Alabama-West Florida Conference meeting in session at Huntingdon College, Montgomery, on May 28, 1975, affirms the following as valid traditional and irrefutable contemporary concepts regarding the overseas mission of the United Methodist Church:

—To provide unity and prevent dual and cross-purposes in the missional efforts of several denominations, that overseas missions are often ecumenical in nature and are most generally effective when entered into in cooperation and brotherhood with other evangelical denominations.

—Recognizing that any international missionary force must be interracial and cross-cultural in nature, that, insofar as possible, all races and cultures, be adequately represented and included at all levels of programming, planning, and executing of the particular mission thrust.

—That the missionary thrust of the United Methodist Church has been traditionally evangelical in nature, a basic doctrine which has emphasized the salvation of both the inner and outer person and that a person's vertical relationship with his Creator naturally and necessarily affects both his social welfare and his relationship with fellow human beings.

It is in light of the above stated partnerships and in recognition of the urgency of Christian Mission on six continents that the Alabama-West Florida Conference does hereby call upon the 1976 General Conference to issue a mandate calling upon the total United Methodist Church and in particular the World Division of the Board of Global Ministries in the light of the Lausanne Conference, to assume again pioneering responsibility for sharing the Christian gospel with the 2,700 million unevangelized peoples of the world.

In order to implement this concern, we call upon the General Conference to make the following change in Para. 1158.3 of the 1972 *Book of Discipline*:

After the words, "To establish goals, priorities, and long-range plans which will enable the Division to achieve its objectives and those of the Board of Global Ministries," insert the phrase "in accordance with Paragraph 1078, being especially careful to maintain a healthy balance between evangelistic outreach and direct ministries to human need. . . ." The paragraph would then read as follows: "To establish goals, priorities, and long-range plans which will enable the division to achieve its objectives and those of the Board of Global Ministries, in accordance with Paragraph 1078, being especially careful to maintain a healthy balance between evangelistic outreach, social action, and direct ministries to human need, and to review and evaluate its program in terms of these objectives."

Further, in order to implement this concern of evangelistic outreach, we call upon the General Conference in the light of the above stated conceptual addition to the Book of Discipline, to make the matters of evangelism and church growth much more highly visible and of greater significance in the total ministry of the World Division of the Board of Global Ministries by establishing under that division a functional secretary for evangelism and church growth. The purpose

of said committee would be to place emphasis upon evangelistic outreach and church growth out of which emerge direct ministries to human need. It is our conviction that said Committee could, in cooperation with the Board of Discipleship and other general agencies of the Church, be of significant service to our colleague churches and institutions overseas as they, together with us, seek to be faithful to the evangelistic mandate of our risen Lord, "Go ye into all the world and preach the gospel to the whole creation." (Mark 16:15, RSV)

#### PETITION: WORLD MISSION

TO: The Members of the 1976 General Conference:

In view of the many forceful challenges today to the world mission of the Christian church in general and to our United Methodist Board of Global Ministries in particular, we the members of the Alabama-West Florida Annual Conference in session May 28, 1975 petition the General Conference to:

Mandate an intensive study of the Theology of Missions during the 1976-1980 quadrennium, focusing primarily on two issues:

First, the interrelationship of the personal gospel and the social gospel in the missionary task. We confront today the greatest challenge and at the same time the greatest opportunity in the history of the world mission of the church. Yet, divisions within our ranks as to what constitutes valid Christian mission blunt our effectiveness. The present situation is intolerable and must be corrected. A serious theological study involving a broad spectrum of theological perspectives—conservative, liberal, evangelical, ecumenical—can go far in removing these divisions, providing a common ground for a new, vigorous thrust in world mission.

Second, the relationship of the Christian gospel to non-Christian religions and secular ideologies. The religious pluralism of our day has thrust us into a thorough state of confusion. Because of the quite valid need to respect others' cultures and religions, many are hesitant and stuttering when they quote Acts 4:12: "There is none other name under heaven given among men whereby we must be saved." Yet, the Christian mission revolves around the uniqueness of Christ and the world's need of Christ. This poses a crucial theological issue which must be resolved if we are to advance in world mission.

#### PETITION TO THE 1975 ANNUAL CONFERENCE

Subject: Church School Curriculum

We commend the Division of Education and the Section on Curriculum Resources for progress made in providing the church with curriculum that is Biblical in its stance. The Living Bible Series for youth and adults is an example of this progress.

However, there are still many United Methodist congregations using materials from interdenominational publishers because they feel the material from the United Methodist Church is not meeting the needs of persons within these churches. So much of the United Methodist curriculum has given the people an adequate view of the social implications of the gospel, but has fallen short in coming to grips with the problem of personal sin; the need to be born again; how Christ made atonement for our sins; and how one becomes a Christian. In turning to curriculum from interdenominational publishers these churches may be finding materials which are Bible-centered, but they are not United Methodist oriented, and we are losing a great opportunity to deepen the commitment of thousands of persons to the United Methodist Church, as well as to Jesus Christ.

Therefore, the Alabama-West Florida Annual Conference, in session at Montgomery, Alabama, on May 26-29, 1975, does hereby petition the 1976 General Conference to direct the Church to produce more curriculum for all age levels which will continue to show the social implications of the gospel, but which will be more faithful in setting forth the need for personal faith in Jesus Christ, and how this comes about.

#### RESOLUTION: OUR UNITED METHODIST MORAL STANCE

TO: The Members of the 1976 General Conference

WHEREAS historic Christianity has always sought to elevate the moral standards of society by calling upon Christians to demonstrate by their actions

and habits a way of life consistent with the ideals of excellence of mind, purity of body, and responsible social behavior as exemplified in the life of our Lord; and,

WHEREAS the historic traditions which now form The United Methodist Church have asserted our long-standing conviction that the choice to abstain from the use of alcoholic beverages is sound and is a wise and faithful witness to God's liberating and redeeming love for mankind; and,

WHEREAS in our permissive society drinking of alcoholic beverages is so uncritically accepted and practiced; where reasons for drinking are so glamorized that youthful immaturity can be exploited for personal gain; where alcohol contributes to a great proportion of fatal traffic and industrial accidents; where millions of individuals and their families suffer from alcoholism and countless other various drinking problems; and where alcohol is a factor in many other social problems such as crime, poverty, and family disorder; and,

WHEREAS such abusive use of alcohol and other drugs such as tobacco, marijuana, sedatives, stimulants, and psychedelics or hallucinogens, has become a problem of epidemic proportions throughout our nation and world;

THEREFORE BE IT RESOLVED, that the Alabama-West Florida Conference meeting in Montgomery, Alabama, May 26-29, 1975, hereby petitions the General Conference of the United Methodist Church, meeting in Portland, Oregon in 1976 to call upon all United Methodists to renew the choice to abstain as a Christian witness to a disciplined life in regard to the use of alcoholic beverage, tobacco, marijuana, and to refrain from abusive and irresponsible use of drugs, and to call upon every local congregation to observe Drug and Alcohol Concerns Sunday, and to make education about drug abuse problems an integral part of our efforts; and to suggest the value of abstinence as a way of dealing with these problems.

#### THE CONFERENCE CONSIDERED, BUT VOTED NON-CONCURRENCE IN THE FOLLOWING RESOLUTION:

##### TO: MEMBERS OF THE 1976 GENERAL CONFERENCE RESOLUTION: OUR UNITED METHODIST DOCTRINAL STANCE

WHEREAS the pioneers in the traditions that flowed together in The United Methodist Church—the Wesleys, Albright, Otterbein, Boehm—understood themselves as standing in the center stream of Christian Doctrine; and,

WHEREAS John Wesley, although not seeking new doctrine but new life for himself and others, did in fact affirm his belief in a living core of biblical doctrine through "The Articles of Religion Of The Methodist Church"; "The General Rules of The Methodist Church"; and in his published volumes "Sermons On Several Occasions," in which he set forth the sum of his basic teaching on all the main themes of Christian doctrine; and,

WHEREAS we believe the growing emphasis on doctrinal pluralism within The United Methodist Church is a serious misinterpretation of Wesley's familiar dictum: "As to all opinions which do not strike at the root of Christianity, we think and let think"; and, therefore, weakens our historic biblical and evangelical doctrinal stance;

THEREFORE BE IT RESOLVED, that the Alabama-West Florida Conference, meeting in Montgomery, Alabama, May 26-29, 1975, hereby petitions the General Conference, meeting in Portland, Oregon in 1976, that paragraph 68 of the 1972 Book of Discipline BE AMENDED BY DELETING from the second line of the second paragraph the words, "AND DOCTRINAL PLURALISM."

Paragraph 68, (Section 1, second paragraph) now reads: "But, even as they were fully committed to the principles of religious toleration and doctrinal pluralism, they were equally confident that there is a "marrow" of Christian truth that can be identified and that must be conserved."

Paragraph 68 (Section 1, second paragraph), AS AMENDED, would then read as follows: "But, even as they were fully committed to the principles of religious toleration, they were equally confident that there is a "marrow" of Christian truth that can be identified and that must be conserved."

## DIVISION XII—HISTORICAL

At the session of the South Carolina Conference of the Methodist Episcopal Church, which adjourned on January 2, 1808, Matthew Sturdivant was appointed to Tombeckbee, which was earliest official Appointment within the territory of what is now the Alabama-West Florida Conference. The first Methodist minister to appear in Alabama, though unofficial, was Lorenzo Dow in 1803.

In 1811, Tombeckbee is one of the Appointments of the Mississippi District of the Western Conference; and in 1812, the Mississippi District is a part of the Tennessee District.

The General Conference of 1812 authorized the formation of the Mississippi Conference, which the Bishops proposed to do in 1813, but were prevented from meeting the preachers at the designated time and place. Sessions of these preachers were held in 1813, 1814, and 1815 without the assistance of a Bishop. By the General Conference of 1816, the Mississippi Conference was officially constituted and the territory now served by the Alabama-West Florida Conference was embraced within its boundaries.

By action of the Uniting Conference, held at Kansas City, Missouri, April 26 to May 10, 1939, the Alabama Conference of The Methodist Church was constituted of all the work of the Alabama Conference of the Methodist Episcopal Church, and the Alabama Conference of the Methodist Protestant Church, and of the Alabama Conference of the Methodist Episcopal Church, South, within the bounds of the Alabama Conference of the Methodist Episcopal Church, South, as of that date.

The boundaries of the Alabama Conference were defined as follows: "The Alabama Conference shall include West Florida (except Apalachicola), and all Alabama lying south of the following boundary line: beginning at the Southwest corner of Pickens County; thence along the south of Pickens and Tuscaloosa Counties, and a direct line on the same parallel of latitude, east of the Coosa River; thence down that river, to the southern boundary of Coosa county; thence east by that county line, and through Tallapoosa County to the south of Chambers County, and by that county line to Georgia; except that part of Sumter County, north of Noxubee River, which is in the North Alabama Conference."

At the time of unification, the ministerial membership of the Alabama Conference of the Methodist Episcopal Church, South, included twenty-nine retired, one hundred seventy effective ministers and fourteen ministers on trial.

## CENTRAL ALABAMA CONFERENCE

The Methodist Episcopal Church for black people was planted in Alabama by the Rev. A. S. Lakin, a white Methodist minister, immediately following the close of the Civil War. He was assisted in this work by former soldiers of the United States Army.

The Central Alabama Conference was organized in 1876 at Corn House Camp Grounds, in Randolph County near Wedowee, Alabama. Bishop Levi Scott was the presiding Bishop. This conference covered the state.

Few, if any, of the black ministers who had been slaves could read or write. Therefore whites working with them had to serve as Conference Officers, and as presiding Elders on the districts. The work grew rapidly among the black people, and soon covered the state.

In the year 1900, at the Annual Conference session held at Mobile, Alabama, with Bishop James N. Fitzgerald presiding, the Central Alabama Conference voted to be divided into two conferences. By this time there were 85 charges with a total membership of 10,101; and there were 89 Conference ministers, including the superannuates.

The dividing line for the two conferences was set to run from east to west near the center of the State. North of the line would be the Central Alabama Conference, and South of the line would be the Mobile Conference. There would be three Districts in each Conference. In the Central Alabama Conference the Districts would be the Birmingham, Anniston, and Huntsville. In the Mobile Conference the Districts would be the Montgomery, Marion, and Opelika.

Seven sessions of the Mobile Conference were held. Then the two Conferences reunited as the Central Alabama Conference in a session held in Decatur, Alabama in 1908, with Bishop John L. Nuelson presiding.

**INCORPORATION:** On November 29, 1909, ministers of the Central Alabama Conference met in Mobile, Alabama to make application to the State of Alabama to incorporate. The Conference consisted of 90 ministers, with a majority of them present and voting.

After they voted to incorporate, they elected a Board of Trustees as follows: A. W. McKinney, Chairman; H. N. Brown, Israel Townsend, B. G. Smith, W. T. Trammell, G. W. Lewis, E. M. Jones, R. E. L. Beasley, and L. H. Hunley members of the Board of Trustees.

On December 7, 1909, The Hon. Frank N. Julian, Secretary of the State of Alabama, approved the application of the Board of Trustees to incorporate, and declared the Central Alabama Conference a duly organized and incorporated body, and affixed the Great Seal of the State of Alabama to the papers of incorporation at the Capital in the city of Montgomery, Alabama on the date aforesaid.

At the Forty-Fifth Annual Session of the Central Alabama Conference held November 10-14, 1920, at Haven Memorial Methodist Episcopal church, Alexander City, Alabama, we had our first black Bishop, in the person of Bishop Robert E. Jones to preside. He was the first black General Superintendent of the New Orleans Area of which the Central Alabama Conference was a part.

At that time the Conference had 95 full members, 9 probationers, and 12 Supplies; a total of 116 ministers. The Conference had 5 Districts, with a total of 14,223 members. This is what our first black Bishop found in this Conference in 1920.

From 1920 the Central Alabama Conference moved on under black Episcopal leadership, with white Bishops coming in at times to preside over an Annual Session of the Conference. When the Central Jurisdiction of the Methodist Church was abolished in 1968, the Central Alabama Conference fell into the Southeastern Jurisdiction, and into the Birmingham Area. Bishop W. Kenneth Goodson was Resident Bishop.

When the plan of Merger was arranged between the Central Alabama Conference, the North Alabama Conference, and the Alabama-West Florida Conference, this plan was voted on by the Central Alabama Conference in its regular session held in Mobile, Alabama, June 17-22, 1970, at the Toulminville-Warren Street United Methodist Church, with Bishop W. Kenneth Goodson presiding. The plan was approved unanimously.

The last regular session of the Central Alabama Conference was held at St. Paul United Methodist Church, Birmingham, Alabama, June 14-17, 1972, with

Bishop W. Kenneth Goodson presiding. And a closing Special session of the Conference was held at the same place and church October 24, 1972, with Bishop Carl J. Sanders presiding. At the close of this session, the Conference went immediately to the Merger Session of the three Conferences which was held the same day at the Birmingham-Jefferson Civic Center, Birmingham, Alabama, with Bishop Carl J. Sanders presiding.

At the close of its history, the Central Alabama Conference had 64 Full Members, 5 Associate Members, and 17 Lay Pastors: a total of 86. There were 17 Retired Full Members, and 4 Retired Supply Pastors. The Conference had 3 Districts: the Birmingham, the Montgomery, and the Tuskegee. The total membership of all the churches was 17,165.

After Merger, this left two Annual Conferences in Alabama instead of three for the United Methodist Church. These were the North Alabama Conference, and the Alabama-West Florida Conference. The churches of the former Central Alabama Conference with their pastors and memberships, fell into the Conference covering the area where such churches were located. The pastors of these churches were the same appointed to them at the final regular session of the Central Alabama Conference.

At the Merger Session of the three Conferences held October 24, 1974, L. G. Fields, a retired member of the Central Alabama Conference, was selected to present a Historical Statement of the Conference. A minister from each of the other Conferences was selected to do the same for his Conference. Following the Merger Session, church and minister wise, the Conferences were integrated. This was the end of the black Central Alabama Conference.

We shall continue to make history together. And I say:

"Let us go on, and up:  
God will help us rise  
Until our Christian name  
Shines from the blazing skies.  
Hand in hand we shall go on and on  
Till our full brotherhood  
The world around is known.

by L. G. Fields

# DIVISION III—THE CHRONOLOGICAL ROLL, PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this Division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval. (Conference Secretary)

Symbols used *before* each name denotes the category of Conference membership and the number indicates his place in the chronological order. Hence R—I means the first place in the Retired category. R—The Roll of Retired Men; DLS—The Roll of Men on Disability; FC—The Roll of Effective Members; PM—The Roll of Probationary Members; RAM—The Roll of Retired Associate Members; and AM—The Roll of Associate Members; LP—Lay Pastors; RLP—Retired Lay Pastors; PT—Part Time.

The Symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment). \*—No Record of Attendance at Annual Conference.

(a) There shall be a Committee on Program, composed of the Presiding Bishop, the District Superintendents, the Conference Secretary, the chairperson of the Commission on Worship, the President of Huntingdon College, the Executive Director of the Conference Council on Ministries, and three pastors within the corporate limits of the City of Montgomery, who shall be named by their District Superintendent.

(b) The Committee on Program shall arrange tentatively the program of the Annual Conference session, and shall submit the program to the opening session for possible amendment and adoption as its agenda. The Sacrament of the Lord's Supper shall be included in the program.

(c) A period of recognition of retiring ministers shall be held during the conference session. The date, place and time of this special feature shall be printed in the conference program, and retirees shall be invited to be present. A suitable program shall be arranged by the Board of Ministry.

The Order of Worship for the Memorial Service shall be arranged by the conference Commission on Archives and History. A memoir of each deceased minister or wife or widow of a minister shall be provided by the Commission on Archives and History for publication in the *Journal*.

#### Administrative Procedures of the Annual Conference

10. The rules of order of the preceding General Conference shall govern parliamentary procedure in this conference in all matters not covered by the rules.

#### 11. Reports and resolutions:

(a) All reports and resolutions shall be typewritten, double spaced, and submitted in duplicate; and shall be placed on the conference calendar in the order in which they are filed with the Assistant Secretary for the Journal, who shall be the Calendar Secretary, or in the order designated by the Committee on Program.

The reports and resolutions shall lie on the Calendar Secretary's desk for at least one business session before being acted upon by the conference.

(b) By a two-thirds vote of those present and voting a calendar item may be taken up out of order for consideration.

(c) All amendments to reports of boards and agencies as printed in the *Brochure of Reports* and all motions arising from the floor of the Conference shall be made in writing on a form provided by the Conference Secretary.

## 12. Election of General and Jurisdictional Delegations:

(a) Delegates to the General and Jurisdictional Conferences shall be elected according to stipulations in Par. 601 of the *Discipline*, and they shall serve in all sessions of these conferences held during the quadrennium.

(b) In the election of delegates, four teams of tellers, two clerical teams and two laical teams, consisting of ten members each and making a total of forty persons, shall be appointed by the Presiding Bishop, who shall designate a member of each team as chairman.

(c) In the election of these delegates the ballots furnished to the conference by the Secretary shall be numbered consecutively, and no vote shall be valid unless cast on the ballot bearing the number designated by the presiding officer for any particular ballot. Ballots furnished to the lay delegates shall be different in color from those furnished to ministerial delegates. Sets of ballots shall be distributed to official delegates upon registration at the conference session.

## 13. Annual Conference Lay Delegates:

(a) Lay delegates to the Annual Conference shall be elected yearly in the Charge Conferences. Two youth delegates to the Annual Conference (ages 14-24) shall be elected from each district by a District Youth Caucus. The district caucus shall be composed of one voting delegate (ages 14-24) from each local church and shall be convened by the District Coordinator of Youth Ministries in cooperation with the District Superintendent, and under direction of the Conference Council on Youth Ministry.

(b) In compliance with the disciplinary requirement (Par. 36) of lay representation in the Annual Conference session equal to the clerical membership, the following plan shall be observed to keep the two in balance: (1) On January first of each year the Conference Secretary shall ascertain whether the upcoming session will be in balance with respect to laical and ministerial membership, and, finding need to name added laical members will follow this procedure: (2) The Conference Secretary will name the needed number, taking notice of these priorities: (a) The first eighteen will be chosen alternately from the District Lay Leaders and District Presidents of United Methodist Women. In the event that less than eighteen are needed, he will make the determination on the basis of the last reported church membership totals of the districts, moving from the largest downward in the scale. (b) Next as needed he will name full-time lay workers on the staff of the Conference Council on Ministries. (c) Next he will name full-time lay workers who have been consecrated. (d) Next he will name lay-persons who are chairpersons of conference boards and agencies. (e) Next he will name lay members of the general and jurisdictional delegations in the order of their election. (f) All persons selected by this process shall be safeguarded to serve by notice sent to their Charge Conferences to replace them if they have already been elected as charge delegates to the Annual Conference.

## 14. Other voting procedures:

(a) In all matters of voting and election other than covered in Rule Ten a team of tellers, composed of one ministerial and one laical member from each district, shall be named by the chair to serve.

(b) In certain matters, such as voting on constitutional amendments, the official ballots shall be those provided by the Conference Secretary.

15. All applicants for the lay pastor relationship, for probationary or full membership, or for reception into our ministry from another Christian church shall present a certificate of good health on the approved form and from a physician acceptable to the Board of Ministry.

16. The character of all ministerial members of the conference shall be examined by the Committee on Conference Relations of the Board of Ministry, and the committee's report shall be submitted to the conference for action.

## 17. The conference *Journal* and *Brochure of Reports*:

(a) The publication and distribution of the Annual Conference *Journal* shall be under the supervision of the Assistant Secretary for the Journal, with the assistance of an Editorial Committee, composed of the Conference Secretary, the Statistician, the Treasurer, and the Executive Director of the Council on Ministries. The *Journal* shall be printed in such numbers as to provide adequate copies to local churches, a copy to each retired minister or widow of a minister, to each minister on disability leave, to each minister under special appointment, and to supply requests of General Boards and Agencies.

(b) The Conference shall elect an Assistant Secretary for the Journal quadrennially, upon nomination by the Council on Finance and Administration.

(c) The Assistant Secretary for the Journal shall be responsible for preparation of the brochure of conference board and agency reports and for distribution of the brochures to all pastors, all regular laical delegates, Conference President of United Methodist Women, Conference Lay Leader, youth delegates, retired ministers, ministers in special appointments, conference staff persons, the Presiding Bishop, the District Superintendents, ministers on disability leave, and seminary students.

#### 18. Board Memberships and Trusteeships:

(a) No person may serve on more than one quadrennial agency of this conference at the same time, except as provided by the *Discipline*, nor for a longer period than eight consecutive years, nor for more than eight of any consecutive twelve years, except that members of the Commission on Archives and History may serve on another agency of this conference at the same time. Persons may be enlisted to assist boards and agencies for specific tasks in advisory and non-voting capacities and should be drawn from within the bounds of the conference.

(b) No person shall serve on more than one Board of Trustees or Board of Directors of institutions or agencies related to this Annual Conference at the same time. Nothing in this rule shall be construed to mean that persons may not serve concurrently on boards of trustees or directors and as members of quadrennial boards and agencies or ex officio trustees or directors, where disciplinary provisions apply.

(c) Persons who are inactive, that is, by failing to attend and participate in the meetings and programs of a given board or agency, for one year without legitimate excuse shall be replaced at the end of any current year.

(d) No ministerial member shall serve more than nine consecutive years (three terms) as a trustee of any agency or institution related to this Annual Conference, nor shall this person be eligible for election again to that board until three years shall have passed since termination of the nine years of service.

#### 19. Organizational stipulations for boards and agencies:

(a) All quadrennial boards, commissions and committees, except as provided by the *Discipline*, shall continue through the session of the Annual Conference immediately following the General Conference for the purpose of completing their business.

(b) The Annual Conference Committee on Nominations shall complete its work four weeks before the date set for the regular conference session, in order to inform nominees of their selection and anticipated confirmation at the session, so persons not delegates to Annual Conference may plan to be present for the organizing meeting of all boards, commissions and committees at the conference session. This will allow the secretary of the Committee on Nominations to give notice of the time and place of meeting to each nominee at least two weeks before the session opens, and to provide a list of nominees to each proposed member of a group so previous thought may be given to selection of officers.

#### 20. There shall be nine Districts in this Annual Conference.

21. A District Conference may be held annually in each district of this Annual Conference, at the discretion of the District Superintendent.

22. In addition to the disciplinary membership of the District Conference, every charge in this Annual Conference shall be entitled to six delegates to a District Conference. Circuits having more than six churches shall have an additional delegate for each church. Charges having more than one thousand mem-

bers shall have an additional delegate for each two hundred members, or two-thirds fraction thereof, of such surplus membership.

23. In harmony with Par. 876 of the *Discipline*, the Council on Finance and Administration shall recommend an annual apportionment sufficient to provide for support of the District Superintendents.

24. A District Superintendent shall not serve on a quadrennial board, commission or committee, except as specifically provided by the *Discipline*. Vacancies occurring by appointment of members of boards, commissions and committees to the District Superintendency shall be filled by the conference session when such appointments are made. There shall be a representative of the cabinet on each program agency, who shall be named by the cabinet.

25. Budget requests and the Council on Ministries:

Our hair is white, and we're almost blind  
The days of our youth are far behind.

Our neck's so stiff can't turn our head  
Can't hear half that's being said,

And this is the message we want you to get  
We're still a kickin' and we ain't dead yet.

Our joints are stiff, won't move in their sockets,  
And nary dollar is left in our pockets;

So maybe you think we're a total wreck  
(To tell you the truth, we look like heck)

But still we have just loads of fun,  
And our hearts with joy are overrun.

We've lots of friends, so kind and sweet,  
And many more we will never meet.

O this is a wonderful world of ours,  
Shade and sunshine and beautiful flowers;

So you just take it from us, you bet,  
We are glad we're alivin', and we ain't dead yet.

We've got corns on our feet, and ingrowing nails,  
And do they hurt! There language fails;

To tell you our troubles would take too long,  
If we tried you'd surely give us the gong.

We will go to church, and Sunday School too  
For we love the Story that's ever new.

And when we reach the end of the row  
We hope to our Heavenly Father we'll go.

Then, when we leave our home of clay  
If you listen closely, we're apt to say,

"Well folks, we've left you BUT don't forget  
We've passed on, BUT we ain't dead yet!!!

Reverend Hildreth was the pastor of Dr. Michael Watson when he was born and baptized him. Later The Reverend Wilbur Walton performed the marriage ceremony for Dr. Watson and his bride. Reverend Hildreth passed a Bible to Dr. Watson, representing the new full connection persons, symbolic of passing the work on to new persons.

RESPONSE BY NEW MEMBERS IN FULL CONNECTION—We come now, ten of us, new and with little experience to gratefully recognize the nine of you, who have set before us your very lives as examples of faithful service to Christ and His Church. The witness of your fruitful ministry will ever be before us. We cannot escape the challenge it presents us. We marvel at so many years of dedicated loyalty to God's call upon your lives. You have passed on to us a standard of excellence. You have inspired us with the depth of your commitment to our Lord and Savior. You have made us desire to spend our days, as you have spent yours, in devoted service to God and His people.

We have deep respect for the joyful perseverance you have demonstrated. We pray that we will be able to continue such a noble heritage. Because we see what God has accomplished through your faithful efforts, we now humbly step forward to take up His holy banner. We realize that we can live up to the heritage we receive only with the help of the Holy Spirit. We are totally dependent upon God's love because we are unworthy. We have no illusions about our abilities; therefore, we ask God Almighty to be with us, even as He has been with you, to forgive us for our shortcomings, to cleanse us by His grace, and to make of us more than we are that through His power we will one day stand as you are standing today and be judged faithful.

And now come before God, this annual conference, and you to say, in the spirit of Isaiah, "Here am I, Send me."

The above words were given by Dr. Michael Watson.

## FOURTH DAY—AFTERNOON SESSION

Montgomery, Alabama  
 June 2, 1976

OPENING—The Conference assembled at 2 o'clock P.M., this day, in Del-champs Student Center of Huntingdon College, for the afternoon session with Bishop Carl J. Sanders in the Chair.

The Hymn, "Standing on the Promises" was sung, led by Chaplain A. Shepherd. Mr. C. H. McGehee, Conference Lay Leader, gave the prayer.

COMMITTEE ON HIGHER EDUCATION AND CAMPUS MINISTRY—The Reverend Carl Herndon spoke concerning the Campus Ministry. He stated that Wesley Foundation means United Methodist Campus Ministry and that there are six units in our Conference. Reverend Herndon asked the ministers serving these units to stand. The Wesley Foundation Fund is being paid only at the rate of 58% of it's asking. If each church would pay forty cents per member the goal would be met. Reverend Herndon reported that there are twenty-two institutions of higher education in the bounds of the Alabama-West Florida Conference.

QUESTION—The Reverend Billy Frank Hall asked about the 58% statement. Reverend Frank Scott answered saying only 58% of the asking is being paid.

The Report of the Committee on Higher Education and Campus Ministry was adopted. (See Division VIII)

NOMINATIONS—The nominations for College Trustees and Wesley Foundation Directors were presented and they were elected. See (Division I)

PERSONAL PRIVILEGE—The Reverend T. L. Butts moved that the Conference request the Memorial Sermon be printed in the Advocate. It was seconded and so ordered.

BOARD OF PENSIONS—The Reverend Lamar Spencer, Chairperson of the Board of Pensions, was called to the platform as Report 15 of the Board was taken off the table for consideration. The substitute motion offered by The Reverend Charles Britt was under consideration. The Reverend L. C. Mitchell, Jr. asked for more information. The Reverend Spencer called attention to the steps outlined in Report 15. Mr. Kenneth Cooper asked Mr. Art Copper for information about how the pension is set up now and how will the three million be applied. Mr. Copper responded to the question. Senator Tom Jones asked a series of questions concerning the proposed plan... questions that had been asked of him. The Reverend Joe Lisenby asked if we raise three million dollars what will be the effect on apportionments? Mr. Copper responded by saying it depends on what the Conference wants to do. It could reduce the total asking if the rates are left the same. Reverend Lisenby asked about the future projections of the pensions program, which Mr. Copper attempted to answer. Mr. Joe Garrett, delegate from Gulf Shores, asked about the timing of the campaign and would not this overlap with the Huntingdon Campaign. The response was yes.

Mr. Art Copper spoke against the substitute motion saying we should not delay. A youth delegate also spoke in favor of the original motion and against

the motion to delay. Mr. Jim Walker, Richard's Memorial United Methodist Church, spoke as an almost victim of an under funded pension program. He urged the Conference to take care of this matter at the earliest possible moment. Mrs. R. A. Fuller spoke reminding the Conference of some Biblical concepts.

The Reverend Bob Greenwood asked what would 40 years bring in retirement pay. The answer given by Mr. Copper was \$3440.

Mr. Foy Campbell asked what is meant by unfunded liability. Mr. Copper stated that it is borrowed money to fund all prior years before the funding program. We are now paying these funds back each year. Mr. Campbell spoke against the substitute saying we cannot wait.

The Reverend Henry Roberts spoke for the substitute, while Mr. Wiley spoke against it.

**PERSONAL PRIVILEGE**—The Reverend Charles Britt asked if we did not need to operate under the plan of one for and one against.

**QUESTIONS**—Additional questions were asked concerning how long it would take to pay off the liability under the present structure and will it cut off money to Huntingdon.

Mr. Copper responded that if the program is accepted there would be sub-district workshops, to give the information. The Reverend Dickerson spoke against the substitute.

**PREVIOUS QUESTION**—The Reverend Billy Frank Hall moved the previous question. It was seconded. The question was called for.

**CLOSING STATEMENTS**—The Reverend Charles Britt gave the closing remarks. He said that there was a two fold misunderstanding about his resolution. One is that he is antipension. Reverend Britt stated that this was not the case, but we needed time to study and receive information about the program.

Mr. Art Copper, in a closing statement against the substitute resolution, said he concurs with the church plan to bring information to the people and this will be done. He promised that before January, the Conference would know all he knew about pensions. He urged defeat of the substitute.

The substitute carried.

**STANDING COUNT**—The Reverend Thad Chesser moved for a count by standing. It was seconded and so ordered. Tellers were appointed by the District Superintendents, with the Reverend E. L. ## DIVISION VIII—REPORTS OF BOARDS AND AGENCIES

## BOARD OF MINISTRY

## Report No. 1

The members of the Board of Ministry have been actively engaged and very much concerned in every endeavor which affects the total pastoral ministry in our conference during the past quadrennium.

The areas of concern of the board have been thoroughly analyzed as we have carefully observed some of our ministers from the beginning stage to full membership.

As chairperson of the board for the past two years I take this opportunity to thank all of the members who have been loyal and supportive in the work of the board.

Our report gives insight as it relates to the program opportunities and financial aid for ministers.

Benjamin Smith, Chairman

## Report No. 2

## Committee on Psychological Testing and Guidance

The Committee on Psychological Testing and Guidance continues to function by personal consultation and the use of the Minnesota Multiphasic Personality Inventory Tests, which is administered to all candidates for the ministry requesting a permanent relationship to the conference. This test is administered and processed under the direction of Dr. A. B. Stephens and his staff.

Torrence Maxey, Chairman

## Report No. 3

## Committee on Continuing Education

The Committee on Continuing Education constantly seeks to encourage and enable all the ministers to fulfill their ministry to the changing and contemporary world. Continuing education may be broadly defined as that process of a learner's education that has its point of beginning where formal education ceases to be his or her primary occupation in life. The conference program is being planned to provide the opportunities and resources that will lift the level of ministry of the whole church in the world.

The continuing education programs now being offered and those on the drawing board have been designed with the recognized need for greater competency in ministry plus the awareness of the minister's practical concerns of finding time and financial resources for planned study.

Huntingdon College is now the Center of Continuing Education for our conference and area. We commend Bishop Carl Sanders, Professor Kennon Callahan and Dr. Allen Jackson for their cooperative leadership in this major accomplishment. Professor Callahan, Director of The Center for Continuing Education, Candler School of Theology, Emory University, is providing the academic guidance for the programs and curriculum. We are grateful to Professor Callahan and to Candler School of Theology for their continuing concern and innovative leadership.

Candler School of Theology, in conjunction with Huntingdon College and the Board of Ministry, is offering the following programs to the ministers of the Birmingham Area:

1. Doctor of Ministry Program. (This program grows out of a sense of need to achieve a new integrity in the relationships of theological thought and the practice of ministry. This two-year program began in January, 1976. Most of the seminar work will be done at Huntingdon with the faculty from Candler. Research and study will be done by the minister in his or her own parish. Fourteen ministers are involved in this new program.)

2. Advance Studies for Lay Pastors will be offered at Huntingdon College in August of 1976.

3. License to Preach Studies are being offered by Huntingdon College with academic credit.

The following programs are on the drawing board:

1. Expansion of the course of study for Lay Pastors on the campus of Huntingdon College.

2. Professional seminars to be offered at Huntingdon College with academic credit from Candler School of Theology.

3. Enrichment seminars and workshops for all ministers.

4. A full time Director of Continuing Education at Huntingdon College to develop a comprehensive program for clergy and laity.

Limited scholarship aid is available to ministers for planned continuing education experiences. Most of this aid will be in providing room and board for participants in programs on the campus of Huntingdon College.

In the stride toward excellency in ministry, we encourage all ministers to participate annually in some phase of continuing education. We recommend that the Committee on Pastor-Parish Relations in every church or charge provide time and financial support for the minister to be involved in some type of planned study. We commend those churches that are presently doing this.

Floyd Enfinger, Chairman

##### Ministerial Education Fund

The Board of Ministry has the responsibility of administering available funds for the purpose of assisting students in the pursuit of their education for the ministry and other full-time church-related vocations. Our funds are derived from two sources: The Ministerial Education Fund and interest income from endowments.

The Ministerial Education Fund is a conference asking based on 2% of our non-building budget with our conference retaining 25 percent for local use and the other 75 percent going to the general church for distribution to the seminaries. The money from our portion of the Ministerial Education Fund is distributed as follows: \$450.00 is reserved for use in three scholarships of \$150.00 each for continuing education in seminars or short-term courses. We also have to reserve \$160.00 per student for our Lay Pastor's School at Emory each summer. Last year this amounted to \$4,160.00. The balance is then distributed to applicants according to need as revealed by their applications. The amounts granted to seminary students are gifts as long as they return to the Alabama-West Florida Conference and serve at least one year for each year they received aid. If a student leaves the ministry or fails to return and serve in our conference, the grant must be repaid in cash.

In addition to the Ministerial Education Fund, we have three endowments invested with the Board of Missions with the interest being administered by our board. These endowments are: Norris-Allen—\$44,600.83, Hattie B. Norred—\$15,000.00, and C. B. Gilmore—\$20,000.00. Income from these endowments is distributed to applicants as scholarship-loans. After graduation the student repays one-half with cash at 3% interest and one-half with service in the Alabama-West Florida Conference. Should the student leave the ministry or fail to serve in our conference after graduation, the entire amount must be repaid in cash with interest. The amounts repaid by these students is put into the scholarship-loan fund, thus increasing the amount available for future students.

The Ministerial Education Fund Committee meets each year in August to review applications and allocate funds. The amount of money in our funds as of the first of August is the amount considered available for the ensuing year, i.e. August 1 to July 31. Any funds coming in after this are held for the following school year.

This past year the Board of Ministry gave three continuing education scholarships of \$150.00 each and 26 scholarships of \$160.00 each to our lay pastors. We gave grants to 17 students amounting to \$3,202.00. From our scholarship-loan funds we made one continuing education loan of \$1,600.00 and 12 scholarship-loans to students amounting to \$8,100.00. Inflation and rising tuition makes it imperative that we do a better job of promoting and paying our Ministerial

Education Fund in order that we may do a better job of helping our students with the high cost of good training.

## COUNCIL ON YOUTH MINISTRY

The year 1975-1976 has been a year of hard work, excitement, and change for the Conference Council on Youth Ministry as they have continued to represent and serve the youth of the Alabama-West Florida Conference. This council has strived to continue providing the opportunities enabling more young people to better understand the Christian faith in their lives and in the lives of others.

The year began with the welcome by the council to the newly appointed Conference Youth Coordinator, Reverend Jerry Turner.

The summer youth program was very much alive in 1975. The summer camping program with its four Jr. High camps, two Middle High camps, Sr. Assembly, and the Conference on Youth Discipleship gave emphasis to the three divisions of youth. A new addition to the summer program was the Youth Caravan, consisting of a team of four young persons from the Council on Youth Ministries. This team visited each of the nine districts, leading youth meetings with the purpose of stressing the importance of the involvement of youth in the church.

A big day for youth ministries was Fall Rally, 1975. Local youth groups became directly involved through their donation of crafts, food booths, and youth choir participation. Dr. William Borders, The Howard Hanger Trio, and Chris Hughes and Jeff Spillers provided entertainment and spiritual growth for the seventeen-hundred people gathered at Blue Lake for the celebration of that day.

Spring events included the Jr. High Retreat, and the Spiritual Life Retreat. In addition to these events, each district held a spring caucus for the purpose of electing two young persons to represent the youth of that district at the Annual Conference. The attendance at these caucuses was at an all time high. Most of the caucuses were held in conjunction with a youth rally with programs given by representatives from the Council on Youth Ministry.

Many local youth groups have become involved in missions by making the Youth Service Fund their project of concern and outreach. Youth Service Fund giving totaled \$5,448.54 in 1975. The projects to be funded in 1976 are as follows:

1. Appalachia Service Project—Mobile, Alabama
2. La Casa de Amigos Day Care Center—Baldwin County, Alabama
3. Pensacola Special Ministries—Pensacola, Florida
4. Church of the Exceptional—Macon, Georgia
5. Neighborhood Activities and Talents Inc.—Nashville, Tennessee
6. Somerville Women's Health Project—Somerville, Massachusetts
7. Mallalieu Community Center—Fort Smith, Arkansas
8. Notre Dame Apprenticeship Program—Philippine Islands

Through our successes and failures in the youth ministry of the Alabama-West Florida Conference, we have learned and become more enthusiastic about our work. We appreciate and thank the many ministers and lay persons who have given advice, leadership, and support. We ask for your continued help as we struggle to strengthen youth ministry.

Mariellen Sawada, President

### ADDENDUM TO REPORT OF COUNCIL ON YOUTH MINISTRY

WHEREAS, the Alabama-West Florida Conference Council on Youth Ministry is vitally interested in providing ministries which meet the needs and concerns of all youth in our conference and,

WHEREAS, the Conference Council on Youth Ministry recognizes the need to receive input for creative and challenging models of ministry from persons across our conference and,

WHEREAS, the Conference Council on Youth Ministry realizes that a broad-based support of clergy and laity is absolutely essential to the enablement of our present and future ministries,

We, the Conference Council on Youth Ministry, propose that a Task Force on the Future of Youth Ministries in the Alabama-West Florida Conference be created by this session of Annual Conference with the following charged responsibilities:

(1) To evaluate youth ministry in the light of existing and ever-changing conditions in the culture and the local church and to develop, revise, and/or affirm

a philosophy, program, and structure of youth ministry in the conference which will be presented to the Conference Youth Council and shared with the members of the Consultation on the Future of Youth Ministry in the Alabama-West Florida Conference.

(2) To study models and/or alternative forms of youth ministry from other annual conferences and make recommendations for innovative, futuristic ministries to the Conference Council on Youth Ministry and the Consultation on the Future of Youth Ministry.

(3) To create a process in our conference which would include as many people and their ideas about the future shape and direction of youth ministry as possible. This would be accomplished through a Consultation on the Future of Youth Ministry in the Alabama-West Florida Conference to be held in the spring of 1977. The membership of the consultation should include at least 15 youth and adults from each district as determined by the task force in consultation with the District Coordinator of Youth Ministries.

(4) To report the results of the consultation in published form to the 1977 spring meeting of the Conference Council on Youth Ministry and to the spring meeting of the Conference Council on Ministries for implementation.

The membership of the Task Force on the Future of Youth Ministry in the Alabama-West Florida Conference shall be as follows:

(1) The Conference Coordinator of Youth Ministries.

(2) The President of the Conference Council on Youth Ministry.

(3) The Cabinet representative to the Conference Council on Youth Ministry.

(4) The Executive Director of the Conference Council on Ministries.

(5) The Chairperson—Committee on Camping.

(6) A representative group from our nine (9) districts—not less than six (6) youth and three (3) adults—to be determined by the Conference Coordinator of Youth Ministry, President of the Conference Council on Youth Ministry, Executive Director of the Conference Council on Ministries, and District Superintendent of each district.

This task force shall be convened by the Conference Coordinator of Youth Ministry.

We further propose that this task force be funded for the Conference Benevolence Contingency Fund to a minimum amount of \$2,000 and maximum of \$4,000.

Council on Youth Ministry

## CONFERENCE COUNCIL ON MINISTRIES PROGRAM PRIORITIES FOR 1977

We must ever respond to the call of our Lord and Saviour to serve the world in His name and for His sake. Recognizing the tremendous demands placed upon us as the Church, the Research and Planning Committee of the Conference Council on Ministries seeks to gather and evaluate data from individuals and groups from all levels of the conference. The ministry of the Church takes many forms under our system, yet the undergirding of the work of the local church can and must come from the conference and district level also. The Annual Conference is always to support and enable local churches to fulfill their responsibilities.

Facing certain specific needs or concerns, your council seeks to hold before the church priorities, that special emphasis might be given on all levels in order to work together in meeting these needs. This does not minimize the importance of work not listed. Certain continuing programs must continue to function.

Your council groups these priorities in rather broad terms with the hope that they will guide the responsible agency, board or task force into more specific setting of goals and determining of means of meeting the needs.

The Conference Council on Ministries presents five priorities for the action of the Annual Conference during the year 1977.

1. The Sunday School—that the conference continue to give emphasis to the Sunday School. The Task Force on the Sunday School, under the Board of Education, is to be commended for its progress in evaluating present Sunday School programs, in experimenting, designing and creating new possibilities for

Sunday School renewal. We strongly urge the support on every level, conference, district and local, in our efforts to increase and revitalize Sunday School attendance and membership to the end that a goal of at least a 5% increase be attained.

2. Evangelism—that the conference set before itself a greater effort to share the “good news” of what God has done, is doing, and will do for all His world. Under this priority, we suggest that a Task Force on Evangelism be appointed by the Bishop to set up and coordinate an aggressive program for renewal, nurture and enlistment of members of the local church. This should also be on all levels. Successful means of evangelism should be shared and ministers and laity actively involved. Furthermore, each local church and district should set realistic goals for an increase in membership and attendance.

3. Pensions—that the conference re-affirm its desire expressed in its vote of approval at the 1975 Annual Conference session to designate 1977 as a time to raise at least three million dollars to help retire the pension indebtedness for the minister's retirement fund. This priority should embrace a strong program of sharing with local congregations the needs of the program, the savings it can make to the local church and the means of securing the funds.

4. World Hunger—that the conference recognize the ever increasing problem of world hunger and that special offerings be taken for sharing our gifts from God with those less fortunate. With one-fourth of humanity suffering some degree of malnutrition and one-eighth, 500 million persons, on the verge of starvation, our efforts toward social and economic justice must take unprecedented steps. The Board of Missions, with approval of the Council on Finance and Administration, should continue to interpret this priority to the churches and urge the local churches to accept in full the 1977 asking for world hunger, and promote the Advance Special program for this General Conference missional priority.

5. Ethnic Church Enablement—that the conference recognize more than ever before the inclusive church by creating opportunities for sharing the heritage of all racial groups. We urge the Commission on Religion and Race and the Board of Church and Society to work with all boards and agencies of the conference to create opportunities for creative response from all ethnic groups. All groups should have the opportunity to actively participate in all programs of the church. Local churches should be challenged and enabled to grow in outreach and thrust. Recruitment of ministers, leadership and ministry of all members should be enhanced on the local level.

Such priorities should be studied by every board and agency of the conference and in particular by each local church as it perfects its planning. Resources are available and the conference staff stands ready to assist in every endeavor, be it on the conference, district or local church level.

### PROCESS FOR PLANNING FOR MINISTRY

Each agency whose records are not kept by the financial office is required to bond its treasurer and to provide a copy of the audit to the Council on Finance and Administration (Paragraph 881, 1972 *Book of Discipline*). In this case the request of the Board of Pensions and Homes for Claimants is given preference by the *Book of Discipline*.

12. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as a clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by the council.

## Report No. 7

### Stewardship Responsibilities

The Council on Finance and Administration believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is

within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and ever greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by every church.

### Report No. 8

#### Disciplinary Requirements

Paragraph 881, 1972 *Book of Discipline* requires the Council on Finance and Administration to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued.

### Report No. 9

#### Use of Formula

We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% "non-building" budget (See Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level thus eliminating the district decimals and the salary factor in the formula.

It is recommended that the spring meeting of the Council on Finance and Administration be the time for receiving requests for the council on ministries, boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the council on ministries.

We further recommend that apportionments be developed and distributed to each church by September 15, if possible, in order that they may be used for development of local church budgets for the calendar year.

### A RESOLUTION OF APPRECIATION

WHEREAS, The Alabama-West Florida Annual Conference in its 1976 session will nominate and elect a new Council on Finance and Administration, and,

WHEREAS, certain of our number will rotate from the council, or be placed on other boards and agencies of the conference, and

WHEREAS, Mr. J. Wilson Patterson has served the Alabama-West Florida Conference of The United Methodist Church through its Council on Finance and Administration for seven years, the past four as its president,

NOW THEREFORE BE IT RESOLVED, by the Council on Finance and Administration in session May 30, 1976, in Montgomery, Alabama, that the following statement of appreciation be adopted and presented to the Alabama-West Florida Annual Conference:

We express our appreciation to the Rev. Mr. Richard Walker, The Rev. Mr. Walter Albritton, The Rev. Mr. James P. Dannelly, Jr., Mr. Clyde Anderson, Mr. W. C. Doty, and Mr. Carl Mertins, who through their diligence and concern have made the work of the council effective during this quadrennium.

We express a very special appreciation to Mr. J. Wilson Patterson, who has demonstrated his generous spirit and sincere concern for the welfare of The United Methodist Church through his leadership on the council as a member and as its chief officer. He brought to the council an understanding of the task and a compassion for the needs of the Church; he has shown to all who have appeared before the council fairness and appreciation for their causes in the interest of the Church's mission; he has, with a profound sense of urgency for that mission and a genuine understanding of the necessity for stewardship as that mission has developed within our conference, sought to bring into focus our unity in mission and outreach.

To Mr. Patterson, and to the members of our council who have been for us outstanding members, and wise supporters of the mission of the church, we

express our unqualified sense of appreciation and our sincere regard for them as fellow servants of Christ and the Church.

### BOARD OF EVANGELISM

The Board of Evangelism is presenting to this Annual Conference a long-range plan of evangelism. In the past, too much of our evangelistic effort has been short-term, with little or no continuity. Few, if any, of our churches have carried on a sustained emphasis over even a twelve month period.

We, in the Board of Evangelism, concur with Bishop Sanders and the cabinet in feeling that we must adopt a vigorous program that will gain momentum and continue year after year. This is the only way our conference will be able to do an effective job in reaching the unchurched and getting the inactive members involved in the life of the local churches.

During the summer and fall of 1976 we are asking the pastors and people of all of our churches to make a study of their local church. This can be done by a small committee, without cost to the church. From the conference *Journal* and church records available, make a five to ten year study of trends in the church in the areas of:

1. membership growth or loss
2. membership growth by profession of faith
3. membership growth or loss in the Sunday School
4. growth or loss of children and youth in the Sunday School and church program

When these studies are completed by the committee and accuracy has been ascertained, graphs and charts should be made, pointing out the trends. These should be shared with the Council of Ministries/Administrative Board. Finally, share them with the entire congregation.

If your church is typical of most United Methodist churches, you will likely discover:

1. That your church is growing very little, if at all
2. Most of the growth has been "transfer" growth, which is not true growth. Some other church has been made weaker when you received a member by transfer.
3. Fewer and fewer persons are being received by profession of faith
4. The number of adults received by profession of faith is very small indeed, indicating that our churches are not reaching the unchurched.
5. From one-fourth to one-half of our membership is inactive.

Once your church takes a good look at itself, the next question is, "do you want to change all this?" If your church has any prospects, either as new members or inactive members, then something can be done about the problem!

The Board of Evangelism is presenting to the Annual Conference:

1. A very simple, but effective plan of evangelism
2. Which can be used by any size church.
3. It is not prohibitive in cost.
4. Churches and denominations which are growing today use some variations of this plan.
5. It can be changed or varied to suit any church.
6. It was first used by our Lord.

We propose, with the encouragement and guidance of Bishop Sanders and the cabinet, to make this our basic program of evangelism for 1977-1980. During this time span many other options and helps will be offered to the churches. We propose that the Board of Evangelism become a "clearing house" of evangelistic ideas, to be offered month by month, to our churches.

Please note that this basic plan contains several options for short-term studies and programs to deepen the commitment of your people after the first thrust of the plan is completed. True evangelism is getting people committed to Jesus Christ and involved in the life of the Church.

We are very concerned about the number of churches which show no additions by profession of faith. This is not a numbers game. It means that we are not ministering to people as we should. The Board of Evangelism would like to help any churches, especially those smaller churches, that have problems. If you will contact us, we will come to your church and spend some time with you and your people, and help you put together a plan to reach people.

## BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

### Report No. 1

#### Pension Rates and Apportionments

We recommend that the total annuity rate of this annual conference for the calendar year 1977 be eighty-six dollars (\$86.00) per service year for service as ministerial members and approved lay pastors with pension credit; the total rate for widows be sixty dollars and twenty cents (\$60.20); provided that, for ministers, lay pastors and widows who are provided homes by the conference the annual pension amounts shall be adjusted by a reduction equivalent to twelve dollars (\$12.00) for ministers and lay pastors and eight dollars and forty cents (\$8.40) for widows for each year of service as a supply or lay pastor with pension credit and for each year with pension credit as a minister in any annual conference or under special appointment as a minister without pension credit on the annual conference.

We recommend that the payment from pension funds of one hundred and fifty dollars (\$150.00) be contributed toward funeral expenses of each widow who is a claimant of the annual conference, such payment to be made as soon as possible after the death of the widow.

We recommend that the appointment to the pastoral charges for the pensions and benefit program of the conference shall be \$750,000.00 for the calendar year 1977.

We call attention to paragraph 1260.6 of the 1972 *Book of Discipline* relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payments of salaries to ministers and also to the board's policy of charging defaults to ministers and associate ministers for deduction from pensions if not otherwise paid. Interest is added to other unpaid obligations of the minister at the rate of 7% per annum.

### Report No. 2

#### Reserve Funding of Pensions

We recommend that the resolution designated as Report Number 1, page 161 of the 1969 conference *Journal* and subsequent amendments, recorded on page 154 of the 1972 *Journal* and page 135 of the 1973 *Journal* shall be further amended to provide that, effective with the deposit due December 31, 1976, the level annual deposit for the purpose of funding pensions through the Ministers Reserve Pension Fund shall be \$417,036.00; such adjustment being required to provide for the increase in pension rates to \$86.00 per service year.

### Report No. 3

#### Death Benefit Program

We recommend the continuation of the Alabama-West Florida Conference in the Death Benefit Program, Plan B, with the cost and benefits for each calendar year being determined by the latest average salary computed prior to the beginning of each year, (average salary of \$10,198.00, for 1976).

We recommend that, as a part of the conference pension and benefit program, all persons in the following categories of this annual conference be continued in the Death Benefit Program and that newly eligible persons be enrolled as of the closing dates of the annual conference session, and that they be asked to fill out and submit enrollment application cards:

1. Ministerial members—associate, probationary, and in full connection—who are appointed with pension credit on this conference, except those who are

appointed to attend school and not appointed to a pastoral charge in this conference.

2. Approved lay pastors listed in the conference minutes as eligible to be appointed, as in the full-time category and receiving appointments in the conference session, or within a 21 day period, beginning with the opening day of a regular annual session of the conference, who are not gainfully employed in non-pastoral work and not attending school as a full-time student.

3. Ministerial members on disability leave and receiving disability benefits on account of services in this conference, ministerial members on sabbatical leave and lay pastors receiving disability benefits.

4. Any lay person employed as Associate Director or Assistant Director of the Conference Council on Ministries.

5. Ministerial members in the retired relation, who currently receive pensions on account of not less than four years of service in this conference.

6. Retired lay pastors listed with latest conference minutes and who receive pensions for not less than four years of service in this conference approved for pension credit.

We recommend that all persons in the following categories be permitted on an optional basis to enroll in the Death Benefit Program as of January 1, of any year, with coverage in effect as of the first day of that month; provided that each such person electing to participate shall pay the Conference Treasurer prior to December 10 of the preceding calendar year, such amount as computed by this board as the cost in effect for such year; provided further that persons entering these categories at the time of a conference session may be enrolled within a period of 60 days following the closing day of such session, if they were not previously eligible for participation.

1. Ministerial members—associates, probationary, and in full connection—appointed without annuity claim on this conference or appointed to attend school.

2. Retired ministerial members who do not receive pension on each of four or more years in this annual conference.

3. Other eligible persons, who, in the judgment of the board, rendered or have rendered service on a fulltime basis sufficient to warrant inclusion in this program.

We recommend that the cost of the Death Benefit Program coverage not paid by individuals in the optional groups be provided from receipts from churches by apportionments for the pensions and benefit program, as provided in Report No. 1 of this board.

We recommend that the Board of Pensions and Homes for Claimants be authorized to administer the participation of the annual conference in the Death Benefit Program and to determine the eligibility of individuals for participation in this plan.

#### Report No. 4

##### Allocation for Homes for Claimants

We recommend that \$30,000.00 be apportioned in 1977 for Homes for Claimants subject to the approval of the Council on Finance and Administration of the Alabama-West Florida Annual Conference.

#### Report No. 5

##### Claimants Memorial Fund

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this board with interest being used for the benefit of the conference claimants. Individuals and groups are invited to make voluntary contributions in any amounts to the fund as memorials to deceased ministers or members of minister's families or lay persons. Checks should be made payable to the Alabama-West Florida Conference, The United Methodist Church, and sent to Mr. Art Copper, P.O. Box 700, Andalusia, Alabama 36420, with the names of persons being memorialized. The families of persons being memorialized will be notified of such memorial gifts.

**Report No. 6****Special Appointment Pension Responsibility**

In keeping with Paragraph 1259.5 of the 1972 *Book of Discipline*, we recommend that the following United Methodist institutions or organizations be approved for pension responsibility on this annual conference: Alabama-West Florida Conference Council on Ministries, Assembly Ground Commissions, the Wesley Foundation at Auburn University.

We recommend that special appointments as employees of United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the armed forces be listed as with pension responsibility on the institution or agency.

We recommend that ministers under appointment as approved evangelists, to Inner City Missions, to Methodist Christian Advocate, to other area appointments and to other special ministries, shall be listed as with pension responsibility on this annual conference only upon payment to the Conference Claimants Fund an amount equal to twelve times the current annuity rate for conference members which for the year 1977 would be \$1,032.00 (\$86.00 per month). See Paragraph 1259.3a (3) of the 1972 *Book of Discipline*.

We recommend that special appointments to non-Methodist institutions shall be listed as without pension responsibility on this annual conference.

We recommend that all missionaries shall be listed as with pension responsibility on the Board of Global Ministries of The United Methodist Church.

**Report No. 7****Depositories**

We recommend that the official depository for the pension funds shall be the same as that designated by the conference for other conference funds and the General Board of Pensions of the United Methodist Church; provided that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government-sponsored agency.

**Report No. 8****Regulations for Occupancy of Homes**

1. Applications of claimants for homes shall be sent to Mr. Art Copper, Executive Secretary of the Board of Pensions and Homes for Claimants, P.O. Box 700, Andalusia, Alabama 36420, and shall include the following information:

a. Name of claimants and immediate members of family.  
b. Indication of choice as to location of home.  
2. Minor repairs on the homes will be paid for by the occupant. Major repairs will be paid for by the board. No repairs or alteration can be made to any of the homes at any time except those authorized by Mr. Art Copper as treasurer of the board.

3. The board will equip homes with a stove, heating equipment, refrigerator and water heater.

4. Occupants will furnish the board with the name of the person who will attend to his or her personal affairs in the event of disability or death.

5. Care should be exercised by the occupant in the erection of T.V. antenna so that the existing property is not damaged.

6. The board recommends that when the occupant of a home serves a charge which provides a parsonage, he should live in the parsonage and thereby free a claimant's home for another claimant.

7. When a claimant vacates a home he or she should release it in writing to Mr. Art Copper, the executive secretary of the board, at conference headquarters, and remove all personal belongings immediately.

8. Upon the death of an occupant the heirs or responsible person shall remove all personal property belonging to the claimant within thirty (30) days. All property left beyond this time will be disposed of by the board.

### Report No. 9 Pensions for Lay Employees

We strongly endorse the reserve pension plan administered by the General Board of Pensions for lay employees of United Methodist agencies and local churches. We recommend it to our local churches and agencies and urge that they use this official plan for The United Methodist Church to provide pension coverage for the devoted lay men/women who serve in their employ just as the annual conference provides for pensions for ministers.

### Report No. 10

#### Full-Time Service As a Requirement for Pension Credit

We call attention to the following provisions which appear in paragraph 1259.4 (a,b) of the 1972 *Book of Discipline*, relative to full-time service as a normal condition for pension credit:

a. Full-time service of a ministerial member of a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part-time service by a three-fourths vote of those present and voting in the annual conference, on recommendation of the Conference Board of Pensions and Homes for Claimants.

b. Full-time service shall mean that full time is devoted to the work of a minister by one who has not attained the age of mandatory retirement for a conference member, who is not attending school as a regular student, who is not substantially employed in nonministerial work, and whose cash support per annum from all church sources is not less than the minimum salary established by the conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, unless such credit is granted by special action under extremely unusual circumstances.

### Report No. 11

#### Annuity for Ministers in Area Offices

As approved by our annual conference in the 1972 session the following policy continues in effect:

The area offices being served by the ministerial members from the conferences in the Birmingham Area where there is no annuity payment to provide pensions and benefits for these men shall have their pensions and benefit payments provided by the two conferences of the area with the Alabama-West Florida Conference paying an amount equal to forty-six percent (46%) of twelve times the annuity rate and the North Alabama Conference paying an amount equal to fifty-four percent (54%) of twelve times the annuity rate of the conference in which the minister holds membership. This formula was agreed upon by the Alabama-West Florida and North Alabama Annual Conferences.

The grant would be based on the years of his service.

The funds required for conference participation in premiums shall be provided by the pensions and benefits program of the conference and shall be included in the apportionment for the Conference Claimants Fund.

We recommend further that the program continue to be made available to local churches for participation by their full time lay employees, without conference participation in the premiums.

### A Resolution

Whereas the Rev. Lamar Spencer has served the Board of Pensions and Homes for Claimants of The Alabama-West Florida Conference for the past eight years as a dedicated and participating member, and has given conscientious leadership to the board as its chairman for the past quadrennium, and

Whereas the Board of Pensions and Homes for Claimants of The Alabama-West Florida Conference has initiated more progressive programs during the past eight years than in any previous comparable period of time, due in no small part to the patient guidance and caring spirit of the Rev. Lamar Spencer, and

Whereas the other outgoing members of the board have shown the kind of interest and devotion to the many vital causes of the board that has made the kind of progress our conference has made in the areas of pensions, death benefits, hospital and medical expense, housing and other services to our claimants, possible:

Therefore, be it resolved that the Alabama-West Florida Conference in its 1976 session express its sincere appreciation to the Rev. Lamar Spencer and the other out-going members of the board for their dedicated Christian commitment and service to our conference through their work on the Board of Pensions and Homes for Claimants.

## BOARD OF CHURCH AND SOCIETY

The purpose of the Board of Church and Society is to relate the gospel of Jesus Christ to the members of the church and to persons and structures of the community and world in which they live. It is the responsibility of the Board of Church and Society to help the United Methodist churches of this conference to implement the demands of the Christian gospel in everyday issues and concerns of society. In order to do this the board develops and provides program resources and offers to district and local boards services which will assist them in

implementing the purposes and objectives outlined in the *Discipline*. It serves as a communications channel with the General Board of Church and Society and district committees. It provides training in selected areas of program.

The Board of Church and Society has chosen the following priorities which are recommended to the 1976 session of the annual conference for adoption as target issues to be confronted in district workshops and local churches during the 1976-77 conference year.

The plan of action is for each district director of church and society, in conjunction with the district superintendent, to present the priority issues to a meeting of the district council on ministries in the early fall of 1976, asking the district council to choose one or more of the issues as the subject of a district workshop on church and society to be held in the winter of 1976-77. The priority issues are:

1. Poverty and hunger, including local areas of hunger and poverty, local church sharing projects, foreign aid, agriculture policies, volunteer assistance programs.

2. Child advocacy, including inadequate day-care facilities, health care and nutrition, the rights and needs of children, sensitizing the local church to the need for child advocacy.

3. Welfare reform, including unemployment and poverty, guaranteed income, public health care, church charity assistance programs, low cost and public housing.

## TASK FORCE ON PRISON REFORM AND PRISON MINISTRIES

The Task Force on Prison Reform and Prison Ministries has continued the study of the criminal justice system during the 1975-76 conference year. Following the acceptance of recommendations made in the previous year's report, a joint United Methodist Task Force was formed in the Birmingham Area.

The emphasis of the group has been on law enforcement and judicial reforms, and the decision to call a consultation to present the findings to the entire Birmingham Area. Chief Justice Howell Heflin spoke to us on judicial reform and Lt. Jerry Shoemaker of the Intelligence Division of the Department of Public Safety presented the law officer's view of crime and the citizen.

The Consultation on Prison Reform and Prison Ministries was held on March 12 and 13 at the Normandale United Methodist Church in Montgomery. An overall bicentennial theme was used, incorporating the idea of citizen responsibility by the use of voting to evince interest. Over 200 people participated. A panel of experts consisting of Senator L. D. Owens, Jr., Major Emmett Dixon of the Dept. of Public Safety, Commissioner Judson Locke, Assistant Commissioner Bob Bright, Mr. John Hale and the Rev. John Vickers representing the Board of Corrections, and a Montgomery attorney, Mr. Maury D. Smith, presented the myriad problems facing citizens in the areas of prison reform and criminal justice. Representative Brooks Hines moderated the discussion. Dr. L. Harold DeWolf, internationally known theologian and penologist, spoke on "Crime, Justice and the Christian." At a Bicentennial Banquet, held at the First United Methodist Church, the consultation was privileged to hear Lt. Gov. Jere Beasley. Music was presented by inmates from Draper Prison. Special interest groups met to consider Crime, Justice and the Victim, Volunteers in Society, Inside the System, and After the Fact. Speaker of the House Joe McCorquodale gave information on funding of the criminal justice system. Mr. Parker Evatt, executive director of a volunteer correctional society in South Carolina, told of the great possibilities of solving some of the problems under attack by the method of volunteer involvement. A resolution was presented and was passed; a copy of which is made a part of this report. Bishop Carl Sanders challenged those present at the close of the consultation to go to work immediately.

The task force is studying the feasibility of a volunteer correctional society in cooperation with other interested groups.

Respectfully submitted,  
Jane S. Coleman, Chairman

## A RESOLUTION

Presented for consideration to the Birmingham Area Consultation on Prison Reform and Prison Ministries—Meeting at Normandale United Methodist Church, Montgomery, Alabama on March 13, 1976.

Whereas: Jesus Christ made it clear that when you were concerned about those in prison you were concerned about Him, saying, "I was in prison, and ye came unto me," and since he made this concern a test for our admission into Heaven (Matt. 25:31-45);

Whereas: John Wesley, the father of Methodism, carefully extended his personal ministry and the ministry of his preachers to those in prison as well as to the victims of crime;

Whereas: The *Book of Discipline* of The United Methodist Church, 1972, P75C, provides the following declaration on "Crime and Rehabilitation": "To protect all citizens from those who would encroach upon personal and property rights, it is the duty of governments to establish police forces, courts, and facilities for rehabilitation of offenders. We support governmental measures designed to reduce and eliminate crime, consistent with respect for the basic freedom of persons. We reject all misuse of these necessary mechanisms, including their use for the purpose of persecuting or intimidating those whose race, appearance, life-style, economic conditions, or beliefs differ from those in authority, and we reject all careless, callous, or discriminatory enforcement of law. We further support measures designed to remove the social conditions that lead to crime, and we encourage continued positive interaction between law enforcement officials and members of the community at large. In the love of Christ who came to save those who are lost and vulnerable, we urge the creation of genuinely new systems of rehabilitation that will restore, preserve, and nurture the humanity of the imprisoned. For the same reason, we oppose capital punishment and urge its elimination from all criminal codes";

Whereas: The prevalence of crime in the state of Alabama is a part of the general acute criminal condition in the nation at large, and since the prison system of our state is under Federal Court order to expand the physical facilities to relieve the crowded condition of the state prisons, or else admit no more prisoners to these correctional institutions; and

Whereas: The designed capacity for the Alabama correctional institutions is 3600 and the present population in the institutions is 4300 with an overcrowding of 700, with some 1200 state prisoners over-crowding the jails of our state.

Now, therefore, be it resolved by the Consultation on Prison Reform and Prison Ministries, sponsored by the Birmingham Area Task Force on Prison Reform and Prison Ministries of The United Methodist Church, in session at the Normandale United Methodist Church, Montgomery, Alabama, March 13, 1976:

1) That we urge all Methodist pastors and churches in the whole state of Alabama and the ten counties of Northwest Florida to study the whole question of crime, punishment and redemption of those involved in crime in the light of the Christian gospel and the heritage of Methodism; and become involved in activities and ministries as conscience indicates would help in resolving the inequities and injustices in the criminal justice system.

2) That we commend the work already done on prison reform and ministries by the Birmingham Area task force and ask them to go ahead with their effort to join forces with similar groups such as those representing the Alabama Bar Association, the Junior League, labor unions, service clubs, colleges, and universities, associations of law-enforcement officers, criminal-court judges, other church denominations, and any other groups or agencies that work in the field of crime and prison reform;

3) That we ask our task force to continue to consider the plight of the victims of crime and join others in urging the legislature of the state of Alabama to consider the laws of other states that provide rehabilitation and compensation for those so victimized, and that they support appropriate bills before the legislature designed to make such provisions;

4) That we rejoice in the passage by the voters of Alabama on January 13, 1976, of the bond issue providing six million dollars to help relieve the conditions

in our prisons and ask that our task force, along with others, appear before appropriate legislative committees of the Alabama House and Senate for public hearings that may be set for the consideration of bills dealing with prison improvements necessitated by Federal Court order;

5) That we encourage a close working relationship between all those engaged in law enforcement, criminal courts, crime detection, pardon and parole responsibilities, and administration of correctional institutions on the one hand, and the professors of sociology and criminology in the Alabama colleges, universities and law schools, plus such professors in theological seminaries on the other hand, to the end that the practice and theory of prison reform might become more closely related;

6) That we express our appreciation to all chaplains for their ministry in courts, jails and correctional institutions and to all who help those people who have served time in prison find jobs and make social adjustments;

7) That we of this consultation, as Christians, continue to realize that crime grows out of unregenerate persons and unregenerate society, that it is present in high places, as demonstrated by "Watergate," as well as in all other segments of society; and that crime also has a correlation with the poverty, poor housing, discrimination, ignorance, and lack of hope that surrounds millions of American children as they move toward adulthood;

8) That copies of this resolution be sent to the annual conferences of the Birmingham Area for consideration and adoption; to the Governor and Lt. Governor of the State of Alabama; to the House and Senate of the Alabama Legislature convening in regular session in May, 1976; and to the news media of Alabama and West Florida; to the Methodist Christian Advocate; and to such other persons, agencies, or bodies deemed appropriate.

9) Whereas the Birmingham Area Consultation on Prison Reform and Prison Ministries of The United Methodist Church is attempting to sensitize our people as to the need for citizen involvement in the prisons, and whereas such involvement has centered around the organization of volunteer societies in other states:

Be it therefore resolved that this consultation directs the Birmingham Area Task Force on Prison Reform and Prison Ministries to pursue, investigate and study the possibility of establishing in the Birmingham Area a private volunteer organization to work with the problems of the prisons. Be it further resolved that such a society attempt to support all programs and agencies which deal with the rehabilitation of offenders in the Birmingham Area.

## BOARD OF HEALTH &amp; WELFARE MINISTRIES

## Report No. 1

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference completes this conference year and the quadrennium with a deep sense of gratitude for the accomplishments that have been affected.

There were many things that could not be done because of the necessity of being involved directly in the process of raising almost \$350,000 for the operation of our institutions, the United Methodist Children's Home, Fair Haven and Wesley Manor, and Golden Cross.

When this quadrennium began, our board was gratified to see the Children's Home, Fair Haven, and Wesley Manor embarking on expansion of plans to provide an ever-widening service area for children and the aging. Up-dated comments on these accomplishments are to be found in related reports in this section.

Other than fund-raising success stories, two high-lights of our past year are noteworthy.

In October, 1975, Chief Justice Howell Hefflin of the Alabama Supreme Court was the key-note speaker at a one day seminar on "Children in Crisis" at the Children's Home. This was a significant event, and would have been more so, if the people of the conference could have been better represented.

In March, 1976, a one day seminar was held at Wesley Manor on "Developing a Ministry for the Aging." This was attended by over 200 people. Every district of the conference was represented as Rev. Charles Frazier of the National Division of Health and Welfare Ministries of the Board of Global Ministries, and Mr. Donovan Gardner of Evenglo Lodge, Pontiac, Illinois, came to present program challenges to the group.

Plans for the coming year include emphases in the following areas:

- (1) Developing a Ministry to the Aging
- (2) Developing a Ministry to Children in Crisis
- (3) Developing a Ministry to Retarded Persons

In addition to these general emphases is the increasing need to train and inform local church Health and Welfare Ministries Representatives and District Directors of Health and Welfare Ministries concerning local church ministries in the area of health and welfare. This includes, but is not limited to, the activities of Golden Cross in the local church.

Specific dates are set for seminars throughout the conference in the area of developing a Ministry to Retarded Persons. Tentative dates are set and need to be confirmed with regard to the other two areas.

In addition to these responsibilities, the Conference Board of Health and Welfare Ministries will need to assume an increasing role in seeing that adequate funds are raised to support the work of the United Methodist Children's Home, and our two retirement/nursing homes. It is imperative that this work be expanded and supported to meet the increasing demand for these ministries in the coming quadrennium.

The Board of Health and Welfare Ministries takes this means of extending thanks to churches, pastors, and lay-persons who have supported this work so well in the past.

Respectfully submitted,  
Larry D. Bennett, Chairman

### Report No. 3

## 1976 ANNUAL REPORT UNITED METHODIST HOMES FOR THE AGING

Your United Methodist Homes for the Aging have now completed 15 years of operation at Fair Haven and 8 years at Wesley Manor. During this time we have served over 1,000 elderly persons. At Fair Haven 4 of the original residents who moved into the home in the fall of 1961 are still living with us.

This year, the operating budget for your two homes is \$2,000,000.00.

Last year, the Homes received from the Alabama-West Florida Conference \$19,624.75 from the Mother's Day offering, and \$36,170.32 from the North Alabama Conference unified budget and churches, for a total of \$55,765.07 to be used to cover the assistance program of the two homes. During this same time, the homes gave assistance to 125 persons at a total cost of \$69,085.52. If it had not been for the many friends who support the Good Samaritan Fund we would not have been able to assist this approximately thirty percent of our total residency.

Also, last year we received \$20,324.86 from 5 wills. How wonderful it is that there are people who, through legacies, continue to serve the elderly after they are gone! Won't more of you consider this method of service?

Our program continues to expand, for the need is great. At Fair Haven 45 apartments have been completed through the Founder's Gift program, and a waiting list of from 1 to 5 years has developed, depending on the type accommodation desired. Wesley Manor has just completed a 62-bed nursing addition which is now in operation. This construction cost \$644,615.00, of which \$386,000.00 was the last Hill-Burton grant available, since Congress has now stopped this program.

Today, the greatest problem which faces your Homes For The Aging is inflation, for so many of our residents' incomes are not keeping pace with soaring costs; yet it is imperative that we continue to expand our services since our aging population is increasing at a faster rate each year.

Our 15-minute color movie, "A Gift of Love," showing activities at both Fair Haven and Wesley Manor has been shown in many churches and is always

available for showing at evening services, Men's Club meetings, or United Methodist Women's meetings. Earl DuBois and I are both available to show the film and speak to your groups.

Executive Director

#### Report No. 4

### UNITED METHODIST CHILDREN'S HOME SELMA, ALABAMA

The 1975 fiscal year must go down as a year of marked activity for the United Methodist Children's Home. There were 289 referrals for help and a total of 352 persons were served in all programs—both are all-time records for the home! It takes a tremendous amount of work on the part of the social workers and child care staff to accomplish this level of service and they all should be commended.

During 1975 the home continued to work on its long range plan—the development of additional group homes so that a variety of services can be provided on a regional basis. In April, 1975, the newly constructed group home in the Dothan area was completed and occupied. The Huntsville Group Home was purchased, remodeled and occupied by May of 1975. The Tuscaloosa Boys Group Home recently got into full swing after a more adequate facility was purchased and prepared for occupancy in June, 1975. Certainly much credit for a successful year must go to the fine accomplishments in these areas. (Pending further study and sufficient finances the already proposed group homes for the Quad Cities area and Mobile may be initiated.)

We all know we are living in times of rapid change, even in the child care ministry. The key to a successful program today is flexibility, productivity, accountability and stewardship. As needs change we must change programs to best meet these needs. The figures below indicate the number of people served in the home's many programs in 1975:

Children's Village.....	112	Family Aid.....	146
Dothan Group Home.....	12	Foster Homes.....	21
Pensacola Group Home.....	10	Adoptions.....	2
Huntsville Group Home.....	8	Scholarship.....	18
Scottsboro Group Home.....	11		
Tuscaloosa Group Home.....	12	TOTAL.....	352

Even while writing this report for 1975 the board and staff are bringing to the Annual Conferences and their respective Boards of Health and Welfare Ministries a request to start a new and vitally needed service at the Children's Village in Selma—emergency shelter care. It is recommended that one of the cottages at the Children's Village be converted into an emergency shelter care cottage to serve a maximum of 10 children between the ages of 6 months and 18 years. This facility will serve Dallas and the six surrounding counties. Children will generally stay in the facility less than 14 days and never more than 30 days in a 12-month period. The home will provide the "caring" responsibility while the referring county Department of Pensions and Security arranges more permanent plans for these children who are "in crisis." Further technical information on this program has been shared with the Board of Health and Welfare Ministries and adoption of this report will grant Annual Conference approval of this additional ministry to the services of the United Methodist Children's Home.

We appreciate the fine support of our Annual Conferences. We look forward to 1976 being another important year in the United Methodist ministry to children and families in need.

## GOLDEN CROSS

As the director of Golden Cross, I have the opportunity to see an area of the church's ministry which is little known to most of our people. However, this is one of the most compassionate areas of ministry in which our church is involved. It is through these funds that we reach out to help United Methodist laymen and ministers who have medical bills which they are unable to pay.

During 1975 we helped twenty two (22) different Methodist families with a total cost of \$7,711.08. This is an average of \$350.50 per family helped.

Golden Cross joins with the Homes for the Aging in the Mother's Day offering. Your gifts to these combined funds enables us to respond to the ever-soaring hospital costs of many needy United Methodist families in our area.

There are filmstrips and brochures available from the conference headquarters, which will provide information about the Golden Cross Fund. Applications and information can be obtained by writing to me:

David H. Chunn  
106 Till Court  
Prattville, Alabama 36067

Golden Cross helps people where they hurt. Become a part of this Christ-like compassion and give to the Mother's Day offering in your Church.

Thank you,  
David H. Chunn, Director

## UNITED METHODIST WOMEN

We have come to the end of the quadrium. Looking back over the last four years in the work of United Methodist Women has been both an exhilarating and sobering experience for me. We have accomplished many things and yet there is so much more that we might have done.

As I accepted the gavel from our former president, Mrs. J. B. Nichols, I said, "On behalf of your new executive committee I ask first for your prayers, your cooperation, and your support. We are beginning a new organization composed of the former Women's Society of Christian Service and the Wesleyan Service Guild of the Alabama-West Florida Conference and the Central Alabama Conference and, hopefully, many new members who have never belonged to either of these two organizations.

We have a new name, a new structure, new officers and new opportunities! But unless we are willing to go one step further and try new methods of accomplishing our purpose, we will find ourselves . . . as the Bible says, 'putting new wine in old wineskins.' So, my second request is this: Will you take a 'leap in faith' with us and try some new ways of doing things?

The rich heritage we have from the past will serve us well as a foundation to build upon. As United Methodist Women we can build on that past and anticipate the future.

What better time than this to try the new . . . to take a risk, in faith! Everything we try may not be successful, but if we persist . . . if we dare to fail . . . we cannot help but reap the benefits of our new adventures and our new successes.

With all the new, our purpose has not changed. Let us lift our aims to higher levels. In the spirit of youth, let us be venturesome . . . let us take a 'leap in faith,' . . . let us dare to fail. Only then can we truly celebrate the NEW."

Our organization was mandated to be new and inclusive. In that spirit we have striven for informality and friendliness; programming that would appeal to young and old, employed or homemakers, large units or small units, metropolitan or rural areas; training sessions that would enable the conference, district or local leaders to more effectively perform their assigned tasks; retreats that would strengthen our individual commitments and schools of mission that would inspire and inform.

Our annual meetings have been geared to a building of a sense of community throughout the conference. With the help of women in the nine districts

we have presented various areas of special concern for United Methodist Women. We have featured leaders in our organization as keynote speakers such as Mrs. Thomas P. Green, President of the Southeastern Jurisdiction, Miss Theresa Hcover, Associate General Secretary of the Women's Division, Mrs. E. M. Decker Jr., member of the Women's Division and Chairman of the Committee on Women's Concerns for the division, and Mrs. Maynard Catchings, Executive Secretary for Ministry to Women for the World Division.

Through our conference newspaper we have acquainted our members with the ongoing response of the individual units to the need for mission work in the local communities and throughout the districts. The work the individual member does in her own area is of inestimable value in our expanding concept of missions.

We have organized new units in churches throughout the conference, helped reorganize former units and added new members to existing units.

Because our conference is widespread, travel time to conference meetings at Blue Lake presents a problem. We initiated a program whereby members could come to Oakwood Lodge the night before a meeting. We provided 'choice times' for these participants. They could attend sessions after supper which were challenging and informative, or, they could relax, read, watch television or visit. This service proved to be highly popular. At our last annual meeting more than one hundred women came the night before.

Nowhere has the spirit of community and commitment been more evident than in the area of financial support. In the last four years United Methodist Women of the Alabama-West Florida Conference have sent well over one-half million dollars to the Women's Division for support of the mission programs of The United Methodist Church through the World and National Divisions of the Board of Global Ministries.

Above and beyond this basic support they have responded most generously to emergency calls for help in world crises such as famine, storm and medical emergencies.

These are some of the accomplishments of the women in our conference. It would be unfair not to mention several areas where we have not progressed as much as we would like. Perhaps our weakness lies in three areas: better communication between conference, district and local units, more itineration through the conference for training purposes and greater participation on the part of the women in the organization and life of the church.

There is a great challenge for United Methodist Women in the new quadrium.

This is my last report to you as president of United Methodist Women. It has been a distinct honor to serve in this capacity and my life has been enriched by this experience.

Helen McGonigal, President

### COMMISSION ON THE STATUS AND ROLE OF WOMEN

The organizational meeting of the Commission on the Status and Role of Women was held on December 10, 1975. The commission made the decision to work in the following areas:

#### I. EDUCATION OF ROLE AND STEREOTYPE

At the 1970 Special General Conference, an eleven-member study commission was appointed. In 1972 this study commission made a report to the General Conference meeting in Atlanta, Georgia. It had this to say concerning the role of women in the Church:

"Women were found in those organizational activities which have been rather traditionally ascribed to them. . . . Men predominated in the committees which are crucial in determining policy and direction for the local congregation."

#### Positions Held By:

Women  
Education  
Missions  
Worship  
Council on Ministries

Men  
Administrative Board  
Committee on Finance  
Pastor-Parish Relations  
Board of Trustees

The commission reviewed the 1968 *Book of Discipline* and found "that the language implies a discrimination against the full and effective participation of women. . . ." In an effort to deal with the problem of the "male-oriented language," it wrote to all of the general agencies and requested that they "make a study of the disciplinary passages which relate to their agency with the purpose of amending and/or removing all language which was male-oriented or which implied a discrimination against women."

It is always difficult to change discriminatory attitudes, beliefs and practices, especially those deeply rooted in church tradition. Only through the concerted efforts of all concerned can discrimination be eliminated. It is hoped that the church will make a concerted effort

1. To become aware of the way in which females and males alike have been stereotyped;

2. To re-think such stereotyped sex roles;

3. To help eliminate any sexist assumptions from our publications;

4. To provide educational materials that encourage a greater freedom for all individuals to pursue their interests and realize their potential.

## II. LIFESTYLES AND CONCERNS FOR MINORITY WOMEN

In our "mass society" we sometimes overlook the fact that all are not in the majorities. There are women who, because of certain circumstances, are classed as "minority women." These "minorities" may be because of race, religion, age or marriage and family status. Many times they are not under the ministry of any church and perhaps feel that the Church is not concerned for them and their situation(s).

Recognizing the sacred worth of each individual, whether or not we personally agree with her lifestyle, we realize the inherent right of each person to develop her own lifestyle. We affirm The United Methodist Church's Social Principles and insist that all persons are entitled to have their human and civic rights ensured. As the Church of Jesus Christ we must seek to bring each into the caring ministry of God's love and convey to each the fact that she can best fulfill her personhood by following the teachings of Jesus.

## III. PARTICIPATION OF LAYWOMEN IN THE CHURCH ON ALL LEVELS

The United Methodist Church adopted a Resolution on Equal Rights of Women stating that "The gospel makes clear that Jesus regarded women, men and children equally."

The Commission on the Status and Role of Women is asking that the Annual Conference, at all levels, local, district and conference, examine the practices under which it operates to see if it does indeed carry out the intentions of this statement.

We ask that women be considered full members and considered for employment and election or appointment to positions according to their individual interests and abilities, not only in positions traditionally held by women.

We feel this is an opportunity for the church to take a leading role, not waiting until legal and social standards are changed and it is put in the position of a follower.

## IV: WOMEN EMPLOYED BY THE CHURCH

We recommend that qualified women be considered for any available positions in the local church, district and conference staff. Any such equal job opportunities should also afford equal pay for women. We urge the bishop and the cabinet to seek out opportunities to appoint women clergy to responsible positions of leadership as local pastors, and in administrative positions on a district and conference level.

## V. RESEARCH: BIBLICAL AND THEOLOGICAL

Another one of the goals of the study commission was: "To bring about attitudinal changes in relation to theological, philosophical and Biblical interpretations and understandings of the role of women. . . ."

It is hoped that the Church will make a concerted effort

1. To bring about attitudinal changes in relation to theological, philosophical and Biblical interpretations and understandings of the role of women.

2. To have maximum participation of both men and women working as full and equal partners in all aspects of Church life.

Lib Claridy, Chairperson

POSTSCRIPT: The following is printed for information and does not imply full endorsement of the conference.

According to *JSAC Grapevine*, July, 1972—"Women—the no longer silenced majority," the theological interpretations which have led to discrimination against women are:

1. The "orders" of creation
2. The conception of original sin
3. The masculine imagery and emphasis on transcendence in the doctrine of God

4. The virgin birth

5. Mariology

6. The Christological formulations of Paul and the later Church fathers. Francine Cardman, Church History Professor of Wesley Theological Seminary, has an article in *e/sa*, March, 1975, p. 18-22, that deals with the "need to 're-exegete' various problem passages in the light of current Biblical scholarship." For example, she says, "Male and female are both created in the image of God (Gen. 1:27); woman completes creation and is its culmination (Gen. 2:18). The subordination of woman to man, the pain of childbearing, the alienation of toil by the sweat of one's brow (Gen. 3:16-17), are all the results of the Fall; they are an indication of what is wrong with human life, not of what it is meant to be."

She goes on to say, "Yet much of Jewish and Christian history has not had the benefit of this kind of exegesis. The description in Genesis has been taken as the justification for the subordination of women in the order of creation. It is for this reason that Paul can insist that women must be veiled in church because man is 'the image and glory of God, but woman is the glory of man' I Cor. 11:7-9. . . . In I Cor. 14:34 where he admonishes women to keep silent in church, Paul is particularly concerned with the problems of church order and decency presented by the unruly Corinthians, and his dicta are to be read with that in mind."

She says, "What is needed is an understanding of the gospel, an understanding of the good news of the Christ event." The gospels tell us that the Messiah came to save humanity, male and female; that He came to give His life as a ransom for many; and that He came to save that which was lost (Matt. 20:28, 18:11). When Jesus began his ministry, he came preaching the kingdom of God, the kingdom was for humanity; men and women alike were called. Divisions no longer existed. When the Apostle Paul spoke of the divisions that were overcome through Jesus Christ, he explicitly mentioned the divisions between male and female (Gal. 3:28). So we see that "in Christ" a new thing is happening. The old order has been overcome.

Ms. Cardman ends her article saying that, "If 'in Christ' the barriers between men and women have been removed, it is the church, the community of those who are in Christ, that must bring to fulfillment what has been begun: 'If anyone is in Christ, he/she is a new creation; the old has passed away, behold the new has come' (II Cor. 5:17)."

## BOARD OF EDUCATION

### Introduction

The accomplishments of this board during the past year would not have been possible without the creative planning and hard work of the committees. They are to be commended.

Without diminishing our efforts in the areas of training and camping, we have turned our attention increasingly to the needs of the Sunday School and to the goal of increasing enrollment and attendance.

In pursuit of the conference priorities related to education, the Task Force on the Sunday School has taken an inventory of local Sunday Schools and has prepared some practical helps to spark renewal. The widespread concern and growing enthusiasm for the Sunday School are encouraging.

I am grateful to the members of the board whose patience and cooperation

have made it a pleasure to serve in the capacity of president during the past two years.

Respectfully submitted,  
Charles W. Avery, President

### Committee On Experimental Ministries

The Camp Discovery program was again the primary focus of the Committee on Experimental Ministries for 1975-1976. This camp serves both urban and rural children and youth from homes and situations where they might never be exposed to opportunities to affirm their humanity and individual personhood. The four sections of Camp Discovery, two for rural children and youth and two for urban children and youth, served about 200 campers in the summer of 1975. The response of these children and youth to this ministry has been both rewarding and significant. As a result of the response of the churches throughout our conference, a ministry to children from poverty backgrounds has been successful.

The dates for the two sessions of Camp Discovery are: Camp Discovery I, August 9-13, 1976; Camp Discovery II, August 16-20, 1976. Support for the continuation of this ministry is still needed. If you or your church would like to participate in this vital ministry by supporting a child in camp or recommending a child who might be ministered to, you are urged to contact the United Methodist headquarters in Andalusia, Alabama. The cost of the scholarship to Camp Discovery is \$30 per child. The committee urges each local church to include at least one or more scholarships in its budget plans.

At the conclusion of the 1976 summer program, Camp Discovery will become a regular part of Blue Lake's camping program. The responsibility of planning and implementation of Camp Discovery will come under the conference Board of Education's Camping Committee. This will free the Committee on Experimental Ministries to change its primary focus for 1976-1977. We are already refocusing our priorities. The two areas we are most concerned with are a ministry for deaf children and a ministry to young adults. We have initiated a program to provide a fall camping experience for deaf children at Blue Lake. Two separate weekend programs are now being worked out. The preliminary indications now are that experimental efforts will be carried into yet another vital area of needed ministry. Still in the planning stages is our proposed ministry to young adults. We see this as a need that must be explored as the church continues to change and minister to its future leadership. Our target date for programming is the fall of 1977.

We are interested in the work of the local church in its efforts to experiment in new forms of ministry. Our hope is that we can assist in developing new and experimental ministries all over the conference in both urban and rural areas. The committee depends on the ideas and concerns of the laymen and ministers of our conference. We invite your involvement with our committee as it continues to work out the process of developing new ministries.

Respectfully submitted,  
Al Norris, Chairman

### Committee on Leader Development

Work of the Committee on Leader Development during the past year was in three primary areas. In conjunction with the conference office Council on Ministries training in districts and local churches was continued throughout the year. Training for district age-level coordinators at a conference event at Blue Lake was a part of this.

Emphasis on recruiting and training persons to become certified as age-level laboratory leaders continues. We subsidized four persons to Lake Junaluska jurisdictional labs, and recruited three others. One of these persons became certified in the area of adult work. We will ask those who became certified to repay their scholarships by teaching in two lab events without honorarium.

The third area of concern for this committee has been long-range planning. We are currently working with the Task Force on the Sunday School and

the Ad Hoc Committee on Evangelism in planning training for leaders in these areas.

We urge local churches and districts to have laboratory training for teachers. This is the best training for teachers, and the committee is available to help in funding a lab enterprise.

Respectfully submitted,  
Carolyn Cumbie, Chairperson

#### Committee on Children's Ministries

The Committee on Children's Ministries has met regularly during the year 1975-76. With anticipation of the addition of a children's coordinator to our conference staff at the beginning of 1977, each member of the committee has been actively engaged in trying to meet the needs of the local church until such time as this person is in the leadership position.

During the summer and fall, almost every district presented the new system of curriculum resources for children to the local churches on a sub-district basis. Reports indicate that the attendance and enthusiasm were higher at these meetings than any held during recent years. Most districts have plans for this type of training again this year.

A job description for the local children's coordinator has been written by a member of the committee, printed, and placed in the hands of the District Coordinators of Children's Ministries for distribution. The committee is anxious for this to be used as a guide for planning children's ministries in the local church.

Training for Vacation Church School leadership will be held in several of the districts again this year. Several members of the committee are available for consultation by local churches.

Members of our committee have visited in local churches at the invitation of pastors and children's coordinators. Visits such as these help the committee in planning for the needs of the local churches.

The children's committee will, if approved by the conference Board of Education, continue to be an active committee after the conference coordinator is employed. It is the feeling of the committee that there will still be the need for a connecting link between the conference and the local church.

Respectfully submitted,  
Jean S. Sublette  
Don R. Brill  
Co-Chairpersons

#### Committee on Camping

##### A. Summer of 1975

The summer of 1975 was again a significant year in our camping program. In 7 elementary camps there were 489 campers for an average of 70. Junior High's were present in 4 camps averaging 86 per camp. In 4 senior high agencies, 254 campers were in attendance, an average of 64 campers each. 178 adult staff members were present in this regular camping program.

In the special camps—4-L and Camps Discovery—an additional 460 campers and staff persons were involved. Thus some 1725 persons were participants in the 1975 camping program as compared to around 1500 in 1974.

##### B. Other Items of Note

1. It should be noted that last year Blue Lake had the services of a full time nurse for the summer camp program. A nurse will be a part of the staff again in 1976, as we found it to be quite an asset.

2. Again in 1976 we are pursuing the possibility of a waterfront—recreation director for the summer. An advanced college student in the area of recreation and leisure, a high school coach, or other persons with special skills to give leadership in this area will be needed.

##### C. As you go home from conference:

1. Promote the 1976 camping program.
2. Assist us in soliciting scholarships for the 4-L Camps. Twenty-five dollars (\$25) will send a child to camp, and we urge churches, church school classes,

United Methodist Women, United Methodist Men, etc. to respond to this need. Remit to Mr. Art Copper.

3. Promote service as volunteer camp staff persons among the qualified adults in your community. Camp directors cannot receive too much assistance in securing their adult staff members. Please send names and addresses of qualified volunteers to Rev. Jerry Turner, P.O. Box 700, Andalusia, AL 36420.

Respectfully submitted,  
Joseph H. Bullington, Jr., Chairman

### COMMITTEE ON HIGHER EDUCATION AND CAMPUS MINISTRY

The churches of the conference are urged to support the United Methodist scholarship program and student loan fund with an offering on United Methodist Student Day. The United Methodist loan fund is the oldest and largest of its kind in the country and presently offers loans to more than 11,000 persons in an amount of over six million dollars. The revolving loan program is on a six year base at 4% interest. The scholarship program was designed by the 1945 General Conference to help meet the differential tuition cost between private and public education. Five hundred undergraduate scholarships of five hundred dollars each are made available each year. In 1975-1976 six students from the Alabama-West Florida Conference benefited from this scholarship fund.

At this time the loan and scholarship program is overburdened and taxed to the limit. Additional information may be received from the Board of Higher Education and Ministry, The United Methodist Church, Box 871, Nashville, Tennessee 37202.

The 1972 General Conference apportioned six million dollars annually during the 1973-1976 quadrennium as the Black College Fund. This fund provides continuous, methodical support for twelve black colleges historically related to The United Methodist Church. During 1975 the Alabama-West Florida Conference contributed \$29,115.36 to this fund. However, that figure represents only 41% of the apportionment. The fund has made possible expansion and renovation on all of the twelve campuses.

When the Huntingdon College Scholarship Campaign was completed just over one year ago, it was reported that the by-products from this united effort could well prove to be of greater significance than the money produced. Hoped for were by-products such as the emergence of new leadership within the churches, a broadened spirit of Christian benevolence, a closer relationship between the annual conference and the college and the numerical increase of the student body. The freshman class entering in September of 1975 showed an increase of 70% over the previous year. Already in 1976 the applications for admission show a 25% increase over last year.

The important by-products of the campaign are indeed being realized, but the conference must continue to assume financial responsibility for the college. 75% of Huntingdon's student body receive some form of financial aid. It is estimated that 50% of the students would not be at Huntingdon without the scholarship campaign. Therefore, one must raise the question of necessary financial support in the future. As the scholarship funds are gradually depleted, college support must be assumed by local church budgets. Every church is urged to consider including Huntingdon College in its budget. The amount annually contributed to the scholarship campaign should be the target of continued support through the budgeted gifts of the churches.

Our concern with the Huntingdon campaign must not cause us to overlook our appreciation of Birmingham Southern College. As Dr. Neal R. Berte assumes the presidency of Birmingham Southern, the Alabama-West Florida Conference offers to him its best wishes and intention of loyalty and support.

During this conference year we have been constantly concerned with the inadequate funding for campus ministry provided by the receipts from the Wesley Foundation Fund. The program and budget requests of the student ministers indicate to the Committee on Higher Education and Campus Ministry the importance of every church paying the Wesley Foundation apportionment completely. Toward the close of the conference year the Committee on Higher

Education and Campus Ministry has been involved in a study of student ministry at Auburn University. The uniqueness of our involvement there, the cost of building maintenance and the way in which Auburn affects the balance of student ministry, has made this study necessary. The final report, with specific recommendations, will be implemented by the Committee on Higher Education and Campus Ministry.

### COMMISSION ON ARCHIVES AND HISTORY

The commission has continued to collect the histories of Methodist churches in the Alabama-West Florida Conference. We recommend that each local church pastor and Records and History Committee prepare a written history from the time of its organization or bring its present history up-to-date and send a copy to the commission at P.O. Box 62, Bagdad, Florida 32530.

Any church may receive help from the commission in writing its history. The pamphlet, "Guideline for Local Church Historians and Records and History Committees" compiled by Walter N. Vernon, is available through The United Methodist Church, Commission on Archives and History, P.O. Box 488, Lake Junaluska, North Carolina 28745 or from Cokesbury.

The conferences of the Birmingham Area are hosting the Southeastern Jurisdiction Commission on Archives and History at Birmingham-Southern College July 6, 7 and 8, 1976. On July 7 there will be a centennial celebration of the former Central Conference. The featured speaker will be Bishop L. Scott Allen of the Holston Conference.

We call to your attention that there is an official medallion for grave markers of Methodist ministers. At the request of families and friends of the deceased ministers, the commission will supply these medallions at cost.

The Commission on Archives and History counts it an honor to plan for and direct the Service of Commemoration at annual conference each year. The Reverend George W. Gilbert, Jr., Pastor of First United Methodist Church, Dothan, has been asked to give the memorial address at the 1976 session.

We are pleased once again to have had the pleasure of sharing breakfast with all retired ministers and their wives and all widows of retired ministers. This will have taken place at 7:15 in the small dining room on Tuesday morning of the conference.

The facilities at Blue Lake have already been requested for a meeting of the commission on June 28-29 for the purpose of training and orientation.

Thad Chesser, Chairman

### ASSEMBLY GROUND COMMISSION

#### Blue Lake Methodist Assembly

A record number of conference, district, and local church retreats has been held at Blue Lake during the past year. 195 different groups have used the facilities. The breakdown is as follows: 39 conference programs; 9 district retreats; 41 conference committees; 50 local Methodist churches; and 8 other Methodist groups. We have also had 48 non-Methodist groups use our facilities during the year. These groups represent 24,139 camper-days. A camper-day is best defined as a 24 hour period; however, those attending for only a few hours are counted as attending one camper-day. We have paid a total of \$2,413.90 camper insurance premium.

The rates for the use of the facilities in 1976 are as follows: Methodist groups at Oakwood—\$8.50 per person per day (which is three meals and one overnight); Dogwood and Pinewood—\$6.50 per person per day. The rate for non-Methodist groups at Oakwood is \$11.50 per person per day; and at Dogwood and Pinewood, \$8.50 per person per day. Individual meals are \$2.00 each for lunch and dinner and \$1.50 for breakfast.

Many improvements have been made and new facilities added during 1975. Among these are the following: (1) the hall and bedrooms of the center section upstairs and conference room have been carpeted; (2) a new floor has been installed in the auditorium at Pinewood; and (3) fans have been installed in the cabins at Dogwood.

Projects that are underway and will be completed soon include some new furnishings in the conference room as a memorial to Mrs. Lois Bullington. The new gym and canteen should be completed by the last of April. Also, the tennis courts will be completed in time for use this summer. Pavement of the road to Oakwood has just been completed. New lights are being installed in Pinewood and Dogwood auditoriums. Two permanent canoe sheds are under construction. Within the next two months some eighteen camp sites for trailers are expected to be readied for use.

Ruth Lane, the dietitian, has prepared and had printed a Blue Lake cookbook with many of the favorite Blue Lake recipes, which is now available for \$1.00 per book. Receipts from the sale of the cookbooks will be used to purchase needed kitchen equipment.

In 1975 the insurance on our facilities was doubled with an increase on liability from \$25,000 to \$1,000,000. A new appraisal of our property at Blue Lake this year set the value of the 303 acres of land owned by the conference at \$212,100. Our buildings and equipment are valued at \$1,253,500.

Conference boards, agencies, districts, and local churches are urged to schedule their retreats and workshops early. Where groups are small, 25-50, we try to schedule two groups at Oakwood Lodge in order to accommodate more groups.

The Blue Lake Fund paid by the local churches is most vital to the ministry of our conference assembly grounds. It is essential that we subsidize our program at Blue Lake in order that more of our children and youth can attend. Each church is urged to pay its apportioned amount.

The financial support of United Methodist Women of the Alabama-West Florida Conference has been most helpful in the development of our assembly grounds. Their \$1.20 financial support has made it possible to develop and construct Oakwood Lodge. I am most grateful, as I am sure the conference is, for this support and for their continued support in helping to pay for the gym all-purpose building.

The Assembly Ground Commission wishes to express its appreciation to the ministers and lay people of the Alabama-West Florida Conference for your support of Blue Lake and your full cooperation in the program here.

John Lane, Director

## COMMITTEE ON EQUITABLE SALARIES

The equitable salary fund is for the purpose of providing assistance to those ministers and their families serving charges whose salary will not assure a minimum standard of living. It is not for the purpose of paying ministers for their service. Therefore your board includes under its recommendations a section which specifically states that the fund is designed to encourage local congregations to raise their salaries in order for their pastors to receive a larger share, as the conference will not pay an amount of more than one-third of the equitable salary of each classification.

1. Only full-time pastors and student pastors are eligible for equitable salary.

2. In order for a pastor to receive fully scheduled equitable salary, to receive pension credit, and participate in the conference insurance program each pastoral charge must pay at least two-thirds of the equitable salary scheduled amount as the *Discipline* requires. If the pastoral charge does not pay two-thirds of the equitable salary schedule then the Committee on Equitable Salaries will pay one dollar for every two dollars salary the Pastoral Charge does pay, retroactive to February 1, 1976. Pastors of newly organized congregations can for two years receive up to one-half of the equitable salary schedule from the fund for its pastors.

3. It is recommended that the equitable salary secretary be authorized to issue check orders for equitable salary only after each district superintendent

has certified (a) complete income and amount of need of each pastor who is to receive equitable salary aid; (b) that the charge conducts an Every Member Commitment program emphasizing the total program of The United Methodist Church; (c) that the pastor gives leadership in promoting the total financial program with special emphases being given to the ministerial, World Service and Conference Benevolences apportionments. It is not the responsibility of the Committee on Equitable Salary to determine all the ramifications of a man's employment; this is the responsibility of the superintendent. It is recommended that the secretary withheld any funds until the district superintendent has provided all the information as accurately as possible on the forms provided by the secretary.

4. No pastor of any classification shall receive aid from the fund if he receives income from any other church source, if the income, plus salary from the charge he serves, is more than the equitable salary for his classification, except as provided in 13 and 14 of this report.

5. No person qualifying for equitable salary which amounts to less than, \$100 will receive any equitable salary. We feel that local churches can take care of this small amount.

6. The administering agency will not grant aid to any Probationary or Associate Member, who does not pass a full year of the Conference Course of Study, or fails to meet the minimum requirements for a student.

7. No associate pastor shall receive aid from this fund.

8. Each district superintendent is required to review all equitable salary situations in his district toward the end of increasing funds of equitable salary. We request that no charge be divided where the salary is less than the minimum scale, unless there exists the opportunity for substantial growth, and unless such a division has been approved by the entire cabinet; and we urge that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 250 members.

9. We commend the cabinet for the work they are doing in combining charges with the view of giving each minister a reasonable work load and a liveable salary.

10. We recommend that the Council on Finance and Administration and the annual conference continue to provide the funds necessary to carry on the equitable salary program as directed by the annual conference.

11. The secretary of equitable salary shall file with the Assistant Secretary for the Journal for publication in the *Journal* each year a report listing the payments from the equitable salary fund during the year, giving the names of the pastors, the charges, and the amounts received.

12. We recommend that no pastor serving outside the bounds of the Alabama-West Florida Annual Conference be eligible to receive equitable salary unless there is no appointment available for him in this conference and he is assigned by the presiding bishop to an appointment outside the conference, or unless it be a special appointment by the presiding bishop. Appointment for the convenience of the pastor himself shall not be considered reason enough to receive equitable salary aid.

13. The Committee on Equitable Salary feels there may exist from time to time certain situations within our conference where special attention may help a church to more quickly become self-sustaining. In such situations a supplement, determined by the Committee on Equitable Salary, above the regular equitable salary, may be given the pastor, provided the church under consideration is unable to raise the salary level and provided the money is available for this purpose. Normally no situation will receive this special consideration for more than four years. Ordinarily no more than three such situations will be considered during a year, based on money available. Such cases will be called Growth Potential Situations. In order to be considered, every case will be judged by certain criteria, and final determination will be done with the approval of the Board of Missions, since this board handles money for church extension. Each situation will be judged by the following criteria: a. growth potential; b. leadership requirements; c. age of the church; d. indebtedness.

14. In the case of cooperative parish ministries or specialized ministries the district superintendent, in consultation with the District Board of Missions and Committee on Equitable Salary, shall be allowed to supplement the salary of a

pastor/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

15. We recommend that the following be the equitable salary schedule for 1977:

Members in Full Connection	\$9,700	Full Time Lay Pastors	\$7,900
Probationary Members	\$9,700	Lay Pastor—Student (married)	\$6,000
Associate Members	\$8,500	Lay Pastor—Student (single)	\$5,500
Seminary Students (married)	\$7,500	Lay Pastor—Licensee (married)	\$5,700
Seminary Students (single)	\$7,000	Lay Pastor—Licensee (single)	\$5,200

## BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

The Board of Trustees has surveyed all property and has made significant improvements at the three parsonages in Andalusia as well as the headquarters building. All property is properly insured and in good repair.

The Maintenance and Amortization Fund is now administered by the trustees. With all churches paying the apportioned amount the trustees will be able to make necessary improvement in all property.

We urge all pastors to see that their churches contribute to the Maintenance and Amortization Fund. There is great need for this fund in order to make mortgage payments and necessary upkeep of the property.

Total amount spent on Andalusia property in 1975 was \$6,746.47.

T. Leo Brannon, Chairman

NOTE: Additional material referred to by Dr. Duffey in his request that it be added to this report (see Daily Proceedings) was not available for printing in the Journal. It would have been a listing of all properties owned by the conference and administered by the trustees, showing annual payments, balance of indebtedness, and date of final payment.—Ed.

## BOARD OF PASTORAL CARE

The Birmingham Area Board of Pastoral Care & Counseling has made several changes since the last report in June of 1975. We lost the services of our very able director, Dr. William Clements, who moved to Iowa to accept another position. We did a thorough study of our entire operation, using the services of the Reverend Charles Betts as a leader of our process planning. As the result of this study, we dissolved our relationship with the Baptist Medical Center Board (after 3 years of fruitful association). We moved the office of director to Huntingdon College, Montgomery. We rewrote the job description of the director, allotting more time to preventive and in-service training. We voted to hire and ask the bishop to appoint the Reverend Charles Alexander of Birmingham as Area Director. Request for the funding of this new, independent operation has been submitted through the various committees and will be presented for approval at this session of the two annual conferences. We respectfully seek your approval and prayers as we seek to meet the needs of pastors and their families in the Birmingham Area.

T. L. Butts, Jr., Chairman

2. Employees of the United Methodist churches within the conference.
3. Members of their immediate families.
4. Family accounts are encouraged.

Georgiana, Alabama 36033

All conference members are urged to become members and help make the credit union a source of vital help to all who belong.

### COMMITTEE ON LAY LIFE AND WORK

Because of the philosophy of operations adopted by our committee in April of 1975 when we made the decision to operate as a committee of the Conference Council on Ministries, and also because of budget limitations which dictated a minimum of meetings, we have met as a group seldom during the year.

During annual conference we met to select Dr. Arnold Prater as our speaker for the 1976 Conference Laity Retreat, and to plan for a Lay Speaking Workshop to be held at Blue Lake in September. This workshop was conducted by the Reverend Richard Smith of the Board of Discipleship, and was attended by fifty lay speakers from the nine districts. Following the workshop, our committee again met to make further plans for the laity retreat, set for January 16-17, 1976. The theme "THE HOLY SPIRIT AND CHRISTIAN EXPERIENCE" had been previously set, following the mandate of the General Conference of '72 to make a church-wide study of the so-called charismatic movement. Two hundred of the books by this name, authored by Bishop Mack Stokes, had been ordered and were sold by the time of the retreat. Hard work by district lay leaders, district superintendents and fine publicity from the *Methodist Christian Advocate* resulted in record attendance of close to three hundred at our retreat, as compared to eighty-five the year before. Dr. Arnold Prater, an approved evangelist of The United Methodist Church and former district superintendent from Missouri, did a magnificent job of leading the retreat.

Following the retreat, our committee again met to plan for the 1977 retreat, the laity banquet at annual conference, and to submit our budget request for 1978. The committee voted to ask Dr. George Hunter, of the Perkins School of Theology to lead the 1977 retreat to be held January 14-15, 1977, with an emphasis on evangelism; and to invite Bishop Carl Sanders to be our speaker at the Annual Conference Laity Banquet. We are happy to report that both accepted our invitations graciously.

Coleman H. McGehee  
Conference Lay Leader

### BOARD OF MISSIONS

The first report to this annual conference, at the beginning of the 1972-76 quadrennium, requested prayerful support of this board so we could continue the fine record of previous boards and then be able to advance the cause of missions in this annual conference. You were faithful in your support and we have been diligent in our labors and successful in our efforts. Please let us look at some of the accomplishments. The reports show that 85.45% of our World Service and Conference Benevolences, or \$427,584.47, was paid by our Churches in 1975. Our goal for the quadrennium was to reach 100% by this year, and we wanted to reach it, but we are proud of the great increase made. There are other achievements such as:

\$203,740.12 for General Advance Specials

41,775.06 for Conference Advance Specials

81,181.00 for UMCOR

31,979.78 for airplane for Drs. Jerell and Joyce Mathison

40,635.40 for Liberian Workers on Goal of \$30,000 for 5 years

83 persons attended the Rio Grande Mission Tour with Jim Carpenter and Everett Barnes

25 persons served on a work team to Costa Rica with Rev. R. L. Hoagland

12 missionaries fully funded with exception of \$5,750.00 needed

The reports made by the other members of our board will show other accomplishments for which we are truly grateful. We wish to express appreciation to the members of the Board of Missions who accepted their responsibilities with dedication and zeal. They have worked hard and for all they have done we are grateful. Through the spirit of Christian service and real team effort this record was made possible.

The task that has been ours was made much easier because we had such a dedicated leader of missions in our own Bishop Carl Sanders. His position as President of UMCOR enabled him to provide informed leadership for all of us. We would not want to end our report without recognizing the great contributions made by the Rev. Ervin Dailey. His leadership has been unusually outstanding. No servant of this annual conference has ever worked harder and given more of self than has Ervin. We thank him and we know you share with the board appreciation for his labors of love.

This is the last report of your president. Eight years have gone quickly and the last four as president have been so rewarding. Thank you for letting me have this privilege.

Cecil E. Bradley, President

## I. MISSION EDUCATION

### A. Mission Studies, 1974-75

1. Each church in the conference is encouraged to undertake a series of mission studies. The studies for 1974-75 were:

- a. The Prophets: Message to the Nations
- b. A Nation Under God
- c. Southeast Asia: Christian Presence

2. All nine districts introduced to the local church the mission studies using Fall Mission Study Rallies, encounters, workshops and a variety of other methods.

3. The 1975 Cooperative School of Missions was held at Blue Lake, July 28-31, for the week long and August 1-3 for the weekend school.

### B. Missions Studies, 1975-76

The mission studies for this year are:

1. The Gospel of Mark
2. Peoples and Systems
3. The Nations of Southern Africa

The Dean of the 1976 Cooperative School of Christian Mission is Mrs. W. C. Carter. Dates for the school are:

August 9-13 Weekday School

August 13-15 Weekend School

C. All eleven missionaries from or assigned to the Alabama-West Florida Conference have been totally underwritten for salary support, and because of this a new missionary family has been requested by the Conference Board of Missions. The new family is Mr. and Mrs. Robert Bennett who are serving in Liberia. They need \$5500 in salary support.

D. The following films were added to the Conference Audio-Visual Library:

1. "Two Dollar Language Lesson," World Service, FSR
2. "The Right Man," 16mm, Black Colleges
3. "HH Factor," 16mm, Hunger
4. "Legacy of Character and Compassion," FSR
5. "Human-Handle with Care," FSR, Human Relations

E. During the summer of 1975, nineteen youth attended the Youth-In-Mission Conference at Lake Junaluska, North Carolina. The Reverend Marvin Ennis was director of this program.

F. A work team of twenty-five persons, under the direction of the Reverend R. L. Hoagland, went to Costa Rica, July 16-28, 1975, as volunteers in mission. They were divided into two teams working in the southern area of the country and also in San Jose.

G. Eighty-three (83) persons took the 1975 Mission Tour to the Rio Grande Conference, April 14-23, visiting the work of the Mexican-American church in the Southwest. The tour was directed by the Reverend James Carpenter with the Reverend Everett Barnes assisting him.

## II. MISSION CULTIVATION—1975

## A. World Advance Specials—1975

1. *Support for Qualified Liberian Church Leaders*—The number one priority of the Conference Board of Missions in the area of world missions is to help support eight (8) Liberian nationals as they assume roles of leadership within the Liberian United Methodist Church. The goal was set at \$30,000 over a five year period, beginning in 1973. As of the last day of February, 1976, \$40,635.40 had been received, which exceeds the goal by \$10,635.40.

2. *Airplane for the Mathisons*—Funds continued to be received for the airplane that was purchased for use in Nigeria by Drs. Jerell and Joyce Mathison. The total cost of the plane was \$40,000 and \$31,979.78 had been received by February 29, 1976. Our goal had been only \$20,000.

## B. National Advance Special—1975

1. *Little Cussetah United Methodist Church*—This church is located in the Oklahoma Indian Missionary Conference and is in desperate need of a new sanctuary and classrooms. Our Conference Board of Missions voted to recommend it as a top priority in national missions and set \$20,000 as the goal. Only \$5,000 has been received.

2. *Rio Grande Conference*—For nine years the Alabama-West Florida Conference has raised annually approximately \$10,000 in Advance Specials to upgrade pastoral salaries among the Spanish speaking ministers. The 1974 goal was \$7,500 and \$8,914.03 was received. The giving to all projects in the Rio Grande Conference totaled \$10,212.98.

3. *Oklahoma Indian Missionary Conference*—A third priority in the area of national missions was added in 1974 and continued in 1975. It was salary support for the pastors in the Oklahoma Indian Missionary Conference, where only three of one-hundred-seventeen churches are self-supporting.

## THE ADVANCE IN 1975

With a total income of \$15,468,323.32 in 1975 the Advance program experienced its best year in its 28 year history. The increase was

29.76% over 1974,  
62.69% over 1973,  
and 84% over 1972.

Each of the three divisions received an increase in General Advance funds. World Division received 1.3% more than in 1974, 22.4% more than 1973, and 30% more than 1972.

National Division was up 16.66% over 1974, 27.78% over 1973, and 25.04% over 1972.

UMCOR has a massive gain largely due to the emphasis on hunger. It gained 114.99% over 1974, 235.88% over 1973, and 506.12% over 1972.

A second section of this year-end report will be sent to you soon. It will indicate that the increase in General Advance funds was across most all of the projects of the three program divisions. The massive concern for hunger did not distract from the continued support in other aspects of mission and relief.

## D. Four Star Churches

These are churches that have paid all of their World Service and Conference Benevolence asking and have participated in all areas of the Advance Program: World, National, UMCOR, and Conference by making at least a five dollar contribution.

1972	103	Four Star Churches
1973	179	Four Star Churches
1974	201	Four Star Churches

## III. MISSION CULTIVATION GOALS FOR 1976

## A. World Advance Special

The Board of Missions wants to continue the "Qualified Liberian Leaders" program for another year and has set a goal of \$10,000. This is because of another conference not completing the goal it had set of \$30,000 to make the total program of \$75,000 complete. You are urged to continue your support.

## B. National Advance

1. *The Little Cussetah United Methodist Church*—The Conference Board of Missions continues to urge that this be the number one priority in the area of National Missions. A goal of \$20,000 was set to help this small congregation in the Oklahoma Indian Missionary Conference to build a desperately needed new church.

2. *Rio Grande Conference*—Goal \$7,500. The Rio Grande Conference in the Southwest has continued to make gains in becoming self-sufficient, but at this time still needs salary support. For over ten years our conference has helped the Spanish speaking pastors in this way and we continue to recommend it to the local church as a National Advance Special.

3. *Oklahoma Indian Missionary Conference*—Goal \$7,500. This goal is for salary support of the native American pastors in the Oklahoma Indian Missionary Conference and will help them in the development of their churches by providing able leadership.

## C. Tour to the Oklahoma Indian Missionary Conference.

A tour is being planned in 1975 to visit the Oklahoma Indian Missionary Conference. The goal is to have 46 persons to visit and come back to the conference to interpret the work.

## D. Four Star Churches

One goal of the Board of Missions for 1976 is to have 250 churches to qualify as a "Four Star Mission Church." The way a church can receive this recognition is to:

1. Pay in full the World Service and Conference Benevolences for their church.

2. Contribute a minimum of \$5.00 to:
  - a. Any World Advance Special
  - b. Any National Advance Special
  - c. The United Methodist Committee on Relief (UMCOR)
  - d. Any Conference Advance Special
3. Carry out a mission education project in the local church.
- E. Missionary Support

Our goal is to have by December 31, 1976, all twelve (12) missionaries from or assigned to the Alabama-West Florida Conference totally underwritten in salary support.

#### F. Cooperative School of Christian Mission

The goal of the 1976 Cooperative School of Christian Mission is to have 150 persons in attendance for both the week-long and the week-end school.

#### G. Youth-in-Mission Conference at Lake Junaluska

#### L. Personnel Available

The Conference Missionary Secretary, Reverend Ervin Dailey (P.O. Box 700, Andalusia, AL 36420) is available for programs to any group in the local church at no charge and can also recommend speakers for special mission events. There is a full range of free materials available in Andalusia to help you interpret the mission work of the church.

### Church Extension

Working through the Conference Board of Missions the conference carries on a program of Church Extension. The purposes of this phase of our program are:

1. To aid new churches in the development of their buildings and programs.
2. To assist small churches in the building and improvement of their church buildings and parsonages.
3. To aid in the development of new mission outreach ministries in the conference.
4. To administer the Alabama-West Florida Conference Loan Fund.

This Conference Loan Fund currently has \$148,555.36 on loan to sixteen (16) churches in the conference. Churches planning to build should contact the Board of Missions regarding the possibility of borrowing funds.

Information on grants from Church Extension is available from the chairman of the Church Extension of the Board of Missions, Reverend Douglas Newton,

P.O. Box 278, Niceville, FL 32478. All requests should be reviewed by the district superintendent.

### "Ten Dollar Club"

The Board of Missions has a Ten Dollar Club for Church Extension in our conference as a Conference Advance Special. The purpose of the Ten Dollar Club is to fill the need in our growing annual conference for an expanding program of Church Extension which will assist and encourage those churches that are in need of and deserving of assistance in a building and expansion program.

The Ten Dollar Club for Church Extension has been organized within this conference on the basis that interested persons may volunteer to give \$10.00 in support of a building and expansion program which has been approved by the Committee on Church Extension. No member of this club shall be called upon more than twice within any conference year.

The gifts will be made to the local church treasurer of the church to which the member belongs or the local church of his or her choosing and remitted to the conference treasurer by the local church treasurer. The local church which remits the gift will then be given credit for a Conference Advance Special gift.

The Ten Dollar Club is organized and funds are administered by the Committee on Church Extension with the cooperation and aid of the District Secretary of Missions of each district, the district superintendents and the Conference Missionary Secretary. We also solicit the interest and assistance of each member of this annual conference in this meaningful and worthy cooperative endeavor.

### Aid to Action Ministries

The "Aid to Action Ministries" program of the Conference Board of Missions seeks to help plan and finance innovative programs both in the urban and the rural setting. The programs are "service" and "action" centered in the sense that they focus on persons and seek to meet emerging needs. They are developmental in the sense that they seek to enable persons and programs to develop and to become indigenous. Some service programs will need continued support because of the nature of the situation and the nature of the persons served. However, others are supported on a short term "phase-out" basis, looking to full self support within a maximum of four years. The projects now being supported are:

1. Mobile Inner City—The Reverend Fred Toland celebrates his tenth year in the Mobile Inner City program that includes a day care center, transportation program for senior citizens, homemaking program, recreational and other community centered activities. They have taken approximately \$30,000 and have been able to provide service to their mission area in the amount of \$200,000.00.

2. Pensacola Specialized Ministries—This ministry, under the direction of the Reverend Donald Jay, serves primarily the inner city of Pensacola, yet is not limited to that area. When the refugees from Viet Nam were located at Eglin Air Force Base, Reverend Jay was on the scene representing The United Methodist Church in helping to locate homes for these people. Ongoing ministries in-

clude: Day at seashore for under-privileged children; community food closet; counseling in job rehabilitation; 2 day care centers; home teaching program; Christmas Clearance Bureau. These are just a few of the programs of this ministry.

3. Noah's Ark—Panama City Beach is a family resort area where approximately two million tourists visit annually during the summer months of June, July and August. In the winter 7,000 northern visitors, mostly Canadians, visit the area. The Church ministers to both groups. In the summer some 30,000 attend the programs presented by the "Two by Twos" and 30 church choirs and musical groups. Some 75,000 contacts were made. In the winter the "Snowbird" program to 500 senior winter visitors through the Snowbird Club is most successful. The Reverend Jim Raines is the Director of Noah's Ark.

4. Geiger Circuit—This ministry is to an area located in Sumter and Green Counties in Alabama which ranks among the lowest per capita income in the United States. The Reverend Earl Portis, pastor of the charge, has been helping to improve the existing church structures. Now giving full time to the appointment he is expecting a greater response from the community. Already there is a great increase in participation and finances in the charge.

5. St. Paul: Evergreen—This charge is served by the Reverend Horatio J. Matthews who has led the St. Paul Church in becoming a Four Star Church and being involved in a food program for the community. Reverend Matthews has retired from his secular job and is now giving full time to the church.

6. South Choctaw Larger Parish—The Reverend Bill Haas is the Director of the South Choctaw Larger Parish. This parish, located in south Choctaw County of the Demopolis District, includes three charges. They have been working to develop stronger local church ministries, and have begun a newsletter. The Christmas special was a highlight of 1975. Training events, rallies, and suppers have all played a part in helping these churches to fulfill their purpose in ministry.

7. North Choctaw Larger Parish—Located in the northern part of Choctaw County, this parish consist of two charges under the direction of the Reverend Harold Lee. They hired a youth director for a summer program to the youth, have bought equipment for the parish, held training events for teachers, had missionaries to speak, suppers and a long list of other activities in a ministry of the small membership church.

8. Conecuh County Larger Parish—The purpose of this project is to develop a Larger Parish Ministry among the United Methodist churches located in Conecuh County. This ministry enables these cooperating churches to have programs that help them fulfill the mission of the Church. Training programs for the laity, lay speakers, newsletters, fellowship supper and rallies are just some of the activities in the parish. The Reverend Marcus Chandler is the director.

## COMMISSION ON TOWN AND COUNTRY WORK

Our program for the year 1975-76 has been the continuation of and the implementation of programs of the past as well as the inception of new ministries with plans for others to follow. The work of the commission members has been a very thrilling and dedicated response and each one is to be commended for their efforts.

Our work for 1975 began with our workshop at Blue Lake for beginning or new ministers in the Alabama-West Florida Conference. This was a very fine workshop with both the faculty, under the leadership of the Reverend Mr. Dewey Fleming, and the participants in the workshop giving good response. We felt there should be improvements made in the school for this year in that the "Workbook for Beginning Ministers" be used more as a textbook; as well as offering better services for ministers with families so that attendance at the workshop would not be impeded. Plans have been made for the workshop this year beginning on Monday, June 28, at 11:00 A.M. and continuing through noon on Wednesday, June 30, to be held at Oakwood Lodge, Blue Lake. Our district superintendents are urged to use this training event for any in their district they feel would benefit from it. We are very appreciative of the Reverend Mr. Art Luckie assuming the responsibility of the "Director" of this workshop.

A concern and interest in the small, rural or town church has certainly consumed a lot of our interest. In an effort not only to give direction but likewise assistance a committee under the direction of Mr. J. B. Page of Smith, Alabama, a very active member of our commission, was established to investigate needs and opportunities to assist churches in this category through the remodeling or repair of their church. Wherein this might present a need for outside assistance, the commission has assumed the responsibility of conveying this to members of our annual conference as work projects. This effort would be done in conjunction with the Board of Missions of our annual conference. Already investigations have been made and projects to be assisted have been decided upon. Communications will be sent to our churches across our conference through conference council publications as well as *The Methodist Christian Advocate*. We request the members of our conference make this a matter of interest and response for we feel this is a valuable means of being in mission with and among those of our conference.

Recognizing a need for and having received requests for assistance in areas of training as well as implementing programs and ministries within the church, our commission has plans for a Conference on Leadership for Town and Country Churches at Oakwood Lodge, Blue Lake, October 15 and 16. People have been contacted to give leadership for this conference and attendance at the conference has been distributed among the districts of our conference. District superintendents will have the privilege of naming churches from which teams might attend this conference. We believe and feel this will give some very valuable guidance for churches which are in this category, and we urge our ministers of town and country churches to present this to their churches as well as asking their district superintendents for the opportunity of bringing a team to this conference. We are indeed indebted to the committee, chaired by Curtis Ford, members of the committee from the Commission on Town and Country Work, director of the conference staff, Everett Barnes, and personnel from the conference staff for their splendid planning and leadership.

We are happy to note the continued ministry of our larger parish and cooperative ministries and urge our conference to continue its interest in these valuable forms of ministry.

Coming to the close of eight years as the chairman of what began as the Committee on Town and Country and Urban Work and evolving to the point of a Commission on Town and Country Work, I am indeed indebted to the conference for the privilege of having had this marvelous relationship and experience. I am deeply indebted to those who have formed one of the most active and most dedicated commissions within our conference for their faithfulness, service, and interest in the work committed to us.

Oliver Scott, Chairman

## BOARD OF ECUMENICAL AND INTERRELIGIOUS CONCERNS

The Ecumenical Celebration centering around the Christian Eucharist and the Jewish Passover which we had hoped to present at this conference session has been postponed, due to this year being the year of the Bicentennial Celebration and the loss by transfer of two key people working with us on it.

We have made very encouraging progress with our Baldwin County Ecumenical Committee for Migrant and Community Concerns. We continue our close working relationship with Catholic Social Services of the Mobile Diocese and recommend that this be continued as a conference project.

We continue with our groundwork but have not been able to make a great deal of progress toward ecumenical dialogue or the development of a conference-wide information network of key people from various religious bodies in our area. We hope these projects will be considered by the new board, and we have prepared some specific suggestions to hand over to this board as it organizes for its work.

James Zellner, Chairman

### COMMISSION ON WORSHIP

The Commission on Worship over the past several months has been concerned with the process of solidifying the interests and concerns of the area of worship in the Alabama-West Florida Conference. During this year the commission as a whole has met on five occasions; namely, November 8, 1975; January 13, 1976; January 28, 1976; March 30, 1976; and April 26, 1976. On each occasion there has been increased participation and greater enthusiasm on the part of the membership. We are very grateful for this renewed enthusiasm.

During the year members of the commission have expressed their concern for greater resources, workshops, and other available means through which the medium of worship may be improved in the local church.

A resource, "The Church Year Calendar and Lectionary," was printed in cooperation with the Committee on Worship of the North Georgia Conference. Two copies of this printing went to every minister. It has been enthusiastically received and requests for additional copies exhausted our supply very early.

The commission is making available nine half-scholarships for the Fellowship of United Methodist Musicians Music Worship which will be held the week of August 16-20, 1976, at Camp Sumatanga.

An Alabama-West Florida Conference Youth Music Workshop will be held on November 12-13, 1976, at Huntingdon College. The resource person for this workshop is Merlin Johnson of Vestavia United Methodist Church in Birmingham, Alabama.

Huntingdon College will be the scene of a training and goal setting meeting scheduled for June 25-26, 1976, for the commission members elected by this session of the annual conference and the district staff persons on worship.

Our commission has prepared a packet of bicentennial worship resources which is available for each charge. This packet includes a "Liturgy for the 4th of July" along with other suggestions and helps. Each church is encouraged to have a bicentennial worship service.

It is the hope of the Commission on Worship that no person in the Alabama-West Florida Conference, whether lay member or clerical member, if properly motivated in terms of gaining insight into the dynamics of worship shall be denied resources. Our commission stands ready to respond both to the specific needs of the local church and the more generalized needs of the conference at large. With your help and support worship can be more meaningful in the future than it has ever been in the past.

Respectfully submitted,  
Albert R. Hunt, Jr., Chairman

### COMMITTEE ON ENLISTMENT

The Convocation on Christian Vocation, sponsored by the Committee on Enlistment at Huntingdon College, February 21, 1976, was highly successful. 128 persons participated. Six major areas of church-related vocations were presented which included Missions, Social Service Careers, Counseling, Christian Education and Music, Pastoral Ministry, and a miscellaneous category—Other Areas of Christian Vocation.

The keynote address was presented by Dr. Kennon Callahan from Emory University. The day concluded with an inspiring and challenging sermon by Bishop Carl J. Sanders.

A similar type of program, a Consultation on Christian Vocation, is being planned for February or March, 1977. This program will be designed to give more specific, personalized help in the major categories of vocational interest.

The Committee on Enlistment will make its services available to the senior high camps and assemblies this Summer. We will be prepared to administer *Vocational Interest Tests* and present other printed resources to aid youth in their vocational choices.

We plan to equip our District Secretaries of Enlistment to go into the local churches of their districts to work with the local church Secretaries of Enlistment and the pastors in presenting Christian vocations as a live option to young people and their parents.

The committee is considering the possibility of setting up a Vocational Intern Program. Several other annual conferences now have such programs in operation. This program calls for employing selected, qualified, college students who have completed one year of college and who are giving serious consideration to entering a church-related vocation in the United Methodist Church, in nine or ten weeks of in-service training as a Pastor, Director of Christian Education, Social Worker, Inner City Worker, Hospital or Institutional Chaplain, Etc.

Churches, or institutions which would like to train a young person in a church-related vocation would include them on their staff and guide their activities through a summer. The intern's earnings, (an agreed amount) would be paid directly to the intern to be applied on college and university expenses. This would not be considered just another opportunity for a summer job, but a first hand experience which would better equip a young person to make a career choice.

If enough interest and need for a Vocational Intern Program is indicated the committee will seek the aid and co-operation of other interested groups in designing and implementing such a program.

## JOINT COMMITTEE ON COMMUNICATIONS

Within the fiscal year 1975 the Joint Committee on Communications has experienced continued progress in the understanding of its task and the planning of its work in relation to the church and public media of the area.

An automobile accident in March made it impossible for the director to travel over the area for a period of approximately five months. During this time the chairman of the joint committee, the Rev. Robert F. Storey, also chairman of the North Alabama Conference Committee on Communications, the Rev. J. Edward Chandler, chairman of the Alabama-West Florida Conference Committee on Communications, the district directors of communications and Mrs. Jeanne Glasgow, our efficient secretary-treasurer, carried on the work of the area office in a very acceptable manner. They have the sincere gratitude of your director and, I am sure, all our leaders and constituency throughout the area.

Though prohibited from travelling, your director maintained close contact with area leaders and media persons and continued to initiate communications projects.

Some recognizable signs of the progress made are—the establishment and effective function of the Area Joint Committee on Communications as a working body; an increased recognition on the part of the council on ministries staff, the district superintendents and other area and conference leaders of the basic relationship of communications to the total program of the church, and more obvious cooperation on the part of our leaders in the program of communications.

The program for 1975 opened with a series of communications workshops for pastors, church secretaries and editors of church bulletins and/or newsletters—four in each annual conference. Leadership for these workshops was provided by professors from the Hall School of Journalism, Troy State University and the School of Communication—Journalism, University of Alabama. Approximately 350 persons shared in those workshops. The agenda included—what is communication, the importance of good communication, what is news, how to write

news and feature stories, creating good relations with media people, importance of good church public relations, and how to create and maintain an effective program of communications in the local church, district, annual conference and area.

In September 1975 Dr. Thomas Nankervis, Consultant, Communications Education, Nashville, Tennessee, met with an area task force to design a communications workshop for each annual conference to be held in early 1976. These workshops were held at Blue Lake Camp, January 23-24, and at Camp Sumatanga, February 6-7. They involved district superintendents and district directors of communications, members of the conference Committee on Communications, delegates to the 1976 General Conference and representatives of the public media. Dr. Thomas Nankervis and Mr. Thomas S. McAnally, Director, Regional Communications Office, Nashville, served as resource leaders. The agenda provided training for all persons involved with communications and designed a system for communicating to our Methodist constituency something about the issues with which the General Conference will be dealing and the actions taken relative to them, along with program emphases and budget askings for the ensuing quadrennium.

Our television ministry through the Bishop's Hour has been well received through the 1975-76 season. We are continually grateful for our good working relationship with the staff of WAPI-TV, Birmingham, and with the other seven stations in four states which carry the program each month, September through May. We are likewise grateful to the excellent local church choirs, and the college concert groups which have given so much to the production of these monthly telecasts. Responses received by Bishop Sanders, the area office and the stations indicate both a wide viewing and a good reception of the program.

The circulation of our monthly newsletter, a summary of United Methodist news, has more than doubled during this year. In addition to this effort to keep our people informed, we have begun to forward to the chairpersons of conference boards, commissions and committees the general church news releases pertaining to their respective areas of responsibility and service.

All our work is designed to be supportive of the total program of the church and to assist our leaders to communicate to the church and the public the message of the gospel for our day.

Respectfully Submitted,  
Robert F. Storey, Chairman  
Welton Gregory, Director

## THE METHODIST CHRISTIAN ADVOCATE

*The Methodist Christian Advocate* will be at a time of new beginning when the Alabama-West Florida Conference assembles in its annual session May 30 and when the North Alabama Conference convenes for its 1976 session on June 6. The *Advocate* will then be beginning its 96th year of publishing.

The first issue of the *Advocate* came from the press on May 25, 1881, following the establishing of the publication by the two annual conferences in their sessions of 1880. For 95 years now the *Advocate* has been rendering its ministry of the printed word for the two conferences. The *Advocate* rejoices in all of these years of service and in the opportunities of communicating to churches and members the word of the gospel and the message of United Methodism. The *Advocate* is also grateful for the fine interest and cooperation of leadership, membership, churches, boards and agencies of the two conferences in the *Advocate's* endeavors to fulfill its mission.

The *Advocate's* strong hope as we come to the current sessions of the Alabama-West Florida Conference and the North Alabama Conference is that we all are at a point of new beginning in interest, endeavor and commitment in the role and program of the *Advocate*.

We are now at a time when the *Advocate* is more important to United Methodists in Alabama and West Florida than it has been in a considerable while. More than ever, since 1975 (July), the *Advocate* is essential to the membership of the Birmingham Area churches. This is because there is not now, and there is not likely to be soon, a regional or national news organ published by The United Methodist Church. The former national publication, *United Methodists*

Today, went out of existence last summer. The report of the Joint Commission on Communications of the United Methodist Church to the forthcoming General Conference does not recommend the re-establishment of a national newspaper for our denomination. The *Advocate* therefore is in a new and even more urgent sense your source for the news of your church. A leader in one of our annual conferences said spontaneously in an informal conversation a little while ago: "I had as soon depend on the *Advocate* as any other news instrument in The United Methodist Church to keep me informed." That statement, already highly valued by the *Advocate*, is now even more significant.

We should be at a point of new beginning in interest and awareness of the *Advocate* because of the paper's services. The 48 issues per year of the *Advocate* bring:

- News of events in local churches, districts, the two conferences;
- News of United Methodism at large, including General Conference, Jurisdictional Conferences, actions of general and jurisdictional boards and agencies;
- News of the program of work in each of the annual conferences—councils on ministries, boards, commissions, committees, colleges, homes, hospitals and other institutions;
- Message from our episcopal leader, Bishop Carl J. Sanders;
- Commentary on the International Lesson Series;
- United Methodist Women events;
- Articles of inspiration;
- Editorials seeking to stimulate application of the gospel to issues of the day and in personal Christian living;
- Many special features.

The *Advocate* and the two annual conferences are fortunate in the personnel of the Board of Trustees of the *Advocate* and in the devotion of these members to their responsibilities. Their intensified work and study, their knowledge and skill have resulted in many improvements in the publication in recent years. The members are constantly seeking to make the paper more attractive in style and format and more substantial in material, and we are confident we have a newspaper which is worthy and in position to render vital help to churches and individual subscribers.

WE URGE ALL CHURCHES now to become better acquainted with *The Methodist Christian Advocate* as it now is, to make the publication better known to their memberships, and to secure and send subscriptions to the *Advocate*. To this end:

We ask the Alabama-West Florida Conference and the North Alabama Conference in their respective 1976 sessions to designate *September and October 1976* as ADVOCATE SUBSCRIPTION MONTHS and to request each charge in each of the annual conferences to appoint a special committee to conduct a subscription campaign in its membership; and that every local church be requested to set as a goal having at least its Administrative Board as subscribers to the publication. One local church official said in renewing subscriptions: "We need the *Advocate* to know what's going on in the church." All United Methodists need their church newspaper, and for church officials the *Advocate* is a necessity for their being best prepared for their tasks.

To aid each local church in the conducting of this campaign the *Advocate* will supply subscription envelopes, brochures, and other promotional materials, placing these with each pastor and district superintendent by September 1.

We ask that each district superintendent stress the campaign at the charge conferences this fall and that district lay leaders and district councils on ministries emphasize the campaign at their meetings in September and October.

We also hope that we are at a time of new beginning in sending news for presentation in the *Advocate* columns. The participation of churches and districts in submitting articles and news stories to the *Advocate* is constantly pleasing. But we are eager to have every church and every district telling their respective stories through the *Advocate*. We urge every local church to appoint a reporter to send articles from time to time to the *Advocate*.

The *Advocate* has a set of guidelines to serve in aiding in the reporting of stories and articles for the publication. These are printed occasionally in the *Advocate* and are available on request at any time.

The *Advocate* is grateful for the splendid cooperation of United Methodist Communications of the Birmingham Area and the district directors of communications of the Alabama-West Florida Conference and the North Alabama Conference in their work of "getting the word around" throughout the area.

The *Advocate* invites and welcomes suggestions to help its services increasingly meet the interests and needs of readers, churches, agencies. Each year we receive fine ideas from readers, and if you have a thought in this regard, we hope you will share it with us.

Our thanks to all for cooperation and interest in the *Advocate*. On to the time of these new beginnings!

Thomas F. Stevenson, Chairman  
Board of Trustees

### BI-CONFERENCE ADVISORY COMMITTEE

The Bi-Conference Advisory Committee has stood by to be of help in supervision of the continuing implementation of the Plan of Merger. We have completed the task assigned to us originally and now bring to consummation the life of the committee.

We express appreciation to the persons in both conferences who have given such splendid leadership in the accomplishment of merger to date. We recognize that much needs to be done in carrying forth the intent of our previous actions. The conferences have acted in good faith and many splendid achievements have been made. We must be careful to enable all groups to move forward in developing ministry and in growth in numbers as well as in influence and strength.

It is the understanding of the committee that we will cease to be an organized part of the two conferences unless action is taken to reinstate us. We would further understand that other groups now active in each of the annual conferences will continue to supervise the implementation of the plan of merger.

We express our deepest gratitude to Bishop Carl Sanders for his aggressive leadership in enabling all persons to serve to the best of their abilities without regard to race, and his unequivocal cooperation with this committee.

May God continue to lead us forward as we seek to serve Him above all else.

Respectfully submitted,  
Paul A. Duffey, Chairman

### HUNTINGDON COLLEGE SCHOLARSHIP CAMPAIGN

Dear Friends:

Huntingdon College is grateful to you for your successful promotion of the Scholarship Campaign. We want to give you an account of our stewardship.

The goal was \$1,250,000, and we have pledged \$1,500,000.

After a decline in enrollment for ten years, there is now an overall increase of twenty-two percent in the student body, and seventy percent increase in new students.

There is the realization of two very significant things: first, when the churches of the Alabama-West Florida Conference know of the need and special place of Huntingdon College, they will support it financially. Secondly, when our fine Christian youth are offered financial assistance to help make up the difference in the cost of a church college and a state school, more of them will attend their church college.

We do appeal to every church to give at least \$2.00 per member for the operational costs of Huntingdon College, and we trust that all individuals and churches will continue to help with scholarships when the campaign ends. With this type of support, there is a bright and permanent future for Huntingdon.

On other sheets, we have given you a detailed financial report by districts and churches.

Again, we request your cooperation and help in correcting any inaccurate report of your church, and we sincerely urge your continued love, concern, and support of your college with its 122 years of illustrious history.

## The Reverend James Ralph Bullington

The Rev. James Ralph Bullington was born in Geneva County, Alabama May 31, 1901 and died at Southeast General Hospital in Dothan, Alabama, November 22, 1975.

Brother Ralph began his ministry late in life. He was sent to Wausau in 1944 as his first appointment. Family obligations forced him to return home after only one year. Relieved of these responsibilities after 7 years, he was appointed to Wausau again in 1952, where he was much loved. Later he served Cottondale, Ponce de Leon, Black, Opp Memorial, Midland City, Dothan Circuit, Pleasant Ridge, Arton and Seale. He retired in 1971 and served Mt. Carmel in 1972-73 as a retired supply.

During his pastorate in Midland City in 1963, the Lord blessed him with a wonderful wife and helpmate from that congregation, Melonae Marshall, to share his ministry and love and who constantly and lovingly ministered to his needs which were multiplied in the last months of his life.

The funeral service was held at the Midland City United Methodist Church on November 24 with The Reverends Thomas L. Butts, Dothan District Superintendent, Timothy Trent, pastor of the Midland City United Methodist Church and Malcolm L. Roberts, pastor of the Headland

United Methodist Church, officiating.

In this funeral it was easy to point out that this was truly a man of God whose life is still one of the best proofs that Jesus is who he claims to be and does what he promised to do.

Brother Ralph was a preacher! His message was from the Bible, and brought salvation, light, comfort, and an enrichment to those who heard and heeded.

He was a pastor! He visited his people in their homes, in hospitals and wherever he was needed to bring encouragement, reassurance and love.

He was a friend! This was not only to his church family, but to all his neigh-

bors, including the non-Christians and other denominations. He was loved and respected deeply as a friend and fellow minister by the Brotherhood of Methodist Ministers in our Conference, especially those of us who were fortunate enough to know him as we were starting our ministry. He not only encouraged us, he let us preach in his churches.

Brother Ralph left a life to be exemplified and went to a heaven to be sought. Words heard at the funeral say it well.

"We shall miss him  
but  
We shall meet him."

### Rev. Dawsey M. Spivey

The Reverend Dawsey M. Spivey was born April 27, 1905, in Geneva County and died on December 8, 1975, in Dale County, Alabama at the age of 70. The funeral service was held at Asbury United Methodist Church in Dale County, Alabama, with burial at Lime Springs Cemetery near Samson, Alabama, with the Reverend T. L. Butts, Jr., District Superintendent of the Dothan District, and Reverend Reynolds Ellisor officiating.

On April 20, 1923, Reverend Spivey married Mary Lee Simmons, a devoted wife for 52 years. For 34 years they served together in the ministry of our Lord and his church. They have two surviving sons, Millard C. Spivey of Skipperville, Alabama, and Rudolph Spivey of Chancellor, Alabama. There are five grandchildren and two great-grandchildren.

Rev. Spivey entered the ministry of the Methodist Church in 1939. In 1941 he was granted a license to preach and was ordained an elder in 1953. He served as pastor of the following charges: Freeport; Pike County Circuit; Vernon; Westside, Geneva; Daleville; Baker; Pace; Skipperville; New Bethel, Crestview; Echo; Pleasant Hill, Ozark; Coffee Springs, Slocomb Circuit. He retired in 1969 and since that time has served Rose Hill, Hacoda, Asbury, and Magnolia. In the 34 years

of his ministry he served a total of 48 churches.

In addition to his ministry to these churches, Bro. Spivey founded the Spivey Camp Meeting, Samson, Alabama, which was organized in 1948. The camp meeting was developed in memory of the Rev. Beverly Spivey and other pioneer ministers of the Geneva County area.

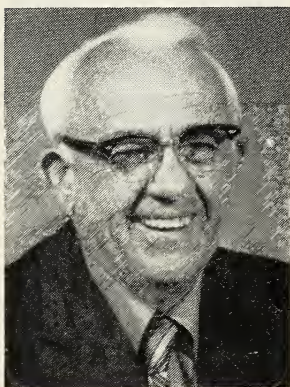

Bro. Spivey was loved and respected as a minister of the Ala.-W. Fla. Conference of the Methodist Church and his contribution to the ministry of Christ's church has influenced many people. He will always be remembered for his love for the church, his concern for his fellow man, his big smile and warm sense of humor, and his unfailing commitment to God's Word.

### Marvin Lee Heaton

Marvin Lee Heaton was born in Greenville, S.C., the son of Porter Heaton and his wife, Maggie Bell Clardy Heaton, on February 14, 1907. His death occurred on January 23, 1976, and he was buried at the Welcome Church Cemetery, this being the Church he had joined in early life.

Marvin joined the Church under the ministry of A. O. Spivey in 1931. He felt the call to preach and was Licensed in 1937 by the Rose Hill Quarterly Conference with Rev. L. A. Thornburg as the Presiding Elder. His own words are recorded as follows: "I was converted at the age of 12; reared under a strict Christian home influence; associated with the Church all my life. I have never doubted my call to the Ministry. I have definitely felt called of God to Preach. I have dedicated my all to His work."

For many years, Marvin served as a Part Time Lay Pastor. He served in this capacity from 1939 until 1958 when he was Admitted On Trial into This Conference. During the years as a Part Time Lay Pastor, he served the Georgiana Circuit, Bolling Circuit, Sandy Ridge, and the Government St. Church in Greenville. His other appointments were Carrville and Asbury (Montgomery) which were both organized under his ministry. He also served Elmore, Coden, Calvert-McIntosh, Lynn Haven, Midway, and Satsuma. Here he was forced to take Disability leave, and then was Retired in 1972.

Whatever Marvin did, he did well. During the time he was a Part Time Pastor, he ran for the office of Circuit Clerk in Butler County. He received more votes with two opponents than some others with no opposition. Later, he sold Woodman's Life Insurance and was one of the top salesmen for the nation. The evidence of his good work as a Minister is in the two Churches he organized during his ministry, and the many people he received into the Church at the other appointments he served.

He was married to Bernice Dean on November 17, 1927. He is survived by his wife and three sons, Glenn, Paul, and Charles.

Lloyd H. Kimbrough, Conference Secretary

### The Reverend Ralph Franklin Armstrong

"Come unto me, all ye that labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. For my yoke is easy and my burden is light."

—Matthew 11:28-30

"For I have not shunned to declare unto you all the counsel of God."

—Acts 20:27

Most of us in "Life's Academy" are just one of the troops. A very stand out at one time or another. Fewer still are one-star people. Once in several lifetimes a four-star person appears. Such a man was Ralph Armstrong to me. He excelled in many things.

He was a farm boy and thus knew hard work. He never lost the touch of being one of the people. He kept the warm, outgoing, generous human qualities of the common man. He felt the pulse of the everyday working people who are the strength of any town or community.

All the traits and virtues of the small-town older generation were embodied in this man. Ralph was not just a "country boy." He was a gifted musician and an avid sports enthusiast. By no means was he a pale-faced weakling. Rather, he was resourceful and a brave soldier, having served in World War II for several years.

With all his diversified gifts and qualities he still remained one of the most deeply religious men I have known. His insights into the ways of God and man were most unusual.

A magnetic quality which he possessed, combined with dash and charm, inspired devotion among his followers. Unsurpassed was his sense of justice for friend and foe alike. He was indeed a possessor of the intuitive sense of what to do to help others.

Yet with all of this, life was not an easy road for Ralph to walk—with one crisis following another. There was no escalator carrying him to the top. But through all these struggles Ralph showed qualities of real greatness. The manner in which he met each crisis shows the marks of a true Christian. He truly showed, as did Solomon of Old, that "a good name is rather to be chosen than great riches and loving favor rather than silver and gold." (Proverbs 22:1)

Ralph was born in Geneva County on February 10, 1913. He attended Southeast Junior College 1961-63. He was ordained a Deacon in 1963 and an Elder in 1965. In 1971 he was admitted in full connection into The Methodist Church. During his ministry he served the Hartford Circuit, Echo, Coden-Zirlott Road, and Sardis-Providence.

A heart attack claimed his life on April 29, 1976, in the Wiregrass hospital. The funeral service was conducted by The Reverend George Scarborough and The Reverend James Lolly from the Sardis United Methodist Church, with interment at the church cemetery.

Ralph is survived by his wife, Margie Virginia Lee Armstrong, two daughters, four sons, and four grandchildren.

His life is thus a beacon summoning us to "press toward the mark of high calling of God in Christ Jesus." (Philippians 3:14).

In loving memory,  
George T. Scarborough

After a ministry together for forty years, Mr. and Mrs. Moore in 1955 retired to Ft. Deposit, where they lived in the William and Julia Wild superannuate home. After Mr. Moore died in 1956, Mrs. Moore continued to make her home there until declining health caused her to move to Tennessee.

Her funeral service in Dayton was conducted by her son-in-law, Dr. Theodore C. Mercer, president of Bryan College, and the Rev. Harold Buck, pastor of the First United Methodist Church. In Ft. Deposit, the service was held by Dr. Mercer and the Rev. John Wesley, pastor of the Ft. Deposit United Methodist Church. Mrs. Moore lived an active Christian life for sixty years. She was known for her devotion to her Lord and to a life of prayer and study of the Scriptures. Her life can be characterized in the words of the writer of Hebrews, for she "endured, as seeing Him who is invisible."

## MURAL BACKDROP

Editor's Note—The following description of the mural backdrop painted for the annual conference session, though not an official report, resolution or petition, is included in this *Journal* as a tribute to the artist and in gratitude.

The subject of the mural is Methodism. The theme is "In Unbroken Line."

The first panel to the left and at the bottom contains the sign for the beginning, the Greek letter Alpha. With it are characters from the Old Testament—Adam, Eve, Moses and David. They are a type of foundation for the scene above which is Christ crucified. Both panels are in purple or violet as a sign of mystery. The bottom panel represents men and women of this creation and the prophets and kings who were anointed or called by God to speak to or to rule his people until the coming of his Son. The crucified Christ figure represents the total sacrifice of a man and a reaching into human history by God to reveal himself fully, a teacher, sacrificing himself that all may be redeemed.

The second section includes at the base of the panels figures of the early days of Christianity. Stephen, the first martyr, is at the bottom looking up to heaven. Above him are other martyrs. The two primary figures represent Peter and Paul. To their right is Jesus' mother, Mary. The symbolism is of those who suffered in the early days that the church of Christ might continue as his body on earth. The symbolic color is red for martyrdom. The panel above represents the days of Christendom when the church maintained the knowledge of the Lord within monasteries and abbeys and held safe the scriptures and knowledge of the church while non-christian nations were being drawn into the refining fire of Christ. The color is rose-violet, representing sacrifice and joy.

The third and middle section of the mural represents the beginning of Methodism. At the bottom some of the women responsible for the nurture and education of the men who led a reforming people into a closer experience with the Savior as depicted. To the left is Susannah Wesley, pretty, motherly, and full of concern that her children might learn the ways of God. To the right is Lady Huntingdon, representing all the many ladies who throughout the history of Meth-

odism have supported those whom God has called to do his work. Above her is Elizabeth Asbury, a type of Methodist matriarch. Beside her is a figure representing all women who say an unreserved Yes to God. In the mind of the artist she represents Christ's mother.

At the top of the third section is the leading figure of the Methodist Church, John Wesley. To the left he is shown as a small boy trapped in a burning building. The flames represent a kind of prefiguration of the fire which was to burn later in his soul and which would light the flame of Methodism. To the right he is shown as a man kindled with the fire of God, inspired by the Holy Spirit. Radiating from his breast are rays of light representing his experience of the warmed heart.

The fourth panel continues the story of the Methodist. At the bottom is the circuit rider or itinerate preacher, the messenger of God who brought the news of God's mercy to the rural areas of America. Often burning himself out in an early death, he too represents a martyr for Christ. Behind him are scant impressions of peoples longing for him to stay but to whom he must bid farewell as he must be about his Master's business. The section above continues the story of the Methodist with Charles Wesley who created the magnificent hymns which have been the special religious heritage of Methodists, Baptists, and others since their creation—music prayers which would well up in moments of spiritual need with the exact words needed for a prayer of the spirit. Below Charles Wesley is Thomas Coke, representing the burning desire of Methodists for knowledge and education. He is placed lower than the great men of the Spirit, lower than simple faith, lower than love of God, but he is drawn large in significance.

The last panel represents today and the future. At the bottom are two leading teachers of Huntingdon College. The women, Louise Panigot, representing the steadfastness of dedication characteristic of Methodist women throughout history. The man, Dick Johns, represents the new spirit, the fire of today, which is spreading its light and heat to kindle anew the creative impulse, that divine gift of God to men. Above are two Huntingdon students. Rob Holloway represents the new ministry and Rose McCall the new generation of leaders of our region. Above is a panel symbolic of the future. The meaning of the panel is one of mystery. Alive with energy, depicted by the electric blue color, it contains also the color of hope, green, spilling into it from today. The omega point is shown in lower case rather than the usual capital form. This signifies some of the lack of consideration which we have had recently toward our ultimate goal. Behind the lower case Omega is drawn one as a capital letter. Faintly and scarcely discernible it is there as surely as the One it represents.

The above is a personal meditation by the artist, Mae Belle Gay, on the story of the Methodists.

Yours for Christian Community  
Mae Belle Gay

#### RECOMMENDED STANDARDS FOR LOCATING, BUILDING, FURNISHING AND MAINTAINING PARSONAGES IN THE ALABAMA-WEST FLORIDA CONFERENCE

The parsonage has long been considered an integral part of the religious establishment in the community. This, a suitable home for the minister and his family is an asset of very real value to the church and its work. If the minister and his family are comfortable and conveniently housed, his efficiency and emotional comfort are greatly enhanced. He should be relieved of the trying and expensive task of either acquiring or discarding certain furnishings and equipment each time he moves. The minister who most often experiences this is the minister who can least afford it.

An adequate, attractive and comfortable parsonage home for the minister and his average size family should be the goal of every pastoral charge of our Conference. Its standards and appointments should be at least those of the community in which it is located. It is the responsibility of the pastoral charge to provide such a home. Our Conference has long felt it is the privilege and responsibility of the pastoral charge to provide the basic furnishings and equipment for every parsonage. In addition to the standards for acquiring, building and maintaining a parsonage as set forth in The Book of Discipline of The

United Methodist Church, the following standards are recommended as goals to be worked toward in building, furnishing, equipping, improving and maintaining a parsonage within the bounds of the Alabama-West Florida Conference. Upon adoption by the annual session of the Conference these standards shall become the policy of the Conference and shall be included annually in the summer mailing of the Council on Ministries of the Conference program sent to each pastoral charge. In each mailing there shall be a separate copy for each of the following: the chairperson of the Parsonage Committee, the chairperson for the Board of Trustees, and the chairperson of the Administrative Board.

### Responsibility

1. The pastoral charge shall provide an adequate, comfortable, and attractive residence for the minister and his family and maintain the proper upkeep and furnishings and equipment of the same.

2. The parsonage property shall conform to all the rules and regulations as set forth in The Book of Discipline of the United Methodist Church.

3. The parsonage is owned and maintained by the pastoral charge. However, the acquiring of a new parsonage, either by purchase or building, must be approved by the District Board of Church Location and Building.

4. The pastoral charge Board of Trustee/Parsonage Committee shall inspect the grounds, building, furnishings, and equipment annually to ascertain needed maintenance, repairs and/or replacement or improvement and up-dating. The minister and his wife should be included as part of the inspection team. A report will be made annually to the Charge Conference and to the congregation concerning the needs of the parsonage.

5. Both the Board of Trustees/The Parsonage Committee and the parsonage family should be furnished with a complete and up-to-date list of furnishings and equipment.

6. The parsonage family should have the following information:

- A. Instructions for operation of:
- B. Location of vital switches and valves:
- C. Whom to call in case of:
- D. Where to find:
- E. How to fix:

7. The deposit for all public utilities (electricity, water, gas, telephone, TV cable service, etc.; is the responsibility of the pastoral charge Board of Trustees/Parsonage Committee and should be paid for from the Parsonage Fund. When there is a change in ministers these utilities should not be disconnected. However, the utility companies should be requested to read all meters to avoid confusion in an orderly change of ministers.

### LOCATION

1. In acquiring or building a new parsonage or in the event extensive renovation is being considered, ask: (A) Will the location be conducive to good living on the part of the parsonage family?, B) Is the location convenient to shopping/schools?

2. Where possible, the parsonage should be located within walking distance of the church.

3. It is generally felt that the parsonage should not be located next door to the church. When such is the case, there is often a tendency for the church membership to encroach upon the privacy of the home life of the parsonage family.

4. The location or site of a new parsonage must be approved by the District Board of Church Location and Building.

### House Arrangement, Furnishings and Equipment

1. No parsonage should contain fewer than six rooms. There should be a minimum of three bedrooms with ample closet space in each; living room, dining room, kitchen and bath. Additional rooms might be: a second or half-bath, study, family room or den, extra bedroom and a garage or carport.

2. The living room should be large enough so that entertaining is possible, if desired. A minimum of 320 sq. ft. is considered practical. Ideally the living room should be easily separated or closed off from the rest of the house so that

its use can be versatile. Furnishings should include all heavy furnishings such as couch, occasional chairs, tables, lamps, pictures, rugs or carpet, and draperies or curtains.

3. With respect to the dining room, it is desirable that the room be large enough to seat eight for a meal and that, if possible, it should be separate from the living room and kitchen. Furnishings should include all heavy furnishings such as dining table, chairs, china closet and/or buffet, and rugs or carpet, pictures and draperies or curtains.

4. Room arrangements vary from parsonage to parsonage, but where possible, there should be included an area where the family can be "at ease," whether it be a kitchen-family room, den or recreation room. Which ever it might be, it should contain a minimum of 224 sq. ft. A fireplace in the family room is a real asset. Furnishings should include all heavy furniture such as couch, comfortable chairs, desk and tables plus fire screen and tools, lamps, pictures, rugs or carpet and draperies or curtains.

5. There should be a minimum of three bedrooms. If possible, a private bath should be connected to the principal bedroom. Furnishings should include all heavy furniture such as beds (at least one bedroom with twin beds), good mattresses, mattress covers, bed spreads, pillows, box springs, dressers, and/or chest of drawers, plus rugs or carpet, draperies, or curtains, lamps, pictures, and adequate closet space. At least one full length mirror should be provided.

6. One and a half baths are considered essential, and it is strongly felt that two full baths should be provided.

7. Kitchen floors and surfaces should be as easy to care for as possible (linoleum or suitable equivalent should be used). A complete minimum kitchen should include: an electric or gas range, hot and cold running water, a double sink, frost-free refrigerator with freezer compartment adequate for one week's supply of food, 10-12 linear feet of built-in counter work surfaces of proper size and height, adequate storage cabinets or closet for food, utensils, linens, etc., breakfast table and chairs, good light, inexpensive dishes and silverware for use by incoming and outgoing families, an adequate number of electrical outlets, and curtains for all windows. In addition, the parsonage should contain as many labor-saving conveniences as can be afforded. The church itself will benefit from such arrangements. The following are suggested additions: automatic dishwasher serving table on wheels, and a step-stool for high places.

8. A utility area should be provided that contains a hot water heater adequate for six or more persons, automatic clothes washer, automatic clothes dryer, cleaning supply cabinet or closet, work table or area and sink.

9. A minister's study is desirable in the parsonage even when an office-study is provided in the church. This is a must if such provisions are not made for it at the church. Furnishings will include a desk and office chair, book cases, rugs or carpet, pictures, lamps, typewriter stand, chairs, and a studio couch which can be made into a bed for overnight guests, and draperies or curtains. In the event there is no office at the church, additional equipment such as a typewriter, mimeograph machine, filing cabinets, storage closet for supplies and other necessary equipment will be required.

10. Other facilities:

A. An adequate heating and air-conditioning system, preferably a centrally located and automatically controlled system which should always be maintained in good working order.

B. Adequate closet and storage space throughout the house.

C. Adequate shelter for the minister's car, either a carport or garage providing space for two cars.

D. The parsonage should be equipped with an adequate TV antenna or Cable TV connection.

E. A vacuum cleaner should be a part of the parsonage equipment, especially if the house is fully carpeted.

F. Provisions should be provided for emergency escape from the house in the event of fire, especially if the bedrooms are on the second level of the house.

G. All windows and doors should be in good working condition with glass and screens and, in light of the energy crisis, it will be helpful to provide storm doors and windows.

H. The busy minister's wife will appreciate a desk where she can care for her work.

I. There should be easy and direct passage, if possible, from the kitchen to the bedrooms without going through the living room or study.

J. Sufficient electrical receptacles complying with building code are needed.

11. Suggested room sizes not including closets are (as adopted from Board of Architecture, National Division, Board of Global Ministries):

Room	Minimum	Good	Excellent
Living room	240 sq. ft.	280 sq. ft.	320 sq. ft.
Bedrooms	120 sq. ft.	180 sq. ft.	210 sq. ft.
Dining room	120 (for 6)	179 (for 8)	210 sq. ft.
Family room or Den	224 sq. ft.	252 sq. ft.	320 sq. ft.
Kitchen	90 sq. ft.	140 sq. ft.	180 sq. ft.
Study	80 sq. ft.	96 sq. ft.	120 sq. ft.
Baths	35 sq. ft.	50 sq. ft.	60 sq. ft.

### The Minister's Family Will Provide

1. Linens
2. Quilts and blankets
3. Dishes, China and Crystal
4. Silverware
5. Cooking utensils and small kitchen appliances
6. TV's, radios and family entertainment equipment
7. Personal items and special equipment needed
8. Insurance on all personal belongings

### Parsonage Grounds

1. The parsonage grounds should include adequate front, side, and rear yards with a fenced in area to provide play areas for small children.

2. All permanent planting such as trees and foundation shrubbery is the responsibility of the church and planned by a landscape architect whenever possible. A minimum of two outdoor water faucets should be provided for the watering of the lawn, plants, and other outdoor needs.

3. There should be adequate drainage of all surface water from the yard area; an adequate and good-working septic tank or public sewer connection; availability of all public utilities; and an outdoor clothes drying line.

4. An adequate and good-working power mower is an essential part of the parsonage equipment if the lawn is not cared for by the church.

5. An outdoor patio area with some patio furniture is a happy addition.

6. Landscaping and exterior care of the parsonage should be a credit to the church in the community.

### Care of the Property

1. The minister and his family should care for the parsonage as good stewards for the Lord's property, carefully avoiding undue wear and tear, but at the same time they should "be at home" in the parsonage, knowing that the home and furnishings are to be used with inevitable and expected depreciation.

2. The minister and his family are responsible for the repair or replacement of furnishings when, through negligent use of furnishings, breakage results, but ordinary wear and tear, such as is expected when a house is lived in, is the responsibility of the Board of Trustees/Parsonage Committee.

3. An adequate amount should be placed in the church budget annually for insurance of the building, furnishings, and equipment and for public liability. The minimum amount of insurance carried on the parsonage should be equal to three-fourths of the replacement value of the building, furnishings, and equipment. The minister is responsible for insuring all his family's personal items.

4. There will be a natural depreciation of property and furnishings which calls for repairs and replacements.

It is extremely helpful to have a plan as to what repairs, replacements, or additions will be made to the parsonage, even if for financial reasons some of them have to be postponed. It is easier for the Minister's family to live in an

inadequate situation if they know there is an intention and desire for improvement on the part of the church.

6. Each pastoral charge should place an amount in the budget annually for normal maintenance and repairs to the building, furnishings, and equipment or the replacement of same if necessary. The minimum budget amount for the maintenance expenditures should be equal to  $2\frac{1}{2}\%$  of the value of the parsonage, furnishings, and equipment.

7. Time and funds placed in the parsonage to keep it in good condition are good investments and may very well serve as a preventive to even greater expenditures in the future.

All broken and worn-out furniture or equipment should be removed, and not stored in the attic or basement.

9. The Board of Trustees/Parsonage Committee shall be responsible for seeing that all necessary work is completed to keep the parsonage and furnishings in good repair.

10. The minister's wife should be consulted in the selection of furnishings and equipment. Moreover, her taste should be considered in determining color schemes.

11. All electrical appliances, wiring and service panels as well as gas furnaces and appliances should be inspected periodically to ascertain if safe and adequate.

### When There Is a Change in Ministers

1. Serious problems arise at moving time when the time between departure of outgoing pastor and arrival of incoming one may be simultaneous. A clean parsonage is much to be desired by all. The following are set as guidelines so that we can more nearly arrive at some conclusion as to "what is a clean parsonage?"

2. It is urged that a minister's family try to do periodic cleaning so that when moving time comes the task of leaving a clean house will not be overwhelming. Each family is urged now to clear out unusable items (lamps, chairs, old curtains, etc.) that have accumulated in attics, basements and garages, this being done with the approval of the parsonage committee.

3. As close to moving time is possible, each family should wash windows, screens, and window sills, and leave curtains, draperies, carpets, shades and blinds clean. If needed, a professional cleaner should be used.

4. Special attention should be given to particular areas. Drawers and closets should be left empty and clean. Cabinets in bathrooms, kitchens, storage rooms and attics should be empty and clean. As already mentioned, mattresses and springs should be vacuumed and in good repair. The refrigerator and stove, as well as all other appliances, should be clean and in working order. Check light fixtures, exhaust fans, hot and cold air ducts to assure cleanliness.

5. Floors should be clean and waxed. Sanding and refinishing are the responsibility of the church. Walls and woodwork should be painted at least every four years, or more often if needed, especially in much-used rooms (kitchen, den, children's rooms) with care being taken by the parsonage family to clean areas where a little cleanser can do the job.

Periodic pest extermination of both new and old parsonage should be made, the expense to be borne by the church.

6. The outgoing minister's family should be responsible for leaving the parsonage clean, and every minister should strive to leave his parsonage in better condition than he found it.

7. The Board of Trustees/Parsonage Committee should be responsible for thoroughly cleaning and preparing the parsonage for the reception of the new parsonage family.

8. All utilities should be in the name of the church so they are left connected when the outgoing minister moves.

9. Pets should be kept out of doors. Damage done to the parsonage or its furnishings by pets are the responsibility of the minister whose pet(s) caused the damage.

10. The Board of Trustees/Parsonage Committee should tour the parsonage with the incoming minister to explain special situations, certain conditions and

plans and to ask if there are specific needs that he or his family has that are not provided for in the parsonage.

11. The District Superintendent will notify the churches in his District that it is Conference policy for the receiving church to pay the moving expenses of the incoming minister.

### **The Board of Trustees/Parsonage Committee**

1. The Board of Trustees/Parsonage Committee should meet often enough and be familiar enough with parsonage needs to take the initiative in improving the parsonage. However, no inspection of the parsonage should take place without the common courtesy of first notifying the minister's wife of the date and time, and to ask if this is convenient. In fact, it is recommended that the minister's wife be a member of the Parsonage Committee.

2. It is suggested that this committee visit other parsonages, particularly those recommended by the district superintendent as being representatives of these standards.

3. Maintain duplicate inventory lists of furnishings and equipment, one at the parsonage and the other in the committee's records.

4. When a gift of furniture or equipment is presented, designated specifically whether it is to remain in the parsonage or is a personal gift to the minister and his family.

5. Discarded furniture or equipment from member families of the congregation should not be accepted by the committee nor placed in the parsonage for use except in extreme cases of emergency and then only on a temporary basis.

6. Provide necessary food, help and counsel for the incoming parsonage family. Moving day can be a hectic day in the life of any parsonage family and thoughtful and helpful courtesies are genuinely appreciated.

7. Suggest that member families of the congregation give the new parsonage family time to "get settled" before calling on them in order that they might present their best selves.

### **Other Suggestions**

1. The congregation likes to see the parsonage; therefore it is suggested that "open house" be held from time to time. The Parsonage Committee or some other organization in the church might help the minister's wife sponsor such an event.

2. The parsonage is the home of the minister and his family during their occupancy, and their rights and privacy should always be observed by the members of the congregation. However, the parsonage family should take good care of all parsonage property, never abusing it and observing the rule to always leave the parsonage in better condition than they found it.

3. If an adequate parsonage is to be provided and maintained there is involved a definite plan of procedure which is to be understood and observed by both the church committee and the minister's family. Best results are obtained as the minister's family and the church committee work together, feeling perfectly free to discuss the needs with each other. The adequate, comfortable and attractive parsonage is brought about by common understanding and cooperation between both the family and the church committee. Thus, the objective of the parsonage family will be to give the parsonage and its furnishings the best of care. The objective of the church committee will be to promote the living efficiency of the parsonage family and their comfort.

4. It should be remembered that a house reflects character, and that the condition of the parsonage is no negligible element in the reputation both of the tenant and the owner. Happy is the minister who can be proud of his church and for the kind of parsonage provided for his use. Happy is the church whose parsonage family cares for the home provided for them as good stewards.

It is clearly the responsibility of the local pastoral charge to give attention to the matter of providing an adequate, attractive and comfortable home for the minister. Let the pastoral charges accept this duty and render this important service to the minister's family to the very best of their ability.

MY COMMISSION EXPIRES:

## COMMITTEE ON COURTESIES AND INTRODUCTIONS

Bishop Sanders and Fellow Delegates:

The task assigned the Committee on Courtesies and Introductions is an altogether delightful one. The footprints of the stars are easily recognized. The administrative competence and sparkling humor of our senior shepherd, Bishop Sanders, has once more set the tone of this Conference. None shall soon forget the sermons of Bishop Blackburn, Dr. Quick, Dr. Major Jones, and the Rev. George Gilbert.

Dr. Wilbur Walton, who retires during this Conference, has served as our district host with that quality of courtesy that has long since been characteristic of his fruitful ministry. Dr. Paul Duffey, who has so recently been elected to serve as a member of the Judicial Council, the supreme court of Methodism, led the congregation of the First United Methodist Church, as they served as hosts for the Service of Ordination and reception for guests of the Conference. The good people of the St. James parish and their pastor, the Rev. Cecil Bradley, made provision for the Service of the Blessed Sacrament.

Dr. Allen Jackson and his fine team at Huntingdon College have again endeared themselves to the members of the Conference by their concern for our welfare and the provision of facilities especially designed for the comfort of the members of this annual assembly. The Rev. Welton Gregory, who has become "Mr. Communicator," has helped to put it all together. Dr. Harold Rolig's music is always a benediction.

For the creative talent revealed in the magnificent backdrop which adorned the platform throughout all these sessions, for the solo rendered by Ms. King of Cokesbury United Methodist Church for the Service of Commemoration, and for the patient efficiency of our Conference Secretary, Rev. Lloyd Kimbrough, we are truly grateful.

None dare take for granted the faithful service of the Rev. Gerald Maddox and the members of his team who have handled the registration and housing with genuine efficiency. The young pages have served us with a winsome spirit.

It is impossible for all the stars in this spiritual constellation to be listed here, but we are grateful to each of them and for all of them.

This conference shall perhaps be remembered for the compassionate concern manifest by members of the Laity as they participated in discussions of the feasibility of improving the retirement program for members of the clergy. These are they who represent the thousands of disciples who will never attend an Annual Conference, but without whose acceptance of and commitment to the Lord of Life, there would be no need for an Annual Conference.
